The following is a series of programs or sections that unravel the confusion that exists in the world today. A confusion that subsists only on the fringes of the minds of those hopelessly trapped in its grasp, those that cannot think for themselves any more. For those who have discovered it and have endeavored to come out of it, it has been a deeply troubling revelation. A life changing event. The almost whimsical writing style of Marcus is simple and concise which should be helpful to anyone with a pure heart in apprehending the cause, effect, redemption and ultimate pardon which awaits those who seek it.

I have done some editing throughout in an effort to streamline it for reading as most of this comes from transcripts of videos. I hope you enjoy it as much as I have and I pray that you are blessed to apprehend the depths of what is being said. Without further ado.....

Welcome to Servant King Unraveled.

This is a brief introduction to the Unraveled Programs

A few years ago the Attorney General of Texas told a group of parents and I quote, “The State of Texas owns your children, not only your children but you too” Now, how is it that these parents do not know who owns them, and do not know who owns their children? How is that possible?

**Someone owns you, and you do not even know it.** Go ask anyone, who owns you, they will not know. I watched the series Roots, about black slaves captured and brought to America. They were chained like sardines in the hull of the boat, and sold at auctions. And these black people could not read or write, yet every one of them knew who their owner was.

And these well educated professional parents in Texas do not know who their owner is, or who owns their children……. Where does that leave them in relation to a black slave? Think about that. Yet this slimy, excuse of a man called a lawyer, knows who owns you.

All of these well educated professionals from Texas do not know who owns them or their children, and now that they are told, they don’t know why. So, they ask others. Bob do you know why? No. Hey Fred you went to a university, do you know why? No. And here is the difference between the black slaves and the people in Texas. The blacks were captured like animals and taken against their will, while you voluntarily went into this captivity, and you believe it is normal and the best we have. And just like you, the young black slaves born from the captured black slaves also know no other way of life. And it is all just normal to them.

I had a police detective on the stand in court one day. He had taken some stuff from me. He was a detective, he can detect things. I asked him who owned the stuff he took from me. He said, You do. So I own it? Yes. Well, Did I say you could take it? No. You could see in his face, yeah, how does that work? You own it, but I took it without asking you. I then asked him, Who told you to take it? He did not know what to say. After a few moments I said to him. You said, I own it, I did not give you permission to take it, and you took it, and I want to know who told you to take it from me. Now, he just stood there not knowing how to answer. He finally just said, “I had judicial authority.” So, I left it at that, and I thanked him for his insightful testimony.

**To own means:** “the right” to possess, to use, to control, to manage and to dispose of to the exclusion of everyone else. Only you.

Who owns you? Who has the right to possess you....to use you....to control you.....to manage you....and to dispose of you? The only way to lose your right to own property is for you to be tricked or give it without informed consent. And uninformed consent is no consent at all. You better wake up
to this. There is nothing more important in life than what I am going to show you. But you need to understand the law behind this.

**Property is the Holy Grail of Law.**

*Holy Grail:*

- something that you want very much but that is very hard to get.
- an object or goal that is sought after for its great significance.

**To those that have ears, let them hear, and to those that have eyes, let them see.**

In the introduction to the [Confusion Programs](#) (also found in the addendum at the end of this) I stated; every swindle requires deceit and fraud. Something that is not true. A really good swindle is one where you go away happy not even knowing you have been swindled. And a really great swindle is one where you have been tricked unknowingly into being a part of the swindle. You can try to blame the guy who enticed and tricked you, but you were a participant. Who are you going to blame? Now that is the perfect Swindle.

The purpose of the Confusion Programs was to raise questions in your mind. To expose and show you things that are happening in our everyday lives, to show you what some things really are, but others that are mostly there to cause confusion where none existed before. In other words, to raise questions that you never thought to ask.

I also made it very clear that you should check out all the facts, evidence and proof for yourself. Check out for yourself what was presented and what some words really mean. If you just believe what I or anyone else has presented to you, then you are still doing what you have always done, believing what you have been told. **Predictable behavior.** The guy who says that this is nonsense, I do not believe it; is just as foolish as the guy who believes it. Neither one checked it out for themselves. **Both of them still know nothing.**

In the Confusion Programs I said all these programs could collectively be called Confusion of Property. I also said that all the problems you have or will ever have are the result of owning no property. In fact I have been quite adamant about the importance of this thing called property.

Well, as we unravel the confusion, you will see that this story is going to take a couple of more unexpected turns. A really great swindle always takes a number of turns.

When I was told a few years ago that I do not own anything, my predictable behavior did not kick in. I used my brain instead of my training. I took the path least travelled. **I took the path called thinking.** Thinking for myself, instead of relying on my training (indoctrination). I went in a different direction. I followed the property. But to understand the law on property I will need to go to the origin or source of property. You see, the law is a lot different than religion or science or philosophy.

So, I looked at the only two possible origins of property. I took each premise and based on the principles of justice, **I looked at and determined the RESULT of each premise as it relates to owning property.** What happens as a result; the consequence (effect) of each premise.

In the first premise where God created everything, everyone on earth would own their own property subject only to the rules of God. God would be your government. You can’t steal someone’s property, you can’t tell someone what to do with their property and you can’t get control of someone else’s property.
In the second premise where there is no God, no government, no laws, everyone must in order to protect their claim to property, put everything into a common pot and jointly makes the rules or laws governing it. Otherwise every man would be a law unto themselves. However, when you do this, you no longer can own your property, you have lost control of all your property and you must follow the rules of whatever kind of god or government you made to protect your life, liberty and property. But, to protect it, you lose it. The ultimate goof. I want to protect this, oops I just lost it. I looked up the word goof. It is defined as a man who is a stupid incompetent fool. But when you say goof it doesn’t sound very offensive. Oops, I goofed. And this goof is the middle turn of the 3 turns of the Perfect Swindle.

Now that you lost ownership of all your property which includes YOU too; you now are owned by someone, and **He who owns you makes the rules.** So, if I wanted to get control of you and your property, meaning your being, your life, your inheritance and your labor. What do I need to do? I need to get rid of God. **I need to get rid of your owner and his rules.** I have to get rid of the Law.

This of course would result in chaos. No rules. Then I come in to solve the problem. I could profit by creating the chaos, and profit by solving it. This is the exact definition of a Racket. It’s called Racketeering. Now, to the extent I cannot get rid of God, I would need to control and manage your knowledge of God. Control your knowledge of the Law. And we will learn how that is done.

I need you to unknowingly and voluntarily and with a smile on your face give up control over your life, liberty and property. I need your consent. Rather than capture you and put you in chains, I need to put your mind in chains. You see, even though the Scripture is now widely available to everyone, something has happened and now nobody even wants to read it. The same “Book” that Her Majesty the Queen called, *The most valuable thing in the world*. Who would not want the most valuable thing in the world? Apparently nobody.

The swindle is explained in “the Book”. And the solution to the swindle is also in “the Book”. As we unravel the confusion you will see that what we call government or a legal system is a complete counterfeit of real Law with no basis in reality. Our “legal” system borrows principles of Law from God’s government, but the actual Laws are switched out with our own laws. And the Lawgiver is switched out with our own lawgiver. And the Owner is switched out with a new owner.

We have patterned and modeled our legal and judicial system after God’s system of government because it is perfect. God’s system is called the *Perfect law of liberty*. No man on earth could ever have more liberty than obeying the perfect law. This is the reason our legal system appears good and right, but it is not. It is a forgery in substance and fictional in appearance from top to bottom. It is a system of 100% bondage. And there is no liberty in it.

And now I am going to tell you the most unbelievable discovery I made. Even though I knew I was on the right path for some time, this is what sealed the deal for me. It can be summed up in these two sentences; **“If there is no God, then we must of necessity make a God, or there is no law.” And “If there is no Owner, then we must of necessity make an Owner, or there is no law.”** Only an Owner can make a law.

What we claim that God cannot do because it is impossible, we in fact do and believe it with all of our heart, our mind and our soul in order to have a “legal system”. The ultimate hypocrisy! Of course you do not know you are doing this, but you are. You see, the law has nothing to do with what you believe; the law has to do with what you do.

If I were to believe the knowledge of God as it is widely reported, hell, I would not believe in God either. I mean, who the hell does God think he is…God?….a dictator? We don’t like dictators.
Dictators are bad. We want a dictator that gives us free will. A dictator that gives us free will? Who would believe something so contrary to itself as to make it utterly stupid? EVERYONE Does.

We want a God who gives us commands that are voluntary. I command you to do that, but only if you want to. Who would believe that? Everyone does. In fact atheists are not hypocrites; they are quite logical and reasonable people. Whether you label yourself an atheist or a religious man is irrelevant. What you believe is not relevant to the law. What you DO is relevant, and both atheist and theist do the same thing. Everyone has a God, and that is just a fact.

Most people think that when you talk about God, that is religion. And religions use books called the Word of God and it might be the word of God but who knows for sure and even if it is, that only applies to back then, to those people. It is outdated, not relevant today. Man has advanced and we have technology that wasn’t known back then. We are modern people and need up to date laws.

I wish there were a way to simply, easily and quickly unravel the confusion. I wish there were a way to accommodate the guy who said to me, “Just explain it to me, I am not stupid.” Well if you do not know who owns you, then this is going to take a while. Unfortunately I have to take you through a process that is contrary to the only way of life you know.

I will be putting before you the evidence, facts and proof, of what I present. I will be showing you the solution that many are seeking. All based on law, truth, reality, logic and reason. No belief or faith required. You can pray to God asking him to help you understand his plan if you like, but I don’t think he is going to send you an email. Or you can do as you were told, study his words and test all of it to see if it is true. I will be showing you how to do the tests; it is not as difficult as you may think.

God doesn’t want believers; the world is full of those, he wants those who have studied to show themselves approved. And then he wants ACTION. PERFORMANCE. Act according to the Script. Act according to the Scripture. He wants those who walk the talk, not talk the talk. He wants doers, doers of his Word. Not preachers of his Word. And the benefits and rewards are not in the world to come, they are in this world. Now…today! “The time is at hand.”

So, if you are ready to learn what Her Majesty the Queen calls, “the most valuable thing in the world” and what I call simply “the science of God,” then get a coffee or a beer and let me unravel you. Or if you want to remain a beggar, then turn on the TV and watch Law and Order. The choice is yours.

ONE: This first unraveling section is called “Waking Up”.

Sleep: To take rest by a suspension of the voluntary exercise of the powers of the body and mind. That state of an animal in which the voluntary exertion of his mental and corporeal powers is suspended, and he rests unconscious of what passes around him, and not affected by the ordinary impressions of external objects. Sleep is generally attended with a relaxation of the muscles, but the involuntary motions, as respiration and the circulation of the blood, are continued. The mind is often very active in sleep; but its powers not being under the control of reason; its exercises are very irregular.

“And that, knowing the time, that now [it is] high time to awake out of sleep: for now [is] our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light.”

To live thoughtlessly. Oh what a tangled web we weave, when first we practice to deceive. Were we deceived or did we deceive ourselves? Good question. And we will find the answer together. A tangled web is a mess. There is no easy way to untangle it in an orderly way and place it all back in its
proper place. You would think that when it is all untangled, then you will be able to see everything for what it is. But due to our many years of training and indoctrination, we see many things differently than what they really are.

Now, I can do the major untangling for you, but you still need to do some work to clearly see what I present. “Just explain it to me, I am not stupid”, will not work. Long held beliefs, opinions and knowledge do not change overnight. You will only see some things at first, but once you start to see things for what they really are, the process will quicken.

You also have to want to see it. If you do not seek, you will not find. So, do not worry if you do not grasp everything at first. But you have to want to see it. In the Confusion of Mind program, I said, this will be like for me, speaking to a cult. But you do not think of yourself being a member of a cult. You think you are too smart to be deceived. We all think that.

So, just go with it for now. Hear what I have to say, nothing changes until you act on it. You can always go back in your mind to what you think and what you believe you are. You have nothing more to lose, but everything to gain. Give it a chance. But if you do not allow your mind to open and see, you will not find the reward.

In my short introduction you should know by now that this whole confusion thing is about only one thing. And that is God. With God there is no confusion. Without God, massive confusion is created.

“God is not [the author] of confusion, but peace, as in all the ecclesias of the saints.”

Now here is common knowledge. What most people think about. Is there a God? Or is there no God? I cannot prove that God exists. You cannot prove that God does not exist. I believe there is a God. You do not believe there is a God. I have a right to believe whatever I want. You have a right to believe whatever you want. I have the Word of God. No, you do not have the Word of God. I could go on with more of this common knowledge, but you get the point. And we are told all of this boils down to belief and faith. This is common knowledge also. And all this leaves the world in a complete and utter mess. No law and order.

Whatever happened to facts, evidence and proof? Whatever happened to using your brain?

You see, if there is a God and we have the Word of God, the whole world has law and order. The whole world would have peace and good will. A very good will…the will of God. The will of a mind that has infinite knowledge and wisdom. Can you picture this scenario? I think you would call it paradise.

Or, if there is no God, then you have what you have now. No knowledge or wisdom, no standard of what is right or wrong. Today we think this is right and tomorrow we think it is wrong. Every form of government man has ever had is an experiment. How much longer does man have to experiment before they can come to a conclusion? How much longer do men have to suffer poverty, disease starvation, wars, genocides, racism, slavery and a whole host of other abuses and indignations before they realize this should not be normal.

This is not what God created. This is not the will of God. God says, “And ye shall cry out in that day because of your king which ye shall have chosen you….” So we must have chosen a king (a god). And the whole world is crying out. But they do not even know who to cry out to. God says the whole world is in pain.

“For we know that the whole creation groaneth and travaileth in pain together until now.”
So, let us get rid of common knowledge and have a look at the facts, evidence and proof, and see if we can replace your belief and faith with some real knowledge. **What do you know?**

Do you know who you are, what you are, why you are here, where you came from, where you are now? Do you know where the world came from, what a country is, what a constitution is, what a citizen is, what a person is? Do you know what life is, where life came from, what money is, what property is, what an owner is, what law is, who made the law? Do you know what a government is, who the government is, what an education is, what a religion is? Do you know what a God is? Do you know who God is? **Do you know what you are doing? Do you know what you are involved in?**

All you know is what you have been trained to know. Most of which is not true. We all come into this world with a mindless mind. What have you been exposed to?

**“Train up a child in the way he should go: and when he is old, he will not depart from it.”**

God said that. The Pope knows that, Hitler knew that, and the people who run this world know that. But you do not know that. For example, what do you think was the purpose of Indian residential schools? It was to take the Indian out of the Indian. The genocide of a people. The destruction of an identity. To change their state of being.

God says; **“I am your God and you are my people”**. There are no people of God on earth today. A complete genocide of God’s people has occurred. But for those that can see, it is only an illusion. It is a change of identity, not a change of being.

We used to start school in grade one. Then we had kindergarten, and then we had pre-kindergarten, now we have pre-pre-kindergarten. Age 3! Soon your baby will go straight from the hospital to the institution. No need for parents. **“It takes a village to raise a child”**. Something to think about.

If my parents had not emigrated to Canada, I would be Dutch today wearing wooden shoes. Would I be Catholic if my parents were not Catholic? Would I be good looking if my parents were not good looking? Would I be black if my parents were not black? So, what you are born of is very important. But what parts of these examples are real, what parts are chosen, and what parts can be changed?

The problem is in your mind. How are you going to solve a problem using your mind, when the problem is your mind? **You need to look for a mind greater than the mind of any man.**

When I provided an email for people to email me, asking who you are and what your interest is in the Confusion Programs, I received hundreds of emails from all over the world. Almost everyone said they had a problem. But nobody told me what the problem was.

Oh, they would say, things are not right, and tell me about the effects of the problem, I know something is wrong, but I do not know what it is. Some emails asked me, do you know what it is? Can you help me?

Everyone thinks they need a solution. For what? **If you can’t identify the problem, what is it you are trying to solve?** You need to know what the problem is. That would be half way to the solution. Without knowing the problem, you are nowhere.

I was born with the same mindless mind as you, how am I going to know what the problem is? Go and ask someone else who was born with the same mindless mind as you, maybe they know. Go ahead; glorify yourself in the knowledge and wisdom of some other man. That is what you have been trained to do. If that is what you think I am doing? Then you are mistaken. I cannot confirm for you anything. I can only show you the way back to life, I can show you what the truth is, and I can show you the way.
I got emails saying, I want to be able to tell my children and help other people. Why, so that they can glorify themselves in your knowledge and wisdom? So that you can tell them what is good and right? And then I got just a few emails saying, I am lost, and I am reading the Word of God for the first time in my life. Is there a mind greater than the mind of man that leads to a happy, prosperous and long life? One that leads to a life that cannot die. Do you think there is something greater than “Good”, or do you think the “greater good” is what the mind of man decides collectively in a democracy?

“And he said unto him, Why callest thou me good? there is none good but one, that is, God: but if thou wilt enter into life, keep the commandments.”

Well let me tell you what the problem is. **YOU have broken the Law.** But none of you think you have, for if you knew it, you would have said so in your email. When you break a law, you will suffer a penalty, a punishment. But you think the pains and suffering you undergo are normal. Not one email said “I have broken the law, can you help me?” Not one. Instead you say your pain and suffering comes from “they” and “them” that are doing this to me. I think you are referring to your government.

No, you have broken the law, and do not even know it. And that is why you cannot find the solution. Couldn’t be me. I am good. I do what is right. I follow the golden rule. **Vanity, all is vanity. Sorry, you do not get to decide what is good and right. Deciding what is good and right is breaking the law.** You missed the greatest command in the law. You are trying to perfect the second commandment, but it is in vain. In fact that is what the tree of knowledge is all about, good and evil and choosing for yourself what those are!

Now, I am not going to go through the scripture and show you the Law, and what is right and good. There are plenty of people who can that for you if you are too lazy to read it for yourself. The Word of God is not the problem; I am going to go straight at that evil prick himself, Satan, the master of deception, the root of evil. This is what your preachers should be addressing; God speaks quite well for himself. It is the evil I am going to attack head on, the deceptions head on, that you have been exposed to. The greatest hoax ever played on man that causes all the pain and suffering in the world.

It is the knowledge and wisdom of the great deceiver that we need to learn. We need to understand his mode of operation, how the deception works (know thine enemy)! How are you going to stand up against the power of deception, if you cannot see or recognize it?

How are you going to solve a problem when you do not even know what the problem is? In its most rudimentary form, the problem is evil and the solution is good. How can millions of people believe they keep the commandments of God when in fact, and reality and truth they do not? How is it possible? Only through deception...

I am beginning the Unraveled Programs with this following statement. It stems from the introduction to the confusion programs. When I told you what you did. ‘**You lost what is yours, because you took what is not yours**”. And I will end the Unraveled Programs with, “**You have regained what is yours, because you returned what is not yours.**” Please try to remember this theme throughout.

As with the Confusion Programs I gave much thought as to how to present what I have discovered and unraveled. I realize that some concepts can only be understood based on understanding another concept. Some of the things I discovered are not hard to grasp and in fact are easy to understand but for some reason people cannot see them or just never stopped to think about them. And then I discovered concepts which are very hard to grasp or see because of our existing knowledge or notions that are contrary to them. To that extent, I have tried to unravel the confusion in an order and language that makes sense.
I started the Confusion Programs with Confusion of Mind, or Confusion of Words. These two programs are in fact more important than the actual specifics of the confusion because they are the tools used or the root causes of the confusion. In the same way; I will be unraveling things which may not seem important at first but will become apparent as we proceed.

If I just give you a fact about something but you fail to understand why it is a fact, you still have no understanding. That is why these programs are a process to understanding and seeing things. There are today two huge diversions of mind. The first is this whole theory of evolution. A theory presented as fact, so that you will voluntarily break the law and suffer the penalty. The second is the belief that Jesus is God (the Father). Another diversion of mind to keep you ensnared, to stop you from finding the solution. I can hear all the gasps now from religious people. Well, you just wait. I would not say it, unless I can prove it.

My quest or awakening began when something happened which just wasn’t right. I just could not conform to it. I started to go along with it because “It’s the Law” and everyone has to obey the law, but it just kept eating at me. All I knew about law was that if we didn’t have any there would be chaos. And everybody has to obey the law. I like everyone else obey the law out of FEAR; no one obeys the law out of love, always out of FEAR. That is all I knew about the law, we have to have laws and we obey it to avoid a penalty or punishment. In fact, if we can break some laws and be sure we will not be caught, we will do it.

I started by asking people who know about the law. Lawyers. They said if you want a law changed you have to lobby the government. And what they told me was true. But I realize this is next to impossible. Then I started looking for a loophole or a way to change the law, because this is just not right. Then I started looking at things on the internet put out by individuals or groups who knew how to get around the law, or why you do not have to obey it. Why it is all wrong and why things have to be changed.

I am still at the point where I do not know anything unless someone tells me something. And if someone tells me something who knows something like a lawyer, then I will believe it for sure. It is amazing how we think we know so much but do not really know anything unless someone who we think knows it tells us, and then we know it for sure. It is the ultimate goof we play on ourselves.

When I understood this, I realized that I really do not know very much. My knowledge is very limited. And I accepted that. Yes, I accepted that. Here is where we have to forget everything we have been taught or think we know. Start with a clean slate. Wipe it clean and start over; using the good brain you were given. If you want to hold onto anything from your past, your vanity, self-importance, self-righteousness, your, “I know a lot of things”, then you will only hinder yourself.

This is what made me change direction. Because all my thinking resulted in me going around in circles. I must be thinking like everyone else. I am part of a group think. I am taking the diversions, and have been trained, meaning predictable behavior and have learned preconceived ways to solve things.

So, I stopped. I decided I needed to do my own thinking, if that was at all possible. A very hard thing to do when you know a lot of things. I explained in the Confusion of Voice program how I began this process to regain control of my mind.

We have all been trained and conditioned to have self esteem. To think highly of ourselves. But you have to know who you are. We are all Servant Kings, we are not The King. It is thinking TOO highly of ourselves where the Swindle begins.
It is only by humbling yourself; by humility can you truly learn anything. You will learn that it is your pride, especially the pride of your knowledge that is the stumbling block to learning. Perhaps that is why Jesus said; "... Verily I say unto you, Except ye be converted, and become as little children, ye shall not enter into the kingdom of heaven." When I purposely stopped learning someone else’s knowledge, I made the wisest decision of my life.

At the time I did not have any knowledge or training in the principles of law. All I really knew about law is that, "It's the law". I had heard the term, the Laws of God and the 10 commandments, but somehow never equated that with real law. Those are sins and nobody goes to jail for sinning. That's between you and your God. I had no real understanding of the importance of this concept of property or what it meant to own property. And of course I believed I owned things, and I never connected the two. Why would I? I believed a lie.

I had come across God in my research about the law and the laws of God, and God is supreme and we are a nation under God, but I do not really take this concept serious because I am confused and normal like you. The bible is yesterday’s news, outdated, not relevant to our modern day world. I know that the law of God is called law, but you don’t pay a fine if you miss church on Sunday. I can hear more gasps now, doesn’t he know the Sabbath is Saturday.

This concept of God as supreme and/or we are a nation under God is like a nice respectful thing to include in our constitutional documents as a way to say, well God is God but we do not really know anything about him or if he even exists. It is a belief thing. It seems like a polite thing to do, especially for people who believe in God and for the religions of the world.

I had read in constitutional documents about God being supreme and we are a nation under God and I read on the internet that we obey the laws of the land unless it conflicts with the law of God. I had never made a claim like this, but I did recall seeing in the news about some religions that wanted to be exempt from some laws. And this would be a freedom of religion thing. Little did I realize at the time that rationalizing and conforming to this premise is one of the major deceptions.

But then I did some logical thinking. I thought to myself, why does this book even exist now? I mean common belief is that we were created with free will to do good or do bad, it explains about heaven and hell and the hope of an afterlife. People who are on their death bed might reconsider who God is and for insurance reasons decide to pray at the last minute just in case there is a God. But what does it have to do with us today or the law. Is it only used when someone wants to prove a religious exemption from the law? Or it is to be used as teachings for a moral law, a way to be a nice man.

But why is it called law? It seems to be a voluntary law, only if you want to do it? Then it cannot be real law. Our law is not like that. Everybody has to obey our law, but a higher law like God’s law is voluntary? That makes no sense.

It is also called a holy book, and being holy is sort of an arrogant thing. God is holy and there are holy men like priests and ministers, but I don't want to be holy, that is nerdy. I would be embarrassed to be called a holy man. I would have to pretend to be nice to everyone.

And if this book is a book of law, the word of God, what about other holy books like the Koran, or the Talmud, or the book for Buddhists and Hindus. I have numerous things going on in my head that just make no sense. How do I unravel the massive confusion? What is true and what is not true? What is right and what is not right?

I had read in constitutional documents about God being supreme and “experts” on law verified that the Word of God is the highest and final authority on law. There is no higher authority and the Scripture is
called the inspired, inerrant and infallible Word of God. There are no errors and it cannot fail. **If this is true, then this is the only authority I can use to confirm anything regarding law.**

And as we proceed through the unraveling, I will not be confirming anything for you. I am no different than you. I do not have the ability to confirm anything. I will be using the same thing that the people who control this world use, the inspired, inerrant and infallible word of God. Of course they do not use it to obey the law, no, no; they use it to get you to break the law. (More on this later) Why?

**SCRIPT:** “*All scripture is given by inspiration of God and is profitable for doctrine, reproof, correction and instruction in righteousness.*”

So, I thought to myself, I will start with this one premise that the law of God is supreme and anything that is true I will put in one column and anything believed or assumed or apparently right in another. By doing this, not only can I stay on path away from diversions, but I can determine other truths based on logic. If this is true...then this must be true. In the same way, this here cannot be true because it conflicts with what I know to be absolutely true. This is how logic works.

I began a process of using the few absolute truths I knew, along with logic and reason. I also used cause and effect to learn why or where things came from. And I used the consequences of either actions or events that took place to see what the result would be. And I did this in both directions. Here is the result of a previous action or event that caused it. Or if this happens what will be the result.

Now there are also ways to test whether something is true or right and there are ways to learn an unknown thing from the known things. This is an equation where we have known things along with an unknown thing, where X is given the value of the unknown. And then there are experiments you can do where you have an unknown result, but you assume something to be true for the purpose of the experiment and observe the result, or get a conclusion. You begin with a hypothesis.

A hypothesis is what someone believes and assumes it to be true. This is where religions begin and where religions end. They have a belief and a faith. But they reject the power and knowledge of God as we will see. Little did I know at the time that the scripture tells you to test everything to see what is true, and when you find a truth, hold onto it. All these things of course require some work and study on your part, but they allowed me to put more things in the absolutely true column. As your knowledge of the truth increases, things become easier.

Or you can just go ask someone who thinks they know, believe them and make it your knowledge. This is not only what we are trained to do, but what we do, do. That is why most of what you are told is just Do-Do. So, I am reading and learning about the laws of God and I talk to some people who know it very well. And many things which I do, do are against the law. And of course being a Catholic which is my knowledge of God, we Catholics break all kinds of laws. Well I can’t be a Catholic anymore then.

I remember the day I fully realized this, but I still deep down looked for a reason how I could rationalize away still being Catholic and obeying the laws of God. Maybe I am missing something here, after all, we have the Pope and the Cardinals and people who spend their whole life studying the Word of God, who the hell am I compared to them. Pretty arrogant to think you could know more than them.

Now I was not any holy pious Catholic, but our family tradition of being Catholic was strong. My Uncle was a Priest in Holland and my Aunt was a Nun. We were all altar boys growing up. And my mother often wondered aloud if any of her 5 boys would become a priest. So, I had an unsettling feeling in my gut. Like losing part of who you are, turning your back and rejecting something that you were raised
into, an allegiance and loyalty you are going to betray. Something which your whole life you thought was so right is now going to be so wrong. This is a very hard thing to do.

Then as I learned more, I realized that the laws do not have anything to do with my religion. My religion was not the source of the laws; it is my country that is the source of my laws. The religions are just a smokescreen to keep me from seeing what I should see.

And of course, the laws of my country, or the law of the land does not come from God. But then, everyone knows you must obey the laws of the land unless it conflicts with the laws of God. This premise is widely taught and all over the internet. But this premise doesn’t help me with my problem. You see, my quest started out from what you would consider a purely selfish motive. It was a justified selfish motive because of all my years of hard work, no one can deny me that, but I was suppose to sacrifice all that for the Greater Good, for the good of society. A good Christian thing to do. That’s what Jesus would have done.

And I continued to look and learn and study. Now, I remember the day I realized beyond any doubt that I can no longer be a Catholic and how that felt, not to mention “what would my Mom say”, but it was nothing compared to the day I realized that the scripture had nothing to do with my religion, it was about my country. Once I was able to see this it became obvious. Religions do not make laws; it is the law of the land of your country. Holy Crap, this is what God is talking about. This is a fantastic diversion. This is unbelievable. What a shock to my system. This is going to change my whole life.

What the hell do I do now?

I had just discovered the most important deception there is. And it is not really a deception because it is right in front of us all, but it is a really well done diversion of mind control. But how is this done? People are not stupid. Well, I will show you how this is done. You are in fact being deceived by being taught the truth, it is absolute genius. The truth……… that there is only one true God.

So, now I have made a really big discovery, but I cannot understand how this all works yet. But I am waking up. Next we will look at what I call diversions. The things that keep you from waking up and control your thinking. Commonly called, common knowledge.

**TWO:** This section is called “How is it Possible?”

There are millions upon millions of people, actually billions who believe they do the will of God, they believe they obey God and keep his commandments, but not IN DEED. Not in reality, or truth or fact. But they believe they do. Now, how is that possible? All kinds of people from the illiterate to the most successful and most highly educated people on earth all believe this.

A few years ago, I wrote to a court that I obey the laws of God because it is the highest and final authority on law. I later read in the court transcript that the judge read this out loud in court and the Crown Attorney said to the judge, “Yes, indeed”. The attorney representing the Queen of Canada confirmed it. But I know for a fact, that what the Attorney for the Queen just said there went right over everyone’s head. He said, “yes indeed”. Not because you believe it, only if you do it. In deed- In reality, in truth and in fact. By your deeds, not by your words, or by your belief or your faith. Not by your hypothesis.

This is how God explains it, he says: “Because the carnal mind is enmity against God; for it is not subject to the law of God, neither indeed can be.” This means that you are not subject to the law of God, unless, indeed, you are. And the will of your mind can never indeed be subject to the law of God. Not in reality, or truth or fact. (More on this very important concept later)
If I were to tell you that I do not know of a single individual who obeys God and keeps his commandments that would be one of the most unbelievable things ever. That would also be an arrogant statement. But can I prove it to you? Can millions upon millions of people all be deceived? It would be unbelievable. Yet that is exactly what I am going to unravel for you. The what, when, how and why of all this. And the results or the consequences of all of this. And the Why, will become obvious to you as we proceed.

I started the confusion programs saying that I must show you the genuine and the counterfeit both, or you can never see the Swindle. And that is exactly what I am going to do. I am going to show you the creator and the created. The real one and the fake one. I am going to show you the stage and the characters. The real one and the fake one. I am going to show you the script. The real one and the fake one. And I am going to show you how the word was made flesh. The real one and the fake one. And I am going to show you much, much more.

And now I am going to make a statement which will explain why these presentations are not in the interest of the public domain. **The Word of God is the biggest threat to the national security of all countries of the world.** Why? Because God, the real Creator God, is the biggest threat to all other gods. Yes, there are other Gods.

**So, where do we begin to unravel a Swindle?**

We look for something that is confusing, we look for something that cannot be true, we look for a deception, something we have been taught and believe but is not true, we look for something that makes no sense, we look for contradictions, we look for lies, and we look for something that is too good to be true.

Now, words are just a tool. A means of achieving all the things needed to pull off the Swindle. By controlling the words and their evolution, we can communicate to you all of the things needed to swindle you. But the real stumbler to pulling off the Swindle is this concept of God. This one requires a lot of work and forethought to deceive you. And this is why we have to follow the “LIE”, because the LIE must be the most important part of the Swindle.

You see, if I can just swindle you with belief, or faith, or influence, or misdirection, I would not need to use a blatant lie. **The fact that a blatant lie is used tells me, this is what I have to follow.** And what is the lie. You are told you own property when in fact you do not. That is an outright LIE.

Why is this such an important lie to maintain? Because it leads you to this question, “Well who owns everything then?” How does the law really work? **It would lead to exposure of the swindle. People would start to see it.** When you are in court, just ask the judge, who owns that or who owns me. But you better know what “owns” means.

So, now we know that we cannot be swindled without the lie. It cannot work without the LIE. Now we have to follow the property. But how does this tie in with God. It is really simple. The only fundamental of law is jurisdiction, who owns the thing? Who has the right to make the law? Whoever owns the property has a right to apply his or her will to it. He can rule over it. It is like a patent protection on an original creation. **So, the RULE OF LAW follows who owns the property. That is it, period.**

Now, we are not going to lose our focus on Property and how it ties in with the law, but we need to examine some things first which we never really stop to think about.
So, we will address, “How is this possible?” How can millions of people believe they are doing something when in fact they are doing the exact opposite? And how is it possible that millions upon millions of people believe they own their property when they do not. How is it possible that someone owns you and you do not even know it? You would call someone like that stupid.

Well we are going to look at a bunch of diversions, deceptions and lies. The reason I am doing this is to make you aware of these things. When someone is aware of something, it is not so easy to fool them. Diversions are used to make you think the wrong thing and keep your mind from thinking the right thing. Deceptions are when you have taken the wrong thing but believe it is the right thing. And a lie is when you are purposely told and given the wrong thing.

It starts with what we are told. Why wouldn’t we believe what our parents tell us? Or our teachers, our priests and ministers, our government officials, or the media, the neighbor next door, or your best friend in the whole world? Once deceptions or errors creep in they become self perpetuating. It goes from generation to generation in a continuing cycle. Unless someone breaks the cycle they continue. Deceptions become common knowledge and accepted as fact.

People are also inherently lazy when it comes to doing their due diligence, especially when there is no reason to check out something, especially when you learned it from someone you trusted or you think knows more than you.

A guy told me years ago to always find the laziest guy when you have a job to do. Because he will, due to his laziness, find the easiest way to do the job. Why check out anything when you can just ask someone. And everyone reading this is doing just that, looking for someone who they think knows more than they do. Well, I am not going to give you my knowledge. I am going to give you God’s knowledge.

The easiest way to create common knowledge is to create a group think situation, like a family, or a community, or a society, or a religion or a nation. Then give, for free, everyone the same education, media, news, same knowledge, you get the idea. Now you can control what everyone knows or thinks they know. It is really very simple. I have come to know, that people do not even know why they believe what they believe.

As we unravel things we will be exposing specific things, but we also need to understand how we are conditioned both directly and subliminally to think and react in certain ways.

The short answer to all of this is that we have not been educated; we have been trained. With training comes predictable behavior. If you have unpredictable behavior, you are very dangerous. Oh my God, he has unpredictable behavior. We can’t predict what he will do. The people who control this world cannot predict what you will do next. But if I have trained you, I can predict exactly what you will do in any situation. The police will often put in a report that this guy has unpredictable behavior. Of course, you should tell them you are not a trained monkey.

Also we have never been educated in the principles of law. And law governs everything. We also never connect in our mind this thing called property with the law. And of course, all the human motivators are used to control your thinking and actions.

You can do this but nobody can do that. You can have this but nobody can have that. If you want this you have to apply for it, or get a license. You own it, you own it, but you have to ask me if you can have it. Duh. And people never connect the two. They believe the lie.
Diversion of property is an easy one. We just lie to you. You have no training in law so you will never figure it out. You will never connect it. You even tell people about all the things you own. I am a homeowner, that car is mine, those are my children. You have no clue that you believe a lie.

You are made to feel like you own things, until you are made to feel that you do not. And when that happens, remember, it's the Law. You still will not connect the two…… But I did. Like I said, we will be following the property throughout all the unraveled programs, but the diversions used to control your knowledge about God are more important.

Why you ask? Because if there is a God, he owns everything, only he can make a law. And then everything you currently know as law is unlawful. Your whole legal system is against the law. Everything you have ever done is wrong. And I mean everything. If there is no God, then we are doing the best we can, due to necessity legally speaking.

Now I am going to go through a whole list of things both past and present, and you need to contemplate each one carefully. Think about each one and asked yourself why? Be skeptical. If you have been swindled, it is good to be skeptical. We will start with common knowledge about God.

First, is there a God or is there no God? Nobody can prove there is a God or prove there is no God. Is that a fact or did someone tell you that and you believe it. Maybe you are trying to prove God to be what you think God is or should be. Have you ever thought about that? Maybe you are trying to make God in your likeness or similitude. You cannot make God.

What is God? What exactly is God? Have you ever checked it out for yourself, or did someone tell you. Is there only one God or many? This one is very important. What do you know about God? – A little bit, a lot, everything there is to know? Do you know things about God that are not true, just made up by someone? Just think about that.

Where did your knowledge of God come from? – Your parents, a religion, from TV, school, hearsay, don’t care. I do not believe in God. That is your opinion? Okay, what is it that you do not believe about God? Maybe you do not know anything about God. Who cares what you believe, you do not know anything.

God makes no sense. You cannot see him, smell him, hear him, taste him or feel him, God makes no sense, he is non-sense. If there is a God I will have to sense him in a different way. Maybe a sixth sense, like an extra sensory perception. Like intelligence. Understanding who and what God is maybe requires a bit of intelligence. Not a lot, but some.

There are many Holy Books that all claim to be the word of God. Bible, Koran, Talmud, Veda, etc... Will the real God please stand up? Are they all the word of God, or just two of them, or just one of them, or none of them? How are we ever going to figure that one out?

What if I was born into a Muslim family, I would follow the Koran. If I was born into a Jewish family I would follow the Talmud. Who I am and what I believe is automatic, it happens by chance. I never made a choice. Or did I?

The Bible is not the word of God because it was written by man. Who told you that? God or man? There is only one God but religions are different ways to get to the same one God. What difference does it make, as long as I believe in a God? There are hundreds of religions that all use the Bible as their knowledge of God but all believe something different. How is that possible?

And the answer to all these questions, or doubts or confusion is, “I just believe. I am a man of Faith”. Well good for you. You live by hearsay. Belief is to give credit upon the testimony of another. I
find it credible and I believe it. **Now think about these things from past knowledge about the Bible.**

In the past Bibles were hand written or copied by hand. Few around. At one time if you had a Bible you could be killed for that. Why? Just a Book. Millions of people were killed over the Bible for believing the wrong things. The inquisition. The crusades. Holy wars. Killing in the name of God.

“*When the LORD thy God shall bring thee into the land whither thou goest to possess it, and hast cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou; And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them: Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son. For they will turn away thy son from following me, that they may serve other gods: so will the anger of the LORD be kindled against you, and destroy thee suddenly. But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire.*”

And religions have used this to commit genocide against whole groups of people all in the name of God. Taken out of context of course. Destroy the nations, if you destroy the people how are you going to make a covenant with them, or marry them? At one time all Monarchies had to be approved by the Catholic Church. Must be from the Bible. The Pope said that he owns the whole world. Must be from the Bible.

The Bible was translated to Latin and kept like that for many centuries. Why? Back when many people could not read, they were told what God said in the Bible. People were told it takes special training and study to know what the Bible says. If you read it you have no hope of understanding it. Judaism and Islam do exactly the same. As late as 1961, it was a sin to read the Bible if you were Catholic. **Against the law to read the Law.**

During the George Zimmerman trial, there was a big deal about him knowing something about the law. See, you are not supposed to know anything about the law, even today. Then the black girl told the lawyer about law and order.

When the Bible finally came into print and being distributed, many people left the Catholic Church and new religions came forth. Why? Why did the Catholic church change the day of rest from Saturday to Sunday, and say evolution does not conflict with the Word of God, and say the world is flat, and numerous other things that conflict with the Bible?..........**It is a diversion based on peoples vanity that all have taken hook, line and sinker. To keep you from finding what no one is finding.** Diversions done on purpose to keep you busy while playing on your vanity. Religions proving other religions wrong, and that is why our religion is right.

Wake up. This is done on purpose. So, you will stop looking for the truth. **Now think about present knowledge or thought about the Bible.** Religions use the Bible as there authority for what they believe. Religions do not believe everything in the Bible just some things. Some religions believe everything in the Bible, but are still different from other religions who also believe everything in the Bible. How is that possible?

We decide what words of God are true. Then we have to be smarter than God. Some religions rewrote the Bible and believe that one. Did some editing. The Bible says you are to obey the law of
the land unless it conflicts with the law of God. Does it really say that? Nope. Yet everyone believes that. However, it says the exact opposite.

If you break a law of God, like “Thou shalt not murder”, that is a sin, but if you break a law of the land like Thou shalt not murder, you go to jail or get executed. If you break the law of the land, you get fined or go to jail or get executed. If you sin, you have to say 4 Our Fathers, 6 Hail Mary’s and you are absolved. There you go, try not to do it again.

If you murder someone and confess to a priest, he cannot tell the police. And a priest will never tell the police if he raped a little boy. People believe that religion is all about God and the Bible. Maybe it is just about your religion. Is the Bible a religious book or a Book of Law? It claims to be a Book of Law.

Why do religions make a declaration of faith or a statement of what they believe? Why not just say they believe the Word of God, the Bible. Are they really saying here is our interpretation and this is what we believe? Aren’t they really saying some of what God says is true and the rest is bullshit? They know more than God.

Now think about present day common knowledge about Religion. Religion is a belief in God and knowledge about God. Religion is the worship of God. Worship is your reverence and homage to God. Homage means, “I am your man”. And religious people worship God on Sunday because it is on the weekend when they have a day off. On a calendar, Saturday is the last day of the week and Sunday the first. Why is Saturday and Sunday called the weekend? So, from Monday to Saturday you are a countryman, and on Sunday God’s man. And a priest or minister is a man of God all seven days. Unless he has to go to court, or get a driver’s license, then he is a countryman.

Religion is done in churches, where you get married, in the eyes of God, or you can be married in court by a Justice of the peace, or at City hall by the Mayor, both the Justice of the Peace and the Mayor are called “your worship”, so, that works out just fine and dandy.

You can get married in your religion, but the church cannot give a divorce, you have to go to the other worship for a divorce. The religion marriage is just a pretend thing. The other worship is the real deal. Religious God’s will not marry you unless you have a license from the real God. You don’t want to live together in sin, do you?

In religion you can be baptized and enter into God’s family, or you can get a birth certificate and enter your countries family. You can use a baptismal certificate or birth certificate to get a passport.

Different religions have different rules from God. A Muslim in a Canadian prison can have a carpet to pray 5 times a day. A Jew can get Kosher food to eat in prison rather than Canadian food. A Hindu cop can wear a different hat with the Crown badge on it. A Sikh soccer player can wear a headdress but not a different shirt.

Now, the law defines delusional as someone who believes in something contrary to all evidence and reality and cannot be convinced otherwise. In Canadian law, religions are specifically exempt from being delusional. You see, religion is a ceremonial pretend thing, no harm there, but if you stop pretending and actually believe, then you are legally delusional.

You can say we are all children of God, that’s okay, but if you say you are a son of God, you go straight to the loony bin. If you take the Word of God literally, and act on it, do it, then you are not pretending anymore and you go straight to the loony bin.
If you’re a candidate for the leader of the Republican Party and are asked, “If you become the president and have a decision to make that is too hard for you what would you do?” Then you can say you will pray to God for the answer.

Belief in God is for weak minded people who need something to guide them. Religious stuff is done in church once a week. If you do religious stuff everyday of the week you are an extremist. If you stop pretending and act on what God says, then you are a fundamentalist, extremist, radical, dangerous, and a terrorist.

If you try to show someone what the Word of God really says, then you are a cult. People who stop pretending are ordered to undergo a psychiatric assessment, and their activities must be reported to everyone in the newspaper. If you do God stuff anywhere but church, you have a mental illness.

Do not kneel on your front lawn and pray. Pray before a meal is okay, unless it is at MacDonald’s. You can put up a list of the sins in or on your church, but if you put them on your house or gate, this guy has a gun and will shoot you. Even people who want to convert you to God will stay away from this house.

We are a nation under God, God can Bless America, but we will run it. No one reads the Bible, because the next edition of Harry Potter is now out. God is a superstition, a mythical man in the sky, who chose your Queen to rule over you and she can prove it. The Queen at her coronation was given the most valuable thing in the world, simply called The Book, and you use it to level the broken leg on the couch.

And lastly, if you ever go into court to worship, “Your Worship”, and are confused about your worship, then you go straight to the loony bin. So, if you are normal, these are some of the things everyone knows or thinks about religion and God. If you ever get into trouble because you are confused, just remember to say, “I am just pretending, I am not delusional”.

**Religion is not God. Religion is not the Bible. Religion is not the Word of God. Religion is an adverb.** An adverb modifies an action. **There are only two acts of religion in the Scripture.** When you separate from God and bind to Satan. And when you separate from Satan and re-bind to God.

The only way to separate yourself from God is to practice a religion. Breaking the commandments of God require a religion. In fact, keeping God’s first three commandments require no effort. Just be who you are and you are keeping his commandments. You have to do something to break them. You have to do an act of religion to break his commandments.

You are not supposed to be religious; you are supposed to remain righteous. You were born righteous and good. And you were certainly not born with “original sin”. You see, we have the Bible, the law of God. Then we have religious laws.

Let us take for example the Highway Traffic Act. Let’s say the Highway Traffic Act is the Word of God. The law. Christianity tells us that the Highway Traffic Act has been revised and the first half has been repealed, we just have the second half. That is Christian law. And Judaism tells us only the first half is the Highway Traffic Act. The second half is not true or never been ratified. That is Jewish Law.

And Islam tells us that they have the final version of the Highway Traffic Act. There was Adam, and Noah and Moses and Abraham and Jesus and then Mohammed. Mohamed got the final version. That is Islamic law. And of course there are numerous versions of each. Can you go into court with your own revised version of the Highway Traffic Act, and say, this is how I will act? This is what I believe?

**SCRIPT: Gods law says,**
“Ye shall not add unto the word which I command you, neither shall ye diminish ought from it, that ye may keep the commandments of the LORD your God which I command you.”

“What thing soever I command you, observe to do it: thou shalt not add thereto, nor diminish from it.”

If you ask a religious man, your religious laws are all the Word of God. Yes. And God is supreme. Yes. And there is only One God. Yes. And these are your religious laws. Yes, from God. And you obey these laws? Yes. Well unless it bothers somebody. What do you mean? Well we obey the law of the land first. Then if no one objects we can obey our religious laws. But you said your religious laws are from God and God is the highest. How can your law of the land decide if you can obey your religious laws from God? OH, yeah, how does that work?

Religions are a creature of the state, not of God. And you are a countryman, a creature of the state, not of God. The Roman Catholic Church of Canada. Comes from Canada and belongs to Canada. Bill Smith of 123 Front Street, Toronto, Ontario, Canada. Comes from Canada and belongs to Canada. (More on this later)

A few years ago the Anglican Church of Canada had a split over homosexual Ministers. Who gets the churches and the land and the bank accounts was decided by the owner of the property. A Canadian Court of Justice. Not the church and certainly not God. Wake up people.

SCRIPT: “No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.”

Freedom of religion and free religious exercise is the most diabolical scheme ever devised by man and inspired by Satan. I will explain that in detail below. It is a scam. One of the best. It is the Holy Grail of Scams. People who have studied the Scripture for 30 or more years, who claim to do the complete and perfect will of God, obey his laws and have kept his commandments, have as a matter of law, made the law of God of NONE EFFECT, and therefore in VAIN, if they are a countryman.

Now there is one more diversion which for the last about 150 years, you could call the main diversion. That is this evolution vs. creation debate. The reason it is the main diversion is because it goes right to the main issue. Is there a God or Not. This diversion does not need to address, whether the scripture is the word of God, or any religion, or the law, or is God the owner of everything? It goes straight to the origin. Is there a God? But as we will see, it does not. It is a bait and switch that sucks in everyone.

Any doctrine or teaching that is contrary to the teachings of God is the doctrine of the devil. Evil and a deception. Evolution is the doctrine of the Great Deceiver. The doctrine of Satan. “In the beginning, God created the heaven and the earth.” and “To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.”

Now we will delve into why the “theory” of evolution was purposed to in fact attack the Word of God and side step what it purports to prove. Origin of everything. Sneaky people.

THREE: This program is called “Nothing, is it Something”.

Above, I listed a number of things which I call conditioning or diversions things to keep your mind from seeing things or thinking clearly. In other words; frauds, scams and cons. Just become aware of these things and think about them. They are deliberate things whose purpose is to confound you. Yes, everyone is confounded. How do I know? It is the word God uses.
**Confound:** Be confusing or perplexing to; cause to be unable to think clearly. Mistake one thing for another. To mingle and blend different things, so that their forms or natures cannot be distinguished.

"Go to, let us go down, and there confound their language, that they may not understand one another’s speech."

(So God is trying to stop a conspiracy to commit crime)

The latest conditioning or diversion has to do with the origin of everything. This is the creation vs. evolution debate. Relatively new, last 150 years. It began about the same time, when all people could read and the Bible became widely available. This is the mother of all diversions because it goes right to the only issue there is. God. The origin of everything. And therefore the origin of property. God and Property are mutually exclusive.

I have to tell you why this diversion is so important. There are two reasons. First; if there is a God, He has the sole right to make laws regarding everything. If there is no God, then we must of necessity make our own laws and are then not violating any laws.

And second, which is a by-product of the first, if there is no god, there can be no absolute rights or wrongs and we will do what we think is best for what is called the “greater good”. And this is the one the people who control the world need.

It is also this second one that religions have taken under their wing called moral laws, while the first is controlled by the secular world, your country. It is a partnership between what you call church and state, but the country is dominant, except for one of course...the Vatican. Is the Vatican a country or a religion? As we learned in the previous program, religions are a creature of the country. (The Roman-Catholic Church, a deal between Rome and the Church)

The few people who control the world, can never control the world, because it is physically impossible for a few to control the masses. So, no one is in fact physically controlled. That is not how it is done. Well at least not today. The only thing evil people need to control is your heart and your mind. The rest of you will follow suit automatically.

This is the root of why the Swindle is a Cruel Hoax which causes almost all of the pain and suffering in this world. Evolution puts forth man as an evolved creature that is doing their best, with no possible or absolute standard of right or wrong.

It is the single great cause today that leads to all evil in the world. It is this thinking that is the cause of all racism, sexism, slavery, abuse, wars, genocides, torture, pain and suffering in the world. Evolution destroys the power of God, it destroys the Law, it destroys what is right and wrong, and it destroys your family. It has in its hand your life, liberty and property and we all believe it is the best we have and would not have it any other way.

**The only freedom man has ever achieved.....is freedom from God.** A total rejection and separation from God. We are free of you, God! And in the process we have lost our life, liberty and property. And we did it willingly.

Now think about this. In the past, evil was perpetrated through the various diversions I listed, but for the last 150 years or so, the theory of evolution is front and center as the single cause of all evil in the world and it is a mandatory part of your education. You are not taught about money or the law, no, you are taught something that effectively destroys the Law. You are taught you are an animal. You are not special. You only evolved special. Just luck.
You government approved and mandated education of the theory of evolution is a direct attack on The Word of God. It claims to be trying to prove the cause of all matter and life, the origin of everything, but they are not. It is a bait and switch, because no man in their right mind would ever try to prove something beyond their comprehension or grasp.

Why do people believe in evolution and not the Word of God? Simple, everyone has been taught and examined on the theory of evolution; it is being taught as a fact. No one has been taught the Word of God. Pretty simple really. We are inundated with it, through media, religion and academia. You are ridiculed if you do not believe this theory is a fact. How many people have been fully taught both? Maybe some, but in a democracy, who cares if a few people know anything. In a democracy, individual thought is irrelevant, only the thought of the ONE. The majority!

Then Evolutionists drag out someone who used to believe in God as creator and now says evolution has proven there is no God. Then Creationists drag out someone who used to believe evolution and now believes creation. And he has a doctorate degree in something important.

Or you are told 8 out of 10 people believe this or that. It would be better if you are told that 12 out of 10 people believe this. That way you are not only certain, but more than certain. And that should not only make you happy, but more than happy. Oh, my God who do I believe? Now, I am really confused. The answer is you do not believe anyone. Figure it out for yourself. Are you a dummy? Have you lost your mind?

You would think this debate about evolution vs. creation is about the origin of everything, but it is not. Everyone gets sucked into this diversion because of their vanity. Look, I know something. I am smart.

But if you use your brain you will see this is not even a good diversion. It looks good at first glance but not when you take it apart. You see, evolution talks about science and how science can prove things, but evolution is not put forward as science, it is put forward as a theory, taught as fact, to destroy the law, to destroy the Word of God. A theory is not science.

**Evolution is a modern form of the inquisition or the holy wars. Same result.** It is ultimately about control of wealth. Getting control of your property and control of you.

Do not be fooled. Do you think the people who control the world care what you think? Get real. It is about wealth. Property. I am only going to address this in order to eliminate it. I am going to show you how to eliminate it based on using your brain and your own observations, no need to be a rocket scientist. And I am going to show you how to eliminate it based on natural justice. Not based on religion or science. Remember law governs everything, and we are following the property. I will show you how this works.

First, evolution and creation are different processes. Different processes cannot have the same result. Different causes produce different effects.

**Create:** Bring into existence. Cause to be or become.

**Create:** ex nihilo - out of nothing. This definition is misleading.

Long abstinence creates uneasiness in the stomach. See, we think creation has to do with only matter. Something we can see or touch. All creation has a cause. Creation does not come out of nothing.

**CREAtION:** The act of creating; the act of causing to exist; and especially, the act of bringing this world into existence.
**EV'OOLUTE:** An original curve from which another curve is described; the origin of the evolvent.

**Evolution:** A *process* in which something passes by degrees to a different stage.

**Evolution:** A *scientific theory* of the *origin* of species of plants and animals. This is a diversion. A bait and switch. If it is a theory, it is not scientific.

**Origin:** The place where something begins, where it springs into being. An event that is a beginning; a first part or stage of subsequent events. The source of something's existence or from which it derives or is derived.

You see, evolution is only the stage of *subsequent events*, not the stage of *origin*. It compares oranges with apples. Evolve is to change slowly or by degrees to a different shape or form or stage. As a curve evolves into a straight line. Create is to bring into being. Both are verbs. Both require action. Both require a cause.

Actions require a cause. Actions come from a cause. **Evolution is a process that requires a cause, but so does creation.** But evolution as it is put forward as a *theory of origin* is misleading. **First it does not explain origin, it says it does but that is a lie. It evades it. It does not even address what it says it will prove with a theory.** Oh, let me prove that for you with my theory. I mean, people do not hear what they are hearing. They hear what they want to hear.

Second, the theory of evolution as put forth requires a slow process of change in shape, form or stage with bits of creation added throughout the process. A reptile evolving into a bird is not evolution. It is an orange with little bits of apple added slowly over time. And it does not happen.

Third, it is a theory. Not proven. **Property is not a theory and the law does not regard theories.**

A very prominent and honest evolutionist stated, “*We have a theory that has no beginning*”. We have a theory that does not prove what we are trying to prove. In other words we have a theory with no origin. We do not know where the stuff came from that is evolving. **Evolution is not a scientific theory of the origin of species of plants and animals.** It is a theory of a process *after* creation from the origin and requires bits of continuous creation to make any sense at all.

And where is the life, where is the beef? If a living thing evolves, where is the origin of life for this process to happen? Ever heard of the mystery of life? A mystery is something you don’t know.

Even if someone proved how a cell came into being, what good is a dead cell? What does it matter without life? Sorry for the pun. So, what are evolutionists trying to do when they say they are looking for the origin of everything? They are trying to find God. The owner of the stuff that is evolving.

Because, **nothing can come from nothing.** They are looking for whatever has no beginning and has no end. But they are looking in the wrong place. God is not part of nature, of the creation. He is the God of nature, of the creation. Above nature, above all natural things. The Creator of the creation.

**SCRIPT:** “*Does the clay ask the potter why hast thou made me so?*”

So, the real question is this. **What is there that has no beginning and no end?** Both creationists and evolutionists seem to agree that the universe had a beginning and that there will be an end. Creationists because God said so, and evolutionists, I don’t know where they got that from.
And a beginning requires a cause. Why? **Because every effect must have an equal or greater cause. That is a proven law.** Then the end must also have a cause. Evolutionists seem to be perplexed by this idea of creation. The beginning. Creation is like magic.

A lot of people seem to be bothered about being created. I don’t know about you, but I am glad to be here. I think people should be more worried about the other end. Vanishing, perishing. Vanishing is also magic. Where does everything go? **Create from nothing, vanish into nothing? Both sound like magic to me.** Again to create. To bring into existence, to cause to exist. And the latin: ex nihilo – out of nothing. This Latin term is a scam. Why?

**Because nothing is nothing. From nothing can come nothing. Nothing can do nothing. Nothing can be nothing. Nothing can cause nothing. Nothing can effect nothing. Nothing is nothing.**

The latin term: ex nihilo, meaning out of nothing is stupid. It defies all logic. Something cannot come out of nothing. **The name of this program is, “Nothing, is it something”**.

*“For if a man think himself to be something, when he is nothing, he deceiveth himself.”*

That would be magic. It is against the Law to believe in magic or do magic. Magic is a deception. Magic is Witchcraft.

**SCRIPT:** “When thou art come into the land which the LORD thy God giveth thee, thou shalt not learn to do after the abominations of those nations. There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch. Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer."

So, these abominations are done by **nations**, or participants of nations. God does not expect you to believe that something can come from nothing. That is why he reveals to us some knowledge of God. This is one of the purposes of the Word of God. First, he tells us that he is the one that has no beginning and no end. The creator. He then tells us the creation had a beginning and will have an end. But not him.

**SCRIPT:** “And, Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands: They shall perish; but thou remainest; and they all shall wax old as doth a garment;...”

He always was and always will be. And God is not nothing. And if you ask him who he is, he says, I am that I am. Self existent. Nothing is self existent but God. Everything is a part of something, except God. Where did he come from? He did not come from anywhere. He always was and always will be. Beyond our grasp. Second, he tells us that everything came from him. That is where everything came from. Creation came from God. And God is not nothing.

So, there is the answer to where God came from. He did not come from anywhere or anything. He is not born. And his creation is not magic, it took some effort. In fact he calls it work. His works. And it could not have been easy, because at the end he needed to rest. Everything requires a cause except God. **Creation is a miracle, not magic.**

**Miracle:** Literally, a wonder or wonderful thing; I wonder how that is done. **It is a wonder, not a human knowledge.**
A miracle: the suspension of the known laws of physics. A miracle is an event or effect contrary to the established constitution and course of things, or a deviation from the known laws of nature; a supernatural event. Miracles can be wrought only by Almighty power.

To us it is magic; to God he is just doing his thing, a miracle. Supernatural stuff. These things are beyond what we call natural science. Science comes from the Latin scientio, means to know.

Is there a science of God that we are not privileged to, do not know and have no hope of grasping? Of course. Now, in the scripture God talks about “that which may be known of God”.

“Because that which may be known of God is manifest in them; for God hath shewed it unto them. For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse. Because that, when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools, And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever.”

Manifest: Clearly revealed to the mind or the senses or judgment. He gives us some knowledge of God. He does not give us knowledge which we cannot comprehend or grasp. That would be cruel. If he did, and we could not understand it, he would sit there and say, what are you stupid? We can understand the concept of infinite and eternal, but we cannot apprehend it. It is not logical to the human mind.

We cannot grasp that at one time there was no time or space or matter. Surely there was some time before time, and at the end of space there must be more space behind that. And anything that is matter cannot just come into existence or cease to exist. Where did it go? Just vanish. That would be magic.

When you think about it, the concept of nothing is also beyond our grasp. If there was nothing you would not even be thinking about nothing. Is there another realm beyond natural, and beyond physics that we cannot grasp? Do we as human have limitations? A really wise man knows his limitations. Wise is the opposite of foolish. It is okay to think about these things for half an hour, but to spend half your life trying to grasp something beyond your limitations is futile. The natural will never figure out the supernatural.

“O man, who art thou that repliest against God? Shall the thing formed say to him that formed it, Why hast thou made me thus?”

The creation will not figure out the creator. Just get used to it, forget it. When we do this, he must be saying, what business is that of yours. I am God and you are not. God says; You are here about my business. I am not here about your business.

We know from the scripture that there are 3 heavens. The earth’s atmosphere being the first. The second being the rest of space. And the third is beyond space and that is where God resides. We have the Hubble telescope that can look 10 billion light years into space. We are soon going to have one that can look 25 billion light years into space. When we get one that can look beyond space and
slowly bring the lens into focus to see God, do you know what we will see? This is what we will see. (God giving us the finger) None of your business. If I wanted you to know I would have told you.

Evolution is vanity. All is vanity. Evolutionists want God to be something they can understand and grasp with the human mind. They want to know, hey, how did you do that. **Evolutionists are not trying to explain away God; they are trying to find him. But they are looking at the science of nature, rather than the science of God.** The science that made nature, that which is above nature, called the supernatural. God.

If man understood everything about God, they would be a God just like Him. We would know absolute right and wrong. We would know what is good and what is evil. God would not be wonderful, or marvelous or awesome anymore.

Evolution is not trying to prove there is no God. They know that can't be done. Even if evolution is a proven hoax, which it is, that does not prove God exists. The purpose of the theory of evolution is to attack the Word of God, **A reason not to obey the Law of God.**

Now, let me tell you what this is really about. The evolutionist scientists do not know this, they are just puffed up vain idiots, tools being used, but the people who control the world know. It is about this, if there is no creator, there is no owner, there is no law, and of necessity we have to take everything as ours and do our best. It is about **Stealing. It is to get control of your inheritance and labor and your life.**

And religions are there to control your emotions while you are being robbed. To control your knowledge of God as a side show. Man has always believed in a God. When you use your brain you know there must be a god. Back when no one could get the Word of God, everyone believed in some sort of God. Now that the Bible is widely available to everyone, no one believes in God. In the past man worshiped and sacrificed to the planets or the Sun, but they all knew there is a God.

North American Indians knew about God. They knew they did not own the land but were part of it. They knew of the Great Spirit. Were they delusional? What was done to them? Kill off the old ones, and educate the young in residential schools in religion. I cannot prove this, but I would bet they practiced the law of God or were very close in their intent. Why else would the religions kill them for the Kings of the earth?

Of course, there is a God. Just look at the complexities and marvels and wonders of his creation. We only make little discoveries into the design and workings of his creation. We have not even made a scratch onto the smallest dent of his creation. The more we discover, the more we realize we know barely anything.

In the human body and health, we think we made a great discovery into how something works and then we test it to see if we are right. We think we can cure this disease and when we test it on people half of them die and we go, oops. Or this seems to work so we approve it, but we don't know why. Then 10 years later your pancreas is gone, or your teeth fall out. Do you remember thalidomide babies?

I think it was a morning sickness drug. Babies were born with no arms or legs and all sort of mutations. Now that would be empirical data for evolution. A little fin on the shoulder. We are evolving into a fish. No, it was a manmade mutation caused by man’s greed. Some drug company made money from this. **Do not mess with God's creation.** Before we’re done, you will see how all law pertains to this one statement.
The diversion of evolution is only a theory and not a fact. The law does not deal in theories. Just the facts ma'am. Remember the show called “Dragnet”: Cop would say; I don’t care what you believe or what your theory is, just the facts ma’am. And the law deals in property, not imagination. So, using the principles of law and justice, let us put this evolution nonsense to bed.

First, it does not prove origin which is the purpose of the theory. And origin is the only thing we are concerned about when it comes to property and the law. Because origin gives original jurisdiction. Evolution is trying to prove the Word of God is wrong. If evolution can disprove the main premise of God, then the whole scripture fails. But they can’t. Nobody can or ever will. If the theory of evolution is proven wrong, does that prove the Word of God is correct. No.

One has nothing to do with the other. It has to do with your vanity. I know something. Now do we have to disprove a theory? No. It is only a theory. How do you disprove a theory? It is not even a fact. Well let us do it anyways.

We can do the same thing evolutionists are trying to do, but we can actually do it. If we can prove the main premise of evolution is wrong, the whole theory fails. Now there are many things that prove evolution does not occur. But you have no way of proving to yourself without believing what someone told you. Because most of these are based on science which you cannot test yourself. You are just told about some study and believe it is true.

Like: The Sun is this far from earth, is burning up 5 feet a minute. Based on the distance the Sun is from the earth, it would have been touching it 10 million years ago. Do you have a way to know that? No.

Or Quantum physics proves this or that, do you know that. Can you test that? Or this happened 4 billion years ago. Do you know that? Or just believe it. We can age this by doing this. Do you know that or just believe it. We have no way of testing all these things. Use your brain and look at what you can know. Stop believing everything. If you find one thing that is untrue and which is critical to the theory. Then the whole thing is bullshit.

God says study everything he says, you will find it is true. But instead you will believe a study that someone else did and believe it as true, but have no way to test it. So, I use my brain. Long ago and far away, I cannot prove….that sounds like a fairy tale. The basis of evolution is animals and plants evolve. Very slowly. So, then evolution is occurring right now today. Look around you for an intermediate species. You can do that. Do you see any animal or plant in transition? No.

Are there any? No. There are no species or even kinds in evolution. Every animal and plant has to be different. You can’t have any species in the theory of evolution.

Also, every phase of evolving has to be perfect to survive. Then when did evolution stop. For the last 200 years. There are none. Also, what is the concern with endangered species? With evolution we should be getting more all the time. That is all you need to do. Evolution is not a fact. I just proved it for myself. It is finished. And remember, you did not disprove a fact, only a theory. Facts cannot be disproved.

Now, let us follow the property based on natural justice. What would be just and right? Or what we think of as law. For this premise we are even going to set aside origin or God as an unknown. Okay, there is no God for this experiment. What can I see and observe with my brain?
When you came into the world, did you bring anything with you? Maybe a picnic basket, or a watch, did you have socks on? No. Has anyone? No, Do you leave this world with anything, no. You are part of what you claim to own or be the cause of. These are evidence, facts and proof. Not theories. Anyone can observe this. We look at the scripture to see if this is true for confirmation.

“For we brought nothing into this world, and it is certain we can carry nothing out.”

“And said, Naked came I out of my mother’s womb, and naked shall I return thither: the LORD gave, and the LORD hath taken away.”

So, everything was already here. You were not the cause of any of it. Every effect must have an equal or greater cause. And you are not the cause. I wonder who caused all this. God is the greater cause of everything. No human can claim this. It is a Lame Claim. We look at the scripture to see if this is true for confirmation.

“In the beginning God created the heaven and the earth.”

Then we look a bit further. Sure enough man was the last thing made on the sixth day. And they were naked. So, you are part of the creation. You and I are not the owner. You cannot rule over something that is not yours. That violates the rules of natural justice. The rule of law.

So, now I have just proven your legal system is unlawful, unjust. An iniquity. Let us look at this principle of natural justice with an example. You are walking down the side walk and find a 20 dollar bill. Do not know who owns it? No. But there is one thing you do know about the 20 dollar bill. You do not own it. It is not yours. This is why the knowledge of God must be controlled, altered, changed, managed and destroyed.

So, we can claim necessity. And necessity knows no law. Oh, we just found it. All explanations on law and legal systems tell you if we had no laws, the world is in chaos. Getting rid of God is the cause of all problems, the cause of chaos. We know this because in the beginning and until God said, “become light” the world was void and in chaos. If there is an owner we are breaking the law, when we apply our own will to it.

So, what have I just proved to you? No one on earth can possibly own anything. Ask everyone on earth, did you make this or bring anything with you. No. This again is facts, evidence and proof. First law of thermodynamics, basically, says, nothing can be created or destroyed. We look at the scripture to see if this is true for confirmation.

“Even every one that is called by my name: for I have created him for my glory, I have formed him; yea, I have made him. Bring forth the blind people that have eyes, and the deaf that have ears. Let all the nations be gathered together, and let the people be assembled: who among them can declare this, and shew us former things? let them bring forth their witnesses, that they may be justified: or let them hear, and say, It is truth.”

So, say it. Say it is true. So, now we have proven to our self that we cannot be the owner of anything, including ourselves. Our legal system is unlawful. Democracy and self governing is unlawful.

Now, based on natural justice again or what is just and right, where do we go from here. We know we are not the cause and therefore not the owner. We have aside origin or God and reject the existence of God, so we must of necessity have to make our own laws to prevent chaos. But what is the result?
With God, there is an owner and there are rules, laws and morals. Rules on how you make a claim, who you make the claim to and judgments to be administered. **In other words, there is a government. A world of law and order. Someone who claims infinite knowledge and wisdom.**

The second scenario which is now for most a fact, there can be no rule of law. No government. No law and order. Next, since there is no origin or source or cause of everything, there is no owner of all property. So the process of government and law must begin with a claim of ownership. Not ownership.

**Here now is the dichotomy, we cannot say we own the property; we can only say we own the claim to the property. Huge difference.** Next, who do you make this claim to? Nobody. There is no government or law to protect your claim. You just take it, claim it, and defend it. We are reduced to the animal kingdom where there are no laws, no rules and no morals. We need militaries to protect our claim and sovereignty over our claim. **We have to fight like animals, and we do.**

We better hope that our “evolved” brain is in good working order because we have no idea what is going to happen to the world or us. So, what is the end result of what you believe? **With God,** an orderly, happy, prosperous and healthy life. If you obey the law! **Without God,** a world with no rules, no laws, reduced to acting like animals. And if you think about it and are honest in your mind, we act like animals. There can never be peace or happiness in this world.

Governments are formed to protect your life, liberty and property because there is no law, there is no God. Governments are not formed to protect your God given rights. They destroy your God given rights. **Governments are formed to destroy your God-given life, God-given liberty, and God-given property.** And everyone believes the exact opposite.

Governments destroy God. **Governments are formed because there is no God.** Dah, Dah, Dumb. A God is formed because there is no God. And countries are formed because you act like animals. For protection. Citizenship is allegiance in return for protection. It is a “protection racket”.

In the process, because there is no God and therefore no law, everything becomes common wealth for your system of law to work. Otherwise every man is a law unto himself. I want you to think about this now. Everything you do is a competition. We compete for the common wealth. We compete in school, we compete for jobs, we compete for government tenders, we compete for construction jobs, we compete for buying, and for selling, we compete for titles, we compete for resources, sometimes we are reduced to rationing. **And all this competing causes lying, cheating, coveting, stealing, killing etc. And we are supposed to do all this in a polite civilized way.**

And nobody can see it or knows it, except the people who control the world. **If you owned your property according to the rule of law, all competing is finished. All these self induced evils are gone.** Almost all crime is gone over night.

So now, we have proven to our self. Evolution does not take place at least not now, and if it does not exist now, it never did, we have proven to our self we cannot claim to own anything, and we have proven to our self that nothing is not something.

Now that we have stopped believing everything we are told and are using our brain properly, let us prove there is a God or see if we can convince ourselves to the point of a conviction. Beyond a reasonable doubt. What is the conviction we are looking for? That we are “guilty” of believing in God.

Now we will convince our self to the extent possible that there is a God. I asked my daughter who goes to a Catholic high school what she knew about God. Who is he? She said he has white hair and a beard and up in the sky. She got 94% this year in religion class. I got out my telescope and looked
but I can’t find God. We look at the scripture to see if this is true for confirmation about who is God. I should have done this before I got out my telescope, but better late than never. **Better late to read the Word of God than never.**

*“God is Spirit: and they that worship him must worship him in spirit and in truth.”*

No wonder people cannot prove God; they are looking for a rabbit when it is an eagle. Now how am I going to prove Spirit? How do you prove a Spirit exists? I am going to have to use extra sensory perception, because my 5 senses cannot detect him. Oh, I know, I will use intelligence. But first, what is a spirit.

**Spirit:** the vital principle of an animating force.

*“For as the body without the spirit is dead, so faith without works is dead also.”*

A spirit is life. So, it is life that we are looking for. We look at the scripture to see if this is true for confirmation.

*“For as the Father hath life in himself; so hath he given to the Son to have life in himself.”*

Now I see life everywhere. Maybe God is everywhere or at least in the living.

*“God is not the God of the dead, but of the living.”*

*“For he is not a God of the dead, but of the living: for all live unto him.”*

*“He is not the God of the dead, but the God of the living: ye therefore do greatly err.”*

I am starting to think the scripture is true. Maybe I should check for more proof of God in it rather than following some religious doctrine. Look what I found.

*“For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made.”*

*“Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.”*

So, now we know god exists because he reveals himself to us by his works and his word. In other words, by matter and life. But also billboards. I saw one in Oklahoma that said, “God loves you”. So God is saying to us, use the intelligence I gave you. He is saying look at the effects of my work. Rather than trying to prove the cause, let us prove the effect.

It is a scientific fact that every effect must have an equal or greater cause. That is a scientific fact. So, don’t tell me there is no God. It is impossible to say there is no God. You may not know what is God, **but you have to say scientifically there is a God.** It is just that no one stops to think about this. I never did. What is the best evidence of creation? The creation. And what does the creation prove?

**Webster says,** “The works of creation clearly evidence the existence of an infinite first cause”. So, Webster says we have clear evidence. Is it clear to you?

**Evidence:** To elucidate; to prove; to make clear to the mind; to show in such a manner that the mind can apprehend the truth, or in a manner to convince it.

As Daniel Webster said, “no man can claim to have an education unless he knows the word of God”. People think the only proof of God is to see him. All kinds of things are proven and never seen. **Now**
no man has ever seen God. But is it possible to see the face of God? Answer is yes. (we will get to that later)

The creation is the evidence of God, if you use intelligence. You can ask everyone in the whole world if they are the cause of everything, and the answer is no. There is nobody else on earth here but us people. Here is an example of using intelligence.

One morning you find dog shit on your front lawn. You clean it up. Next morning you find dog shit again. You never see the dog. Can you prove a dog exists? Of course, you can prove God exists with dog shit. Now that is logic. And if you are going to reject logic then you are insane. And I don’t talk to insane people.

One last point on this. What would be proof of God? Every single time, people or evolutionists will come up with something that is part of the creation. But God is not part of the creation; he is not part of the proof of anything. He is not part of time or space or matter. **He is spirit.**

Now, I have left two very important deceptions for the end of this section. For this we can again ignore God. He does not exist. Why? Because the law has always recognized God. It does not matter whether you believe it or not. You do not have to prove there is a God. That has already been done for you. All kinds of nations claim to be a nation under God. Many claim in their constitutional documents that God is supreme. The common law says, he who doubts God, is bound to prove it.

Presidents and Monarchies all over the world acknowledge the supremacy of God. They say we are all children of God. They publically state that all things come from God, while funding evolutionists to find out where all things come from.

It is amazing how we can hear two contrary things and never see it. Countries all over the world, have churches they have built to worship God. Surely someone would have told them that there is no God. Instead you can go to the planning department of your city to get a permit to build a church for God. When you go to the counter they do not say, are you nuts; are you delusional, there is no God. Even the atheist guy behind the counter will give you a permit to build a church for God.

Her Majesty the Queen during her coronation states she was chosen by God to rule over you. “*And as Solomon was anointed king by Zadok the priest and Nathan the prophet, so be thou anointed, blessed, and consecrated Queen over the Peoples, whom the Lord thy God hath given thee to rule and govern,….*” She was given the Bible as the Word of God simply called “the Book” for the whole rule of her government.

Our gracious Queen: “*to keep your Majesty ever mindful of the law and the Gospel of God as the Rule for the whole life and government of Christian Princes, we present you with this Book, the most valuable thing that this world affords*”. She made an oath to God also to maintain his laws. Is your Queen delusional? Is she nuts, does she need a psychiatric assessment?

Why don’t atheists tell the Queen when she charges them that they do not believe in God, and therefore she has no authority of God to rule over them? No God, there is no authority of God. You cannot get something from nothing. **Even atheists can’t think straight. They are just like religious people.**

Here now is the answer and the truth. The law recognizes whatever God is its maker. PERIOD. **Find your lawgiver, and you will have found the God you obey in fact, in truth and in reality.**
I have seen letters from President John Adams that religions use to verify that the USA is a nation under God founded upon Christian principles. We are a God fearing nation. Then I read you a letter in the Confusion of God program from John Adams to Thomas Jefferson saying, who the hell would ever believe in this superstitious bullshit about God. While no one can see what we have done by creating the USA now, we will become a wonder to the world. We as a nation have no more to do with God than with a truck driver tooling down the road or a plumber pulling up his pants.

People want to hear what they want to hear rather than what is really going on. The God in all of the above is not the Creator God of heaven and earth. You believe it is, but not as a matter of law. **The God in all of your constitutional documents and the God that Presidents and Monarchies are referring to is YOU.** And the God whose will you are doing completely and perfectly is YOUR OWN WILL as, “One” which is the will of Satan.

I will prove this to you beyond all doubt before you finish this. It is not a hard thing to grasp; I just have to show you. But the final thing in this paper will be hard to grasp. Do not worry whether you grasp it or not. I have shown you a number of deceptions but I have to unravel more before you will grasp this one. The scripture claims that God created everything there is. How did God create everything? How did he cause it to come into existence? Again;

**Create:** means to bring into existence, or the act of causing to come into existence.

**Create:** ex nihilo- out of nothing, is a scam. He did not create out of nothing.

Lucky for us he tells us how he created. How he caused everything to come into being. By his Word. And the Word of God is not nothing. The Word of God is not no-thing. **It is the most valuable thing this world affords, or you would not be here.** He caused everything to come into being. By his Word. And you would say that is not possible. You can’t just speak something into existence. Or use words to create something out of nothing. Why?

That would be magic or witchcraft. Like abracadabra. And you would be right. You cannot do that. God did not create by the word. He created by the **power** of his word. Creation requires power, which is why he is called Almighty God.

Now, can man create something by the Word? Does he have that power? You would say that is impossible. But I am going to show you that is exactly what man does. What we claim that God cannot do because it is impossible, we in fact do and believe it with all of our heart, our mind and our soul. Of course, what we create and act on is just in our head, it is not real. But heaven knows it is normal.

“**For if a man think himself to be something, when he is nothing, he deceiveth himself.”**

**Every legal system in the world requires you to be a God and a Creator and the Source of Life.** How do you like that? The very things that no one believes in about God, is exactly what we do in order to have a legal system. And it is all created by the Word. **It comes into existence by your AUTHORITY. You are the Author. You authorized it.**

This is the ultimate hypocrisy, the ultimate deception, and the ultimate and perfect means to swindle you, and no one even knows they are doing it. People who say they believe in the creator of heaven and earth, are in for the shock of their life when they can clearly see what they do. At this point you may or may not believe that the Bible is the Word of God. Don’t worry about it. Before we are done, you will be able to figure it out for yourself.
I will find confirmation of these things for you using The Word of God. Remember, I cannot confirm anything for you. I came into the world with the same mindless mind as you did.

**FIVE:** This program is called “Oh, my God”

Now we will clear up some misconceptions. These are concepts that people have taken and believe but have missed the concept. Hence, a misconception.

It is a less aggressive word than deception, but basically the same. All it takes is one misconception, taking one wrong turn to change the truth of a thing. These misconceptions require some explaining to understand them and need to be clarified in order to understand the rest of the programs. This program will also address the first and most important commandment of God. It says;

“I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me.” [So Egypt is a house of bondage]

There is a reason why people believe they obey God and keep his commandments. The reason is because there is only one God. You can ask anyone, whether they believe in God or not. How many Gods are there? Only one. That is common knowledge, in fact God says that himself.

“Know therefore this day, and consider it in thine heart, that the LORD he is God in heaven above, and upon the earth beneath: there is none else.”

If I asked you, “Are you God?” you would say no, of course not.

**Religious creeds:** Which are statements of belief. You hear things like, “We believe in one God the father almighty, the creator of heaven and earth and in Jesus Christ his only son our lord. Born of the Virgin Mary, suffered under Pontius Pilate was crucified, died and was buried……”

And people will say the various religions are different paths all leading to the same God. Universities have courses in comparative religions. But all of the same…one God. Everyone knows there can only be one God, if there is a God.  **And here is where the truth is used to deceive you.**

There is suppose to be only one, but in fact there are many. Now, if you believe that there is only one God, then it is impossible to believe you worship any other God. This the heart of the misconception.

Could you be worshipping another God and not even know you are doing it?  **Is it possible you are worshipping something that you do not think is a god but in fact is?** Something that has all the qualities and properties of a god as a supreme being.

Everyone thinks there is only one God, but God. God does not think that. His first Commandment to us says, SCRIPT: “I am the Lord your God, who brought you out of Egypt, out of the house of bondage, thou shalt have no other Gods before me.” If there are no other Gods, that command is utterly stupid. Certainly unnecessary. Redundant, not needed. God, who is supposed to know everything, does not know there is only one God.

So, what does his first commandment really mean?  It starts with I am your God. I am the Supreme Being. Who brought you out of Egypt, the house of bondage. Why say that? Oh yeah, I remember the story of sending in plagues and rescuing the people and parting the Red Sea. And Moses leading the way, and I think Charleton Heston played Moses. It was great. But what is the importance of saying; I brought you out of Egypt, out of the house of bondage? You see we are trained to skim over things.
Today most commandments would just say; “Thou shalt have no other Gods before me.” You will learn that in law, every word is important. And you will learn that in the Word of God, every word is extremely important. He doesn’t mince words and he only says exactly what he means. This is why much of the scripture is hard to read. It doesn’t flow like literature. It is a technical book on law. It must be precise.

So, when he says, I brought you out of Egypt, he is saying I brought you out of a God. I brought you out of this God that you were in bondage to. There is a bond. Next, you shall have no other Gods before me. You see, in Egypt you obey Egyptian law, not God’s law. Egypt is a God. Canada is a God. The USA is a God. Germany is a God etc... These are all theocracies. Everyone obeys the ONE.

A God is a lawgiver. A God is a Sovereign. The Sovereign state of Egypt, of Canada, of America, of Germany, the sovereign state of Texas, you get the picture. Now I will be bringing up this scripture many times throughout this paper and the program.

SCRIPT: “These are the sons of Shem, after their families, after their tongues, in their lands, after their nations. These are the families of the sons of Noah, after their generations, in their nations; and by these were the nations divided in the earth after the flood. And the whole earth was of one language, and of one speech. And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there. And they said one to another, Go to, let us make brick, and burn them thoroughly. And they had brick for stone, and slime had they for mortar. [they were Masons] And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name [A nation a country, a family], lest we be scattered abroad upon the face of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.”

We just use a different word, and no one can see it. A Sovereign nation. A God. God’s are sovereign, Sovereigns are Gods. And let us make us a name. A nation, a family name. Forming or constituting a country is the making of a family. A family of Gods. United as ONE. A Sovereign State. His first commandment is not a command to obey his laws, but to not have any Gods in his place or higher than him. God is the King of kings. Lord of lords, God of gods.

“For the Lord your God is God of gods, and Lord of lords, a great God, a mighty, and a terrible, which regardeth not persons, nor taketh reward.”

Theism vs. Deism.

Remember our focus will not be diverted from Property. We follow the property. Just for a moment now, lose this concept of law, and think in terms of business. Whose business is this. When Jesus was on earth. He said he was here about his Father’s business. He was here about the business of his Father’s property. The Kingdom of God.

SCRIPT: “I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the evil. They are not of the world, even as I am not of the world.”

So we are not of the world....All law is really that simple. Who made the property? Who is the owner? Who can make a rule regarding the property? In the olden days, a court would say, all those having business before this court come forward and be heard.
Religions show and explain in detail how some religions like Catholics worship the Sun. Worship on Sunday. They are pagans. They worship the God, Isis, Horus, and Set. That is what IHS stands for on the cookie. What does the Catholic Church do or say about this? Nothing. **You have taken the bait and you have been sucked in.**

Catholics in Canada and America worship the same God as Baptists, Methodists, Jehovah Witnesses and atheists. This is the insanity of religions. No religion has anything to do with the law; it is all a side show. To keep you diverted from seeing what you should see.

Your religion doesn’t own any property, your church doesn’t and neither do you. It is all just pretend stuff. It means less than nothing. The Sun that Catholics worship, does not own any property and it cannot make any rules of law. It is not a God. God is not concerned with the Sun; his commandments were written for YOU.

You think there is only one God. So, nothing else could possibly be a God. Then religions are worshipping all different Gods and they all fight with each other, saying you are the pagan. No you are the pagan. Which of course means “countryman”. That is the definition of pagan, a countryman. **And all these religious people are all countrymen.**

And the God everyone is worshipping indeed (in deed), their country, their love of country, nobody even thinks it is a God. **And that is the god, God is talking about.** And the people who run this world are laughing their ass off at you.

Isn’t that a great deception or conditioning of how we think? Now, we are not done yet. Oh no, the deception gets even better. There is another twist to this. It takes another turn. We all obey the law of the land, our country. And that is the God we obey. But a country like Canada came into being in 1867 and the America in 1776. So, we made our own God and serve it. We serve our country.

“**For all the gods of the nations are idols: but the LORD made the heavens.**”

“**For all the gods of the people are idols: but the LORD made the heavens.**”

That is a little bit different again. Yes, your country is the God you serve and love, but are in fact idols. But who is the country? It is the people. So who is the real God we obey and serve? It is our self, our own bellies. We are a self governing society. **We are the God, and our country is the idol.**

There is only us people here. Remember when I said nobody knows what that means? The scripture was written for you. You are the only one that can read. Your country can’t read, the Sun can’t read, a statue can’t read. The word of God was revealed for you and to you.

Only you can claim the property of God as your own and make rules over it. Only you can be a lawmaker. Only you can be a God in the place of God. There is nothing else. You are the God that God is talking about, when he said no other Gods before me. And you are always looking for “they” and “them” to blame for your woes.

Do not place yourself above the true God, or supplant God, or usurp him. Do not steal his property and become its owner and make your own laws. Do not take jurisdiction over his property. The word is autonomy and self will. Self mastery.

“**Will a man rob God? Yet ye have robbed me. But ye say, Wherein have we robbed thee? In tithes and offerings. Ye are cursed with a curse: for ye have robbed me, even this whole nation.**”
And everyone knows they are not a God, and no way possible to be a God. It couldn’t be me. Oh it is the Catholic Church or the God Zeus or the Sun or whatever people believe is a false God. **No, the only false God there can ever be, is YOU.**

And when you can understand that, you will start to understand much of the scripture. And when you understand that, you will start to understand how the legal system works that you are deeply involved in. Politicians, presidents, monarchies all claim to be under God. The president of the United States and Monarchs around the world have all said; we are all children of God. We are a nation under God.

**The God they are under is YOU. These leaders all serve YOU.** Just ask them. Not the true God, the creator of heaven and earth. No. They just use the word God and you think of the true God. They have to say that so you don’t think you are violating the first commandment of God.

“But Jesus called them unto him, and said, Ye know that the princes of the Gentiles exercise dominion over them, and they that are great exercise authority upon them. But it shall not be so among you: but whosoever will be great among you, let him be your minister; And whosoever will be chief among you, let him be your servant:”

And the people who run the world are laughing their ass off at you. While you voluntarily give up your inheritance, your labor and life to them. Which is what happens when you break the Law of God. It is God who does this to you for breaking the law. It is the penalty. The law is the law. I told you that the people who run the world use the law of God to get you to break the law. Because it is the Word of God that is the law whether you believe in God or not.

And your legal system is also the word of God, YOU. So, is there more than One true God? No. But you can be as God by taking his place. **You are to appear as God in his likeness, not be as God.** That is what Jesus did. I know it sounds almost blasphemous, but it is not. This is a huge misconception, which leads to people believing Jesus is God. (More on this later)

Next misconception; **Kingdom of God.** Where is it? I asked a minister type scholar who had a doctorate in divinity. A PHD in the study of God. Where is the Kingdom of God? He said nobody knows. ….It is not really a place but an idea. OH. I asked him if he knew where the Kingdom of Saudi Arabia is. He knew where that was. Well I know where the Kingdom of God is. Here is a clue. In the beginning God created the heaven and the earth.

“**Know therefore this day, and consider it in thine heart, that the LORD he is God in heaven above, and upon the earth beneath: there is none else.”**

Lord’s Prayer: “**Our Father who art in heaven, .......will be done on earth as it is in heaven.”** But we are also told: “**Neither shall they say, Lo here! or, lo there! for, behold, the kingdom of God is within you.”** So, where is the Kingdom of God? Answer, everywhere and in everything. That’s where.

I think the Kingdom of Saudi Arabia and the Kingdom of Canada and the Kingdom of America is an idea. The Kingdom of Canada came into being in 1867 that was its beginning. I also think that if we ever dissolve the Kingdom of Canada, you will find the Kingdom of God will reappear by default. So, what was the purpose of bringing people out of the Kingdom of Egypt? To bring them into the Kingdom of God. Now, can you be in the Kingdom of God and not be in the Kingdom of God?

You are in his Kingdom physically but not in law, not in spirit. If God is not your God, if he is not your King whom you obey, if God is not ruling over you, then you are not in his Kingdom, even though we are all in his Kingdom physically. In reality, materially. When we get to what a constitution is you will see the illusion we are living, or should I say, that we give life to. Next misconception: **Dominion**
And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

Dominion: Sovereign or supreme authority; the power of governing and controlling.

The Word of God reveals to us that he made everything. He explains that he made us. So, we have a Creator, owner, everything is his property, his law, his will alone. Pretty simple, natural justice.

People think they were given dominion and have the right to rule over everything. You will read this in essays on the history of law and by great philosophers about such rational and the theory behind a social contract by John Locke and others. We got everything from God and dominion and now we have to figure out the rest. All these great philosophers on law will always acknowledge God, they never talk about evolution. They are not that stupid.

They just start with God made everything, gave it to us and now we are on our own. The exclusive right of possessing, enjoying and disposing of a thing; ownership. In the beginning of the world, the Creator gave to man dominion over the earth, over the fish of the sea and the fowls of the air, and over every living thing. This is the foundation of man's property in the earth and in all its productions.

And people say, oh goody. See I have dominion over my property. Over myself. Excuse me, Excuse me. Those who teach that God gave man dominion over everything to do their own will are lying deceivers. Do you think God said, I made you and all there is. I give you dominion. Good luck, and I will see you at the finish line.

Is that what you think? God says no less than 172 times keep my commandments. keep my commandments, keep my commandments. Then someone reads something in the scripture that sounds like you can make your own laws and obey man’s laws. These things are read out of context, off point and with a pre-conceived diversion in your head. 172 times, obey me, obey me, keep my commandments, then he says forget all that, what was I thinking, go ahead and do what you want. Really? You can ask some real religious man, do you obey God and do his will. Oh yeah. Then ask him, what are his commandments? I don’t really know them. What kind of insane delusion are people living?

God lists what you were given dominion over, and it does not include yourself. He never gave you the right to self governing. He gave you dominion over his creation but under him. You do not have original dominion, unless you think you can create something. And God has to give you dominion for a very good reason. How are you going to do his will with his creation, meaning you too, if he doesn’t give it to you? Duh.

Dominion is not jurisdiction. Jurisdiction means to speak law. Dominion is the power to exercise the law. This misconception is good religion, and bad law. Holding and exercising God’s power, authority and will gives you God’s dominion and makes you a Servant King, not THE KING.

Now, I wasn’t going to reveal this until the end, but what the hell. Think seriously how important this is. As a Servant King, you are given the power, authority and dignity of Almighty God himself. Just think how that relates to everything. Being God’s vice-regent. WOW!

Making you believe you can exercise original dominion according to your will is very necessary to pulling off the Swindle. Remember, you lost what is yours, because you took what is not yours. God’s system or plan cannot be compromised. It is impossible, and you will suffer if you do.
“Thou believest that there is one God; thou doest well: the devils also believe, and tremble.”

Next concept: Satan. What is Satan? If there is a God, there is Satan. People tend to forget about this Satan guy. He is as real as God and as real as you and me. Why? Because there can be no right without wrong.

If nothing is right, then nothing can be wrong. If there is no God, absolute good, there is no Satan, absolute evil. If nothing is evil, everything is good. We decide what is right and wrong. Don’t we? We decide if his word is true or not. We decide who is God and who is Satan. We decide what is good and what is evil. Our legal system has good and evil. We decide who is the devil.

There are some things that God says are perfectly fine, and in fact you are commanded to do them, and we lock people in jail for 20, 30, 40 years of their lives for doing them. And there are things that God says you will be put to death for, that we say are not only fine but if you hate them, we will put you in jail for hating them. You are offensive.

You need to pause and think about this for a moment. How evil this is. Destroying someone’s life and locking them up like an animal in a cage for their whole life. For nothing. For doing nothing wrong. That is how evil this whole deception is. Or we make a law that will prevent or reduce the chances of you breaking the law. Then we make a law preventing you from preventing you from preventing you from breaking a law.

You end up breaking a law that prevents you from breaking a law. But you never broke the law. You never did anything wrong. There are people in jail for the rest of their lives and have done nothing wrong.

All because of the greatest hoax ever played on man. Your legal system is not law. Real law protects you, your rights and your duties. Your legal system is not law. Your legal system is a system of self governing bills. Debts, obligations and promises of performance to act which are governed by the rule of law. The law in the hands of man is used for greed. To oppress you, to obtain control over you, to steal.

By the end of this paper and the program you will learn how you had everything, and then lost everything because of one act. Your legal system creates crimes that are not crimes. Self imposed debts and punishments, all because YOU know better than God.

All because you did not keep the commandments of God. If you had, you would not be looking for a solution. All because you own no property. And all because you were deceived into breaking the law of God. All because you do not believe in God. How important is it for evil to control the knowledge of God. And it started in the garden. Everything is explained in the scripture. But you have to want to find it.

**SIX:** This part is called “The Initiative of Iniquity”

Iniquity is a word I had never heard of before I read the scripture. The only other time I heard this word used was by a prominent banker who said. “Banking is conceived in iniquity and born out of sin.” In its broadest sense it means an injustice, something that is just not right. Ever feel something is just not right? Then you are experiencing an iniquity.

Now we read in the scripture about doing the Will of God, and we know or should know that your legal system which we call law is the Will of the People. And in any democracy, the will of the people is the supreme law of the land. There is no higher law. So if there is a law of God it is not higher.
This takes us to another very important deception, a principle of law that is easy to see when you understand the principle. People believe they are to obey the law of the land unless it conflicts with the law of God. And God told you to. This is widely believed. And of course you think the law of God is higher and are able to achieve that through your freedom of religion.

People will show you where this is said and again these things are read out of context, off point and with a pre-conceived diversion in your head. And they are totally contrary to the most fundamental principle of law. These teachings are impossible to be true.

I know a man in America who has studied the scripture for over 30 years and knows it better than anyone I know, yet all it takes is one misconception to go totally off track. Going the wrong way. He says there are about 140 basic laws of God. He says, we Americans practice about 80 of them and 60 we do not. I say, you don’t do any of them. Oh, your law might be like the law of God, but it is not the law of God.

A law like “thou shall not steal”. We do that. We have that law. No you do not. Your stealing law is a counterfeit law. When God says, do not steal, it is because he owns you and what you have. When you make a law, that says, do not steal. It is because you own you and the property. Same law? No. Different owner of property, different lawgiver, different will. You are doing your will, not the will of God. Remember, we follow the property. This is a huge deception. You have made yourself God and here is my will, the law.

This is why no court in your country can or ever will take judicial notice of the laws of God. God is not in your country above your country, under your country or beside your country. Your country has nothing to do with God. Your country does not recognize God, well not the God your thinking of. You are the lawmaker, YOUR will, not the will of the true God. The court will take judicial notice of a religious freedom, but not the law of God.

This principle of law is explained in detail in the Book of Job, and in the parable of the man who had two sons, and in the gospel of Matthew: “No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.” Mammon is the personification of wealth. What does this mean? Our legal system that we call law is serving mammon. Why? Because of the reason it was established. Before I explain this thing about mammon, let me say this (or better put, repeat this).

“To know wisdom and instruction; to perceive the words of understanding;”

“To receive the instruction of wisdom, justice, and judgment, and equity;”

“To give subtilty to the simple, to the young man knowledge and discretion.”

“A wise man will hear, and will increase learning; and a man of understanding shall attain unto wise counsels.”

Now did you catch that? To give subtilty to the simple.

“Now the serpent [satan] was more subtil than any beast of the field which the LORD God had made.”

Subtil, also written subtle, means a fine distinction. Just a little wee distinction. Hard to see or grasp. All of these deceptions I am showing are subtil. Remember, with no God there is chaos. Of necessity we claim all we need or desire. To protect our life, liberty and property, is the reason we made laws. Not to do what is right or moral.
So, the reason for our legal system is for the protection of our wealth. Remember a legal system is not based on what is right or wrong, just what is legal or illegal. Based on the will of the people. Our legal system is for profit and gain and retention of wealth. Nothing else. That is MAMMON.

When you obey God, it is for the love of God that we keep his commandments, and your reward for obedience is your profit and gain. Not the other way around.

“By this we know that we love the children of God, when we love God, and keep his commandments. For this is the love of God, that we keep his commandments: and his commandments are not grievous.”

That is why this program is called the “Initiative of Iniquity”

Inquity: means unjust, an injustice, unrighteous. Just not right. Not the way things have been laid down, set and established. Not being who you are. But who initiates an iniquity? Clue: There is only us people here. But it is inspired by Satan, because he knows your desires and wants.

Now, I need to stick this next thing right in your face, so you can plainly see it. The Word of God reveals to us that he made everything. And we have proof from a previous program that we made nothing. He explains that he made us. So, we have a creator and owner, his property, his law, his will alone. Pretty simple, natural justice. The owner says, you can eat freely from any of my trees, except one.

“And out of the ground made the LORD God to grow every tree that is pleasant to the sight, and good for food; the tree of life also in the midst of the garden, and the tree of knowledge of good and evil.”

“And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.”

This is what we call in our legal system,” fruit of the poisonous tree”. Something that is illegal. This tree contains the knowledge of what is good and evil, what is right and wrong, or legal or illegal. This is the tree of jurisdiction. Only God has original or inherent jurisdiction. Inherent means it is built in, constitutional. Just the way it is.

God has original jurisdiction over everything. You shall not. “Shall” is imperative, “may” is permissive. No free will in a command. Free will is only in permissive. Free will is being interpreted as the right to choose, to make a choice. No. There is no choice in a command either. I command you but you choose what you want to do.

Free will has to do with love and with programming. All of God’s creation is programmed by God except for man. The sun and the moon and the waters and the animals are all programmed. The earth orbits….no choice. The Swallows all build a mud nest, no choice. But man was given the ability to love. What does that mean? It means you were given the ability to know your Creator God. You are not programmed. You have the opportunity to have a relationship. A knowing and conscientious relationship with your Father in heaven.

And the people who run this world know this; they know the scripture better than anyone. And they know you are wide open for programming. Instead of being trained by your father in the Word of God which is a commandment of God. We are not. This leaves the door wide open for those people in this world to train you their way. And they have.
Getting back to the law. God alone has jurisdiction. Means to speak the law. The power and right to make, interpret and apply the laws. His will alone. Religions and philosophers will tell you we are born, or have an innate sense of right and wrong. But this is not true. The truth is we are born without it. And again you can observe that with your brain.

Look at a 2 year old who wants a toy and bites the next kid. He just looks at him with no emotion or empathy, wonders why he is screaming. You would say this child has no conscience. Means without knowledge of right or wrong. So, if you have no knowledge of what is right and wrong, then you have no conscience. Religions will tell you by eating from the tree we obtained our innate sense of right from wrong. Sure, breaking the law will make you learn what is right and wrong. It is when we ourselves determine what is right and wrong that separates us from the Father. Here now is another subtle diversion.

It’s a test of trust. But there is a trick coming. Now, God’s will is revealed to us in his command; “Do not eat from it”. Or you will surely die. Now, evil, which is Satan in the form of the “serpent”, gives unsolicited advice to Eve. Satan did not claim to be the creator, not his property, not the owner, what business is it of his. He didn’t create us. He is a fallen angel. And we are about to fall. Pride before fall. Thinking to highly of yourself. It is a test of iniquity. A test of knowing who you are rather than who want to become. You can’t change your being; it is all in your head. It is impossible to change your being.

“Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? And the woman said unto the serpent, We may eat of the fruit of the trees of the garden. But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto the woman, Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.”

And what did God do after we took Satan’s advice. He made Satan the lowest thing on earth. Took his legs away, snake in the dust. The lowest of the lowest. So, when man ate from the tree, what did Satan accomplish? He got you to overrule the command of God, to overrule God’s will. To impose your will over God’s will. To take God’s seat of power, his throne, to take the crown, to place yourself above God. To assume control of his creation, his property, to govern yourself. You took autonomy, self mastery.

The Word is superseded. (To take the place or move into the position of) To obliterate the Word of God. Just amazing how much happened in just this one act. The rest of all the scripture is based on this one act. Before this one act there was no death in the world. But man acting in the name of Satan, by his authority, by his words, not the word of God. Satan got man to do his own will. Doing your own will is what Satan wanted. That is will of Satan. This is why he is called a subtil creature. It is a subtle thing. By doing your own will, you are doing the will of Satan. Doing evil, not good.

If you are a member of any system of law that is the will of man, any country on earth, you practice Satanism. You practice evil. You are evil personified. You have used your God given body and life for Satan. You act in his name, according to his will as his representative. In the Confusion programs I said and demonstrated that if you are a member of any country you practice the occult.

The occult is the practice of the supernatural. God is the supernatural. We usurp the throne of God. We become Gods. But we can’t do supernatural things, but we do them in our heads. And I will
be showing you this. The whole world is doing the complete and perfect will of Satan and do not even
know it. I rest my case. That’s it. Follow the property.

“Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the
kingdoms of the world, and the glory of them; And saith unto him, All these things will I give
thee, if thou wilt fall down and worship me. Then saith Jesus unto him, Get thee hence, Satan:
for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.”

Jesus knew he wasn’t the owner, and Satan is not the owner. Jesus knows who his father is. Satan, I
am not your property. You are not my Dad, you can’t tell me what to do. But “the People” believed
Satan.

Now, who owns everything in Canada, or America, or South Africa, or Poland? The people as ONE.
How did you come to own it? Did you fall down and worship Satan, because God never gave it to you
to own. Now let me explain the parable of the man who had two sons.

“But what think ye? A certain man had two sons; and he came to the first, and said, Son, go
work to day in my vineyard. He answered and said, I will not: but afterward he repented, and
went. And he came to the second, and said likewise. And he answered and said, I go, sir: and
went not. Whether of them twain did the will of his father? They say unto him, The first. Jesus
saith unto them, Verily I say unto you, That the publicans and the harlots go into the kingdom
of God before you.”

No man can serve two masters. If you have done this one act, then everything you have ever done in
your life is wrong. I mean everything. A very subtil thing again. When you come to this realization,
then you will find the solution. If not, then stay in the first death, in hell. Better to reign in hell than
serve in heaven, if that is your choice.

Now did man surely die the day they ate from the tree? Yes. They didn’t die later, they died that day.
When you become something, then you no longer are what you were. That which preceded it, its
being comes to an end. To become something is a transformation. The previous being does not exist
anymore. That day, man became as God. What you were before died. Man died. Man is now God.
Not a God but the God. Now there is another thing that is really, really, really important. And that is
Life. What is it? In Scripture we read things like this:

• If you eat from the tree of knowledge of good and evil you will surely die.
• That God is the God of the living, not of the dead.
• That you can be dead in your sins and trespasses.
• You read about a first death and a second death. How do you die two times?
• You can rise from the dead two times.
• It says every man is appointed to die once.

What does this mean? You should know right away that you cannot be thinking about this properly.

What am I missing? We say life is a mystery. That means nobody knows what life is. That may be
ture but we can see living things and we can know some things about it. You can see if something is
living or if it is dead.

But I think we fail to see that a living thing is not life. A thing is not life. In other words, the thing is only
living if it has life. We look at a human who has life. But not every human being has life. In the
morgue there are human beings who have no life. One moment the life was there, and the next it is
gone. We then say, he is dead. We can look at a seed that is dry and hard, and it looks dead. Then it starts to grow. Did it obtain life, or was life in it all the time. Can life be present and yet suspended so that the thing shows no signs of life?

So, life must be a separate thing from the being. And the being either has life or no life. Now a being that has life can reproduce another being with life while it has life. A dead being cannot reproduce itself. It does however seem that the being is necessary to sustain the life, if the being is not in good working order the life will leave. Or you can damage the thing so it cannot sustain life.

But life being a separate thing is not something we can harness or get a hold of. We cannot transfer it to another being or give it to another being. I will die and give you my life. Or I will give you my life and then be dead.

But life is transmitted through beings in good working order, how a living being reproduces. Once dead, a being cannot sustain life again. No way to give it life. So, life is a real mystery, and none of our senses can detect it. You are probably thinking that you can see if something is living and that is right. Because it grows or breathes or moves etc., but the life you cannot see. And when it leaves something, you cannot see it leave. A real mystery this life.

Now if you asked this doctorate in divinity, this PHD in God, he would say, nobody knows what life is. Or what the origin of life is. Well, I don’t like to be a smarty pants, but I know. Because I read the Word of God. God is life. God does not have life, he is life. God is life inherent.

“\textit{For as the Father hath life in himself; so hath he given to the Son to have life in himself.}”

“And the \textit{LORD} God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.”

So a human being or man is formed of the earth. But a man with the breath of life is a living soul. And just so you know, the soul that sins, it \textbf{shall} die. Not maybe die.

“ Yet say ye, \textit{Why? doth not the son bear the iniquity of the father? When the son hath done that which is lawful and right, and hath kept all my statutes, and hath done them, he shall surely live. The soul that sinneth, it shall die. The son shall not bear the iniquity of the father, neither shall the father bear the iniquity of the son: the righteousness of the righteous shall be upon him, and the wickedness of the wicked shall be upon him.”

So, now we know the origin of life. Because God always was and always will be. So life always was and always will be. Life is eternal. But whether you have God’s life or not is important. You see whether it is “matter or life”, everything must have an origin. And since nothing can come from nothing, the thing that always was and will always be is God. This is called eternal life. Because God is eternal. God is life. You better be sure this is the life you are living when you die or you are dead. Finito. Now let us look at the things we say have life.

My father died last year—I wish I could bring him back to life. Like a reconnection after the body lost life. In spring the countryside bursts into life. Where did the life come from? The state of being alive. So life is a state, a status of living or dead. And a being has this state or not this state. A state is something fixed or set; a condition you have.

So, life is the state of a being. Which also happens to be the exact definition of the word, Constitution. So, life is evidenced by vital statistics. So, knowing this, life does not die, only the thing that has life dies. And the thing dies when life leaves. \textbf{So, separation from God who is life results in death.}
So, life can not die. Because it is life. Life would have to change into death to die. Death can replace life. Or death is the absence of life. Is death the absence of God? Now how would this pertain to a false God? Can a false God have life?

“He that findeth his life shall lose it: and he that loseth his life for my sake shall find it.”

Sort of sounds like, You lost what is yours, because you took what is not yours. Another concept of life. Is life a period of time? We would say life is the period between somebody’s birth and their death. No, that is the period that a thing has life. Is life the period of time when something exists alive? Yes.

They could see that the company had a limited life. The International Stock Exchange started life as a London coffee shop. In Italy the average life of a government is eleven months. I enjoy Canadian life, but not before 1867, before Canada was born. Who gave birth to Canada? Who gave it life?

So, are there things that have life but are not living? What is a civil life? He doesn't like to talk about his private life. What about a public life. Can you have two lives? They emigrated to start a new life in Canada. He lives over there, with his life.

When we think of a being, we think of something that is living. Are there beings that we say have a life because they exist but are not a living being? Are there fictional beings or imaginary beings? Are there spirit beings? A fictional or imaginary being is not living; it requires a life to seem real. And a spirit being is life, but has no body. It needs a body to make it appear real?

And are there dead beings? Or when something takes on a life of its own, what does that mean? It means to no longer be controlled by anyone. The idea took on a life of its own. It means no one gave it life. Means it is self-existent. Means it has life inherent.

So, we have: A being that is life, would be life inherent. A being that has life, would be a living thing or being. A being that uses a life, would be a dead thing with another beings life and a being absent life, would be a dead thing or being.

So, now we can see where the confusion is, when you read the scripture. Source of Life is God. We are given life. Then we create a being that has no life. Rather than use our life for God, to do his will, we use our God given life and use it for the created being that has no life.

This is the difference between natural life and artificial life. This is the difference between your God given life and your civil life. You can’t create a being and you can’t give it life, it is all just WITCHCRAFT. So, now back to what God did?

“But your iniquities have separated between you and your God, and your sins have hid his face from you, that he will not hear.”

He kicked you out of the garden. He separated you from him. God is the source of your being. He is the author of your being. Your being came forth by the Word of God. But he is also the source of your life. I said in the Confusion Programs that there are certain words which are very important. I told you to learn them. You do not know what they mean. Oh, you think you know because you are educated, but you need to work on them. How many did it?

Become: Come and be. Come with me and be a God. Who told you to come and be a God? But the sense is, to come to, to arrive, to reach, to fall or pass to. To pass from one state to another; to enter into some state or condition, by a change from one to another state or
condition, or by assuming or receiving new properties or qualities, additional matter, or a new character.

SCRIPT: “The Lord God breathed into his nostrils the breath of life and man became a living soul.”

Breath of life was added and man became a living soul. To become of, usually with what preceding; to be the fate of; to be the end of; to be the final or subsequent condition. In the present tense, it applies to place as well as condition. To become changes your being and your place of being. Your position. What you were, your state of being comes to an end, and it passes away. State of being. Your constitution changed.

Now, you would say that is just an illusion. They did not really die that day. I would say to become anything is an illusion. I would say a change of constitution is impossible. And I would say that you becoming God is just an illusion. In fact, it is a fiction of law. Something that is false but is treated as if it is true. This is how your legal system works.

But law is different than physics or science. That day they died to the constitution. Your constitution is what you are. That day they transgressed the law. They became a new being. The old one died, expired, perished, does not exist. You cannot be two beings.

There is another aspect to this also. Remember, you have a body and a life. You need them both. The life you were given you used for sin. Therefore you are dead to the law. If you use your life for obeying the law, then you are dead to sin.

God is also your source of life. He separated you from life. He killed you, but you were warned. You are dead to the law. “You are no longer subject to the law of God, neither indeed can be.” You are above the law. You killed yourself by your act of free will. THE INITIATIVE OF INQUITY. You changed your identity. You changed your relationship with God.

Everyone knows this statement. “Nobody is above the law.” Really, really, if nobody is above the law, how do laws get made? In your legal system, I would say, everybody is above the law. And everybody is under the law. Your legal system is just self imposed bills, not laws. You are self-governing. But you are not, you are not self governing. It sounds good in theory but does not work in practice. This again is part of the Swindle. You know, it doesn’t matter which way you turn, you cannot beat the will of God.

Some advice on how I seek the truth about anything. When we read things that make no sense, in that day you will surely die. And they do not die. Then we are missing something. Rather than trying to rationalize away what you are missing, keep it in your mind. As you study the word, you will find the answer. You have to know what you are looking for to recognize it when you see it.

If you rationalize or interpret something to your understanding, you will not be looking for it anymore. We are diverted to think about a Book of the law as physics or science. This is why all these creationist scientists with multiple doctorates can’t understand why they get fired from Universities and the courts agree when they want to teach people about the true Creator God. You can’t teach a false God. You can’t be the God of your government, be the sovereign and teach there is another God. Are they nuts?

I think I need to say this also. We are to take literally the meaning of the law. And when we take it literally, we will arrive at the spirit of the law (the power of the law). But when God uses symbols and analogies or metaphors, or parables or other ways to educate you to the real meaning of the law, the
principle, you don’t take a symbol to be literally the thing. Eat from any tree, knowledge of good and evil on a tree like leaves. Do you really eat them?

Husband and wife marry and become one flesh. Really? No…. treated as one in law. Not in physics or science. Like when Jesus said the Father and I are one. Of course they are one. You are the temple of God, the body of God, the ecclesia of God to do his will. The spirit of god instructs you how to act. You act as one in law. You represent God, you are his image, and you act in the place of God. Jesus is not God, he is his right hand man, and acts according to the will of God. And you should too.

And I should say this one misconception is what prevents everyone from finding the solution. Everything I just explained to you is also done in our legal system. It will become clearer as we go on. As we continue, you will see what we do in reality, and you are going to kick yourself. You are going to say, I must have lost my mind. And you will never be the same again.

You see, we cannot separate reality from fantasy or fiction. We think we can, but not really. Just because we have the intellect to imagine a concept, does not make it real. We start with Santa Claus. Reading fairy tales to the kids at bedtime. Watching cartoons for hours on end. Movies of ET or star wars. Zombies, werewolves. Etc. Hollywood acting as fictional made up characters. Halloween, acting in disguise.

Eventually we do not see what is wrong by assuming the role of another character, and bearing the inequality of characters in our society. The illusion is everywhere, because of our manmade constitution; your state of being is a complete and utter illusion.

SEVEN: This program is called, “Out of the Frying Pan, into the Fire”.

Now we are going to get to some specifics in the unraveling. By now, you should realize that the whole world is unknowingly practicing Satanism. If you can’t see it yet, don’t worry, you will before we are done. You may need to fully understand what a country is before you can completely grasp it. And we are getting there.

It is all about the will of God….or the will of the people. I am your God and you will be my people. Or there is no God and we will rule over ourselves. God says the whole world is deceived, he appears to be right. I know that for people who really believe in God, this is a hard thing to accept, and many will try to rationalize it away. But you can’t, if you grasp the principles of law that I have shown you. Follow the property.

No man can serve two masters and that is just a fact; even mans law agrees to this. And will of the people makes the law of God of none effect. You can try to find comfort in your religious leaders, but the fact remains that YOU are the carrier of the light. YOUR legal system decides what is lawful. YOU unwittingly are adhering to Luciferian doctrine.

“And your servant will be your master”. Everything is backwards, and people just stand there dumbfounded. The illusion we live and perceive as real is so normal, that no one can see it. It does not matter how smart or educated you are. It is everywhere; it is complete and has been going on from the beginning of time.

I said in the confusion programs that I must show you both the original, authentic, genuine and real thing and also the counterfeit, forgery, imitation or copy, or what God would call a “likeness of”. A copy. You see, I decided early on that I would study the law regarding my confusion. I am going to learn the principles, not the details. I need to know what I am really doing.
When someone is confused, they are in a state of bewilderment. Unable to think with clarity or understand what is happening. Well, I can state with great certainty that if you are reading this you probably do not know who you are, what you are, where you are or where you came from.

You are told and believe you have free will. Most would say God gave us free will. But if you do not believe there is a God that cannot be true. Even an atheist will say God gave all mankind free will. If you have free will, then you got it from something else.

If you got a book from Bob, but there is no Bob, then you do not have a book. If you believe you got free will from God, then you must believe in God. If God gave you free will, then prove it. If not then your free will came from your own natural authority. I am free to do what I want.

Or, what I really mean is that I have the right to choose, make choices. The word is to adopt; to desire and choose something. I choose and adopt this way of life, to follow this, or take up and practice as my own. There is an option and to opt for is to adopt it. An option is the act of choosing or selecting.

But if you do not know the options how can you make a choice. You cannot choose something you do not even know exists. In other words, if you only know one thing, one way, there is nothing to choose. You just do what everyone else does. There are no options that you know of, no choice, and hence no free will. By keeping the options from your knowledge, your free will has been eliminated.

Then one option is set before you, and you are asked if you desire or choose it. You know of no other way of life, no other option so you can’t choose it, you can only take it. You want to be like all the other boys and girls and be normal. You do not want to be peculiar.

You are told you can get a child tax credit for your child, would you like this option. Well what is the other option? The only option you know is, “take it or leave it.” Do you want your child to go to school, then take it. Do you want to take your newborn baby with you on holidays to the Bahamas? Then you have to get permission from the owner of the baby.

You are never forced to make any choice, or it would not be a choice. You are never forced to take anything. Wow, how does this all work, what a tangled web we weave when first we practice to deceive. We are all so lacking in knowledge, knowledge of options, knowledge of choice.

Then you say why did not anyone ever tell me this, I want disclosure, I never gave informed consent. Well that part is true. I need to ask you, who is suppose to tell you, there is only us people here on earth. I can tell you as a matter of law, the only one you can blame is your father. He has a duty to give you the knowledge, but he cannot give you knowledge he does not know. It is a cycle of oppression.

And the Father of all of mankind gives us this knowledge. See how important it is to control this knowledge. To eliminate your choice and free will. YOU HAVE NO FREE WILL. BECAUSE YOU HAVE NO CHOICE. BECAUSE YOU HAVE NO KNOWLEDGE.

The reason for the massive confusion that people have when they start to look at the legal system that they are involved in, is because it is not reality. Things like fiction of law and appear to be instead of really being. Or trying to understand how a fiction can be a rule of law that states something that is false is treated as if it is true and cannot be disproven. So, anyone with a normal brain looks at this stuff and says this is nuts. Why? Because it IS nuts! But our training and indoctrination is so complete and comprehensive, and it is the only way of life we have ever known. When everyone is doing
something, and you see things differently, you have to question yourself. I said in the Confusion Programs that I kept finding unbelievable things. Who is going to believe this?

And then we try to figure out this stuff and we use what we know or what we learn as we go. **We use the system that is nuts to try to figure out why it is nuts. That won’t work.** Looking up definitions in Black’s law dictionary or Bouvier’s Dictionary, is not going help you. It will only reinforce the nuts stuff. **It is ONLY by the Word of God, the book of the law that you can grasp what is going on. It is only by the Word of God that you will realize you have transgressed the law.**

So, what is the real cause of the confusion? Surely you can see a theme in the confusion programs. confusion of your mind, confusion of your being, your face, your voice, the law, and of God. Without God the world will always be in confusion. Why? Because when there is no God, there is no law, no rules. Just chaos, no order, no peace, no nothing. We are just another animal acting as an animal.

Then in order to have rules and laws we must become all things. The God, the people, the life giver, the lawgiver, everything. **We become God and God’s people, the Master and the Servant, the lawgiver and the law obeyer. The one above the law and the one under the law. The father the son…nuts!**

**So, of course there will be massive confusion because you cannot be two beings. We have lost our grip on reality.** Now, for anyone who thinks that things went wrong when we went off the gold standard, or when we lost our property rights, and are straying from the constitution, you could not be more wrong.

Anyone who thinks corporations are a relatively new thing of the last 150 years, you could not be more wrong. The first attempt to form a corporation was right after the flood. I already provided that for you from Genesis chapter 11. I will show you how this came about historically.

Man has never obeyed God. Then for little bits of time they did. Then they had enough of him. Here are historical things that happened and are continuing today, just in different forms. Whether man believed in God or not, they still didn’t obey him.

Back in the day of Samuel, who was one of God’s judges, everyone believed in God, but would not obey him. Samuel is just before the time of Saul and Solomon. Just in case you think this is all fairy tale stuff, the Queen of Canada was coronated in 1952, just like Solomon was anointed by Zadoc the priest. Here I will provide it to you from her coronation (again). Just in case you think the Scripture has nothing to do with your legal system.

“On the crown of the head, saying, ‘Be thy Head anointed with holy Oil: as kings, priests, and prophets were anointed: And as Solomon was anointed king by Zadok the priest and Nathan the prophet, so be thou anointed, blessed, and consecrated Queen over the Peoples, whom the Lord thy God hath given thee to rule and govern’;…”

The Queen that rules over 17 countries of this world, today, at present (visibly). Now, if you think that what God says will happen and how things will be, will not happen, then you are delusional. Let me show you. Here is the historical account of Samuel, a judge who administered the laws and judgments of God.

“*And it came to pass, when Samuel was old, that he made his sons judges over Israel. Now the name of his firstborn was Joel; and the name of his second, Abiah: they were judges in Beersheba. And his sons walked not in his ways, but turned aside after lucre, and took bribes, and perverted judgment. Then all the elders of Israel gathered themselves together, and came*
to Samuel unto Ramah, And said unto him, Behold, thou art old, and thy sons walk not in thy ways: now make us a king to judge us like all the nations [We always have a reason to break the law]. But the thing displeased Samuel, when they said, Give us a king to judge us. And Samuel prayed unto the LORD. And the LORD said unto Samuel, Hearken unto the voice of the people in all that they say unto thee: for they have not rejected thee, but they have rejected me, that I should not reign over them [Just so you know, most countries of the world have a monarchy, means rejecting God. Not chosen by God or the servant of God, No, flat out rejection of God].

According to all the works which they have done since the day that I brought them up out of Egypt even unto this day, wherewith they have forsaken me, and served other gods, so do they also unto thee. Now therefore hearken unto their voice: howbeit yet protest solemnly unto them, and shew them the manner of the king that shall reign over them. And Samuel told all the words of the LORD unto the people that asked of him a king. And he said, This will be the manner of the king that shall reign over you: He will take your sons, and appoint them for himself, for his chariots, and to be his horsemen; and some shall run before his chariots [This is what will be will be. Que sera sera]. And he will appoint him captains over thousands, and captains over fifties; and will set them to ear his ground, and to reap his harvest, and to make his instruments of war, and instruments of his chariots. And he will take your daughters to be confectionaries, and to be cooks, and to be bakers. And he will take your fields, and your vineyards, and your oliveyards, even the best of them, and give them to his servants. And he will take the tenth of your seed, and of your vineyards, and give to his officers, and to his servants. And he will take your menservants, and your maidservants, and your goodliest young men, and your asses, and put them to his work. He will take the tenth of your sheep: and ye shall be his servants. And ye shall cry out in that day because of your king which ye shall have chosen you; and the LORD will not hear you in that day. Nevertheless the people refused to obey the voice of Samuel; and they said, Nay; but we will have a king over us; That we also may be like all the nations; and that our king may judge us, and go out before us, and fight our battles. And Samuel heard all the words of the people, and he rehearsed them in the ears of the LORD. And the LORD said to Samuel, Hearken unto their voice, and make them a king. And Samuel said unto the men of Israel, Go ye every man unto his city."

Now God told them how it will be. Don’t delude yourself thinking it will not be like this. I will show you, it does come to pass. Now what did God say all the way back in the days of Samuel. You will cry out to me…..But I will not hear you. In fact God calls your prayers to him an abomination. So all you religious countryman, religious pagans just thought you would like to know that.

“He that turneth away his ear from hearing the law, even his prayer shall be abomination.”

Now let us see if this comes to pass? Let us see if this really will be as God determined. What you call America was originally under the British Monarchy. What did they do and why? U.S. declaration of independence from the King they had chosen themselves. Or thought they were born into.

The Declaration of Independence: IN CONGRESS, July 4, 1776. The unanimous Declaration of the thirteen united States of America,

When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.
We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. -- That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. (Rights are secured by fulfilling your duties - you are securing human rights, not God given rights.) -- That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, (GOD) laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to affect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. -- Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

   He has refused his Assent to Laws,
   He has forbidden his Governors to pass Laws
   He has refused to pass other Laws
   He has called together legislative bodies at places unusual,
   He has dissolved Representative Houses repeatedly,
   He has refused for a long time
   He has endeavoured to prevent
   He has obstructed the
   He has made Judges dependent on his Will alone,
   He has erected a multitude of New Offices,
   He has kept among us, in times of peace, Standing Armies
   He has affected to render the Military independent
   He has combined with others to subject us to a jurisdiction foreign to our constitution

He is responsible for:

For Quartering large bodies of armed troops among us:
   For protecting them, by a mock Trial,
   For cutting off our Trade with all parts of the world:
   For imposing Taxes on us without our Consent:
   For depriving us in many cases, of the benefits of Trial by Jury:
   For transporting us beyond Seas to be tried for pretended offences
   For abolishing the free System of English Laws
   For taking away our Charters, abolishing our most valuable Laws,
   For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.
He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

(Wow this is even worse than God said would happen)

And God said, will you return to me now? I guess not.…

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

There are 56 signatures on the Declaration.

Now will you return to me said God. Be reconciled, wash away your false identity, have a true relationship with me? Up your nose with a rubber hose. You gave us dominion over everything you senile old fool. And We the people, will govern ourselves and create a government (a God) of the people, by the people and for the people. You will learn in the next pages that only a God can make a constitution. A state of being.

And God took six days to do it. And at the end of each day, he said, the evening and the morning were the first day, and then the second and so on. And the Americans also have a constitution. And this is how they made it. They said (indeed);

And in our beginning, 1776, (in our constitution, our law, our state of being, in our own existence) man took jurisdiction over a portion of the Kingdom of God, and it was without right or grant. And the idea was upon the minds of all men, and this idea took on a life of its own. And man said, let this land be America, and there was America. And man said, this is good. And the evening and the morning were the first day.

And man claimed this land as his own, with no outside control, (We are Sovereign God) from the sea in the east to the sea in the west. And at the north end he put a border and at the south end he put a border and divided it from other men. And man saw it was to be desired. And the evening and the morning were the second day.
And man said, let us all become as one. Out of many we will be one, and make us a name. And we will be called Americans. And let each party (partaker) to this iniquity be a constituent bearing (not being) the express image of our Oneness, our God. And they will be called the sons of America. And it was so. And the evening and the morning were the third day.

And man said, let us divide our land into 50 parts and they will be called states. And let each state of being govern itself, each after its kind. And it was so. And the evening and the morning were the fourth day.

And man said, let us form and constitute our God to rule over us, bearing all knowledge and wisdom. And let us divide our God into a King and a Judge and a Lawgiver, into the executive and the judiciary and the legislature. And it was so. And the evening and the morning were the fifth day.

And man said let us build three great houses and paint one white, for our King. And another for our judge. And the third will be divided into two. One for upper lawgivers and one for lower lawgivers. And it was done. And man said we the people are Sovereign and own everything from sea to sea and border to border. And we the people will rule over ourselves. And we the people will decide what is right and wrong. And we the people will decide when someone should die. And we the people will decide who gets what and how much. And we the people as one have much greater wisdom and knowledge than some senile old fool. We have the wisdom to know the greater good. And so it was. And the evening and the morning were the sixth day.

And on the seventh day, when man had finished all his work of creating his own God and state of being and through unlawful conversion claimed inherent jurisdiction, he thought he could pursue his happiness. But war and disease and poverty have become the fruits of his labor. And for the wicked there is no rest. And it is so.

And the year is now 2014 in the year of our LORD. And we recall the words of the senile old fool, who said, you will cry out to me in that day; because of the God you have chosen you. But our ears are still waxed gross. Now the days of Samuel were before Christ, and let us see if this is still going on after Christ.

After Christ, there were Absolute Monarchs- God said I can rule over you. Whatever I say, it is the same as God saying it. All become subjects to the King. They have no say. Everyone believed it, because they never got the word of God. Then when man started to learn about the Word of God, largely due to the Protestant Reformation and a change in tactics was needed. Hence a constitutional Monarch is born. Rule over you but with the powers of the constitution. This is still present today. READ The Kings VOWS!

Archbishop: Will you solemnly promise and swear to govern the Peoples of the United Kingdom of Great Britain and Northern Ireland, Canada, Australia, New Zealand, the Union of South Africa, Pakistan and Ceylon, and of your Possessions and other Territories to any of them belonging or pertaining, according to their respective laws and customs?

Will you to the utmost of your power maintain the Laws of God and the true profession of the Gospel?

So, she is a servant of God? Which is not true. She is YOUR servant whom you chose to rule over YOU. You give her your power as God to rule over you as God. (one of the turns of the Swindle.)

And she will maintain the law of God for just herself. Also not true. All the people have superseded the law of God, only she has not so is subject to the law of God. (What a great deception. But God
explains it in the scripture. He says, “He who is chief among you will be your servant.) Meaning, you are the false God. Except for an absolute Monarchy, it is you that have placed yourself above God, she is still a servant king. This is part of the swindle. Getting you to do the stealing. You are the thief, not her. You have clothed her; means vested in her the stolen property. You have to voluntarily do this.

Presented the Bible...........

“Our gracious Queen: to keep your Majesty ever mindful of the law and the Gospel of God as the Rule for the whole life and government of Christian Princes, we present you with this Book, the most valuable thing that this world affords. Here is Wisdom; This is the royal Law; These are the lively Oracles of God.”

Your Monarchy, King or Queen can feign ignorance, plausible deniability. The people have rejected you, and chose me. And today, most people have gone to a Democracy, which clearly exposes who the real false God is. The people. Most common today. But nobody can see it, for the reasons I laid out in the earlier sections and the Confusion sections. Let us look at the history of Hierarchy. Hierarchy means sacred rule.

His is how everything is supposed to be. The Hierarchy. Father and his family. God is Father and people his family. The human race.

Without God there is no hierarchy, no rules, no laws, just chaos.
You have to have rules of law, and the only way to enforce them is you have to make a God. One of you have to be chosen to be King, Head of State, Father of the family. The people who choose, have to subject themselves to the chosen one. The King. Subject means to place beneath for support. To subject your self.

So now you have this. Pic 1. But to reject god you are placing yourself above the power of God by overruling his command. Taking the seat of power, the throne, the Crown. So now you have Pic 2. But you have chosen a people King to rule over you. So, now you have this. Pic 3. So, who is higher, a King or a King maker. A God or a God maker. The people are highest in rank and power. They are God. The supreme being. The will of the Serpent.

Now, the people King you have chosen to rule over you is still in the same position. The King or Queen did not reject God. That is the game. So they are still subject to the will or law of God. And that is why the King or Queen owns all property. Your King or Queen remains in the same position, a Servant King of God.

On the Queens website, and in the theory of divine right to kingship, it says she is subject to no earthly authority, only the will of God. Well, you also should be the same. Own your property, subject to no earthly authority and subject only to the will of God. ......It is just a game being played by those who know the scripture.

And the people King or Queen is the father of the nation or the Father of this newly formed family. King or Queen is the Father and everyone else in the family is the sons. It is a fictional relationship
accomplished through fictional beings with fictional identities. And your membership is obtained by and through the son. The per son.

Who is the false God here. YOU are. The people. All ye Gods. Your King or Queen under a constitutional Monarchy is your servant. They serve you, the Master, by being your Master. To protect your life, liberty and property, which is not yours anymore. Please be my God so that my will, will be done. You are deceiving yourself and voluntarily being Swindled.

God says,

“The chiepest among you will be your servant.”

“The last will be first, and the first will be last.”

“He who exalts himself will be debased, he who humbles himself for my sake will be exalted.”

You cannot overcome the will of God. It is impossible. You will suffer. For every broken law there is a penalty, it is automatic. “It’s the law”. So who are you and what are you? Well that is your constitution. Your state of being and your state of existence. …. What you really is. Next I will begin to unravel specifics.

**EIGHT:** This sections is called, “To be or not to be”.

Which is really a silly thought, because you can never be anything other than what you really are. Probably the most deceptive question you have ever been asked is, “What do you want to be when you grow up” The only logical answer would be, bigger. So, maybe I should call this program:

**To take a part or not to take a part?** That would be a better question. Why? Because you can never be part of anything other than what you are a part of. You can take a part and hold or have a part of something, but not be part of it. All this has to do with one word, Constitution. What is your Constitution?

I said in the Confusion of Mind and the Confusion of Voice or Words program is more important than the specifics of the swindle. Because they are the means used to achieve the Swindle. Now, being aware of this tool of deception, I will use the same tool to unravel your confusion. Rather than use different words to confuse and deceive you into seeing the wrong thing, I will be using one set of words so that you will see the right thing. Here is an example. If I say God, Master, King. You will see three different things. God, you will see God. The man with the white hair and beard in the sky. If I say Master, you will see a guy who is boss over someone else. If I say King, you see a guy wearing a Crown who is a Monarch of a country. But if I say, we will only use the word Father, you will think of the head of a family. And if I say only Family instead of country, nation, society, corporation, you will see a group of people all related as a family. So, we will be using these words. Or at least relate everything to these words. Family, Father, Son, Property, Identity.

I said I would begin the unraveling with the word “THE”. The most important word in the law to unravel until we come to the solution. I figured out things through words. I actually discovered things through words. And of course the words of God are the most important, without them there is nothing to discover. There would be nothing. Everything was created by the Word of God. And the written word revealed to us is a means to communicate to us.
Noah Webster’s 1st dictionary was the first attempt to define all English words. What did he use? The Scripture. Because all words are of God. At least their true meaning not their dark meaning. He says no man can claim to be educated without knowing the scripture.

My discoveries came from looking at the words of God and the words of man. I looked at how both systems work. The law and our legal system. I looked at both the good and the evil. What is right and what is wrong. One day I see this word.

**THE’ARCHY, noun** [Greek, God, and, rule.] Government by God; more commonly called theocracy. Probably the most used word there is. It may be the most overlooked word also. The – definite article. The, in greek is Θεός, which is theos which is God. So, THE is God.

The rules of English grammar require that in most cases a noun, or more generally a noun phrase, must be "completed" with a determiner to clarify what the referent of the noun phrase is. The most common determiners are the articles the and a(n), which specify the presence or absence of definiteness of the noun. Other possible determiners include words like this, my, each and many.

The articles in English are the definite article the; and the indefinite articles a and an (and sometimes some). Use of the definite article implies that the speaker assumes the listener knows the identity of the noun's referent (because it is obvious, because it is common knowledge, or because it was mentioned in the same sentence or an earlier sentence). Use of an indefinite article implies that the speaker assumes the listener does not have to know the identity of the referent.

So, if God is THE, the definite noun, then a or an are all from THE. Here is a sheep, one of THE sheep. So, I thought about this. Without THE, there is nothing. THE makes it definite. **If nothing existed, there would be no “THE” anything.** Everything comes from something. Everything has a cause. So, THE is definite. All of the creation is the presence of “THE”. And THE is the cause of all the other The’s or a’s. Things that exist. So, the apple, the land, the man. Is really God’s apple, God’s land, God’s man.

Use of the definite article implies that the speaker assumes the listener knows the identity of the noun’s referent (because it is obvious, because it is common knowledge, or because it was mentioned in the same sentence or an earlier sentence). An earlier sentence would be, In the beginning God created the (God’s) heaven and the (God’s) earth. After that statement, everything is just THE whatever there is. God simply says, the land will enjoy her Sabbaths. Not this, my, each or many land. Just the Land. THE is the determiner of how everything will be.

**Determine:** To end and fix; to settle ultimately. To fix on; to settle or establish. To end; to limit; to bound; to confine. Fix conclusively or authoritatively.

You see, before the beginning God had no identity. An identity is sameness of being. God is God and there is no other. He says I am God alone. We will learn in the next program that Identity, “is the relation that a thing bears just to it’self”. Hence, I am that I am. No identity. I have no sameness. Well not before creation.

There is only THE, the definite. So, God made his identity “his relation” known through his works and his words. And his identity is revealed to us through his works and his words. They represent God. **They represent the definiteness of God.** This word THE is pretty important, without this definiteness, THE anything would be nothing.

**THE-OL’OGY, noun**, Greek; God, and, discourse.
Divinity; the science of God and divine things; or the science which teaches the existence, character and attributes of God, his laws and government, the doctrines we are to believe, and the duties we are to practice. Theology consists of two branches, natural and revealed. Natural theology is the knowledge we have of God from his works, by the light of nature and reason. Revealed theology is that which is to be learned only from revelation. The written Word of God.

THE-ISM, noun [from Greek, God.] The belief or acknowledgment of the existence of God, as opposed to atheism. Theism differs from deism, for although deism implies a belief in the existence of a God, yet it signifies in modern usage a denial of revelation, which theism does not. (In other words, the Word of God is not the word of God)

THE-IST, noun; One who believes in the existence of God.

THE-OCRACY, noun; Greek, God, and; power; to hold. Government of a state by the immediate direction of God; (same as Canada or the USA) or the state thus governed. Of this species the Israelites furnish an illustrious example. The theocracy lasted till the time of Saul.

THE-OCRATIC, or THE-OCRATICAL, adjective Pertaining to a theocracy; administered by the immediate direction of God; as the theocratical state of the Israelites. The government of the Israelites was theocratic.

Democratic: Pertaining to a democracy; administered by the immediate direction of the people. (As ONE, the ONE being Sovereign God) which makes it a Theocracy. The public is a Theocracy.

The Common Good is a Theocracy. “I will be your God and you will be my people.” No we will be our own God as ONE. THE ONE. Theocracy. So, we are back to either the Will of God or the Will of the People. See how simple life is? When you stop to look at it. So, all things are THE whatever it may be. Or things can be “AS” THE. You can be as Gods. “Be as” is an oxymoron. You cannot be and also be “as”. “AS” Means: like; similar. "Ye shall be as Gods, knowing good and evil."

As is or like that? The second commandment of God forbids, “like that”. Anything like that is unconstitutional. Let us see if we can get a feel for these words, Constitution, Law. Being, Exist. If you can grasp the essence of what these words are, you will be able to see things more clearly.

Constitution: The state of being; that form of being or peculiar structure and connection of parts which makes or characterizes a system or body. The state of being; that form of being. Like the constitution of water. H2O. The constituents of the constitution. (Do we have the ability to determine our state of being?)

Script: “Does the clay say to the potter why hast thou made me this way?”

Or we say he is healthy with a good constitution.

Constitute: To set; to fix; to establish. To form or compose; to give formal existence to; to make a thing or being what it is. (Do we have this ability, to make a thing what it is?) So, hey what it is. We look at its constitution. What is its being or state of being? It's make up. Essentially what it is.

LAW: That which is laid down, or established. A law is that which is laid, set or fixed, like statute, constitution.

I heard a scientist say; every time we test this we get the same result, approaching a law. So, by testing or experiment you can discover a law. Repeatedly getting the same results makes it a law. Just the way it is. Can't change a law. Real law can never change. Like a real constitution.
State: State is fixedness or standing. Condition; the circumstances of a being or thing at any given time.

So a state can change. A form can also change. A “will” can also change. But any changes would be unconstitutional and transgress the law. If there is a constitution and law. Anytime the state, form or will changes there is a transgression of the law. Because the law cannot change. It is set, fixed, established. All these changes would require a change in constitution, a change of the law, and a change of being, a change of what exists.

Being: Existing in a certain state. A particular state or condition. If the state changes, so does the being.

Exist: means to be out of. Everything that exists comes out of something. Something that comes out of nothing is nothing.

The primary sense is to set, fix or be fixed, whence the sense of permanence, continuance.

To be; to have an essence or real being; applicable to matter or body, and to spiritual substances. Meaning life.

Webster says, A supreme being and first cause of all other beings must have existed from eternity, for no being can have created himself. (pure logic and reason)

You need to keep working these concepts over and over in your mind until you can grasp them. See them and feel them. When you do, you will start to see things that exist, and you will no longer see things that do not exist. Right now you will argue till your blue in your face that something exists that does not exist. Because you can only see it in your mind.

Here now is a very misunderstood word. Author: What does the word author mean?

Author: The primary sense is one who brings or causes to come forth.

One who produces, creates, or brings into being; as, God is the author of the Universe. God is the author of our being. The beginner, former, or first mover of anything; hence, the efficient cause of a thing. We never think of words or an author creating something. They are just words. But words can create promises. “I will be your God and you will be my people”. The God and The people. Now I will take you through THE real constitution and what a counterfeit constitution is. Some counterfeit beings who all have the likeness of the real constitution. Being that do not exist. And see if we can figure out our” State of Being” our “State of Existence”.

We will start at the beginning. Before the beginning there was a being. A being who has no beginning and who has no end. Eternal being. THE supreme being. THE. That was before the beginning. And we call that being God.

In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day. And God said, Let there be a firmament in the midst of the waters, and let it divide the waters from the waters. [Firmament: An expanse a region - See God is constituting right now, forming things.]
And God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. And God called the firmament Heaven. And the evening and the morning were the second day. And God said, Let the waters under the heaven be gathered together unto one place, and let the dry land appear: and it was so. And God called the dry land Earth; and the gathering together of the waters called he Seas: and God saw that it was good. And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth: and it was so. And the earth brought forth grass, and herb yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind: and God saw that it was good. And the evening and the morning were the third day. And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: [he is setting up the calendar]

And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. And God set them in the firmament of the heaven to give light upon the earth, And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good. And the evening and the morning were the fourth day. And God said, Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven. [so where do you think the first heaven is, birds fly in it.]

And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that it was good. And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply in the earth. And the evening and the morning were the fifth day. And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so. And God made the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him; male and female created he them. And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth. And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat. And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so. And God saw every thing that he had made, and, behold, it was very good. And the evening and the morning were the sixth day. Thus the heavens and the earth were finished, and all the host of them. And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made. And God blessed the seventh day, and sanctified it: because that in it he had rested from all his work which God created and made.

And this is the creation and constitution, the true state of being of the heavens and of the earth when they were created, in the day that the LORD God made the earth and the heavens. Now go outside and have a look. Is this constitution real? Is this your state of being? Don’t worry if you believe in the God part. **We are only looking at the facts, evidence and proof.**
Now pinch yourself and see if you are a constituent of this constitution. Are you a man or woman? A human, a living human? Are you part of this constitution, a part of it? Now you are not a party to making of this constitution, just a part of it. You are not the creator, the constitutor, the former or the author. **You are just part of the creation**, the constitution, and formed by the Word of God.

Can you be a partaker of this constitution? A partaker is one who takes a part, he is not the part. He holds or bears a part. No. Impossible. So, you are not a partaker of the real constitution, you are a part of it, you have no choice. You can’t choose to be who or what you are. That would be a delusional thought.

Now remember you can get rid of God if you want. Not a problem. He is only the cause. We are looking at the effects. We want and need the facts, evidence and proof. When you see the part you are holding and bear from the constitution you made you will have to laugh. It is really funny. You will see some of it later.

Now, if you are real, and were created as the image of God, just an image, can you imagine how real God is? An image represents a thing. If you are here, God must be here, he must exist. You represent God, but only as his image. So that is how things ought to be in order to be constitutionally lawful. As set, fixed and established. **The constitution, the law, your state of being.**

Now, everything is programmed in His constitution except for man. The earth revolves, gravity keeps things from flying off into space, Swallows will build their mud nests, the water tides will rise and fall, all beyond our control.

But we are different. We are special, only we have the likeness of God. I am sure you can see the resemblance. So, what are we going to do as part of this constitution?

```
Constitution
One Family
One Father
Sons
Children of the Father
All born of God
All in his Likeness
King, Judge, Lawgiver
A government
One World Order

This is reality, natural and true.
```

This is what man looks like in the real constitution. Now we are going to use the word Family instead of constitution. Why? Because we are a constituent, a part of God’s family. A member of his family. We are all children of God. His constitution.

We have God, Heaven and earth, his Kingdom. We have man, they multiply and fill the earth. So out of One we now have many. We have grandparents and great grandparents, and children and grandchildren. Just look at your family reunions. Everyone is related to God. One big family. The family of God. Now, God is the King our Father, so we are all of royal descent.
We are all of one blood line, we are all related to God. As new members come into being, the old ones at the top return to God. Like a pyramid scheme. God runs a pyramid scheme. I thought that was illegal.

Now, have a good look at this. Is this reality or not. Yes. Fact, evidence and proof. Again if you want to get rid of God, okay, but this part, the effect we live and are is reality. It is true, natural and real. And if there is a God creator, we have a one world order under God.

On the left we have reality. Now if there is no creator God, what do we have. Well we still have the facts, evidence and proof. The effect. We just get rid of or cannot accept the cause. Which is God. So, now we have a problem. What do we do? Don’t know what is right or wrong. No law, no rules, just chaos. So, what does the absence of God create? Just chaos. Anything can and will happen now.

“There but for the grace of God go we.” This is the tactic being used for today’s world view (our existence) which is evolution. Different tactics, same results. Same result as the inquisition or the crusades. Same result as keeping the Word of God from man.

Before the beginning there was no supreme being. No God. There was nothing. Then at the beginning there was something, THE something…..but source and cause unknown. Something just appeared and it evolved and we just happened to be. At some point our mind evolved where we said, hey, let us become civilized.

This is racketeering. Creating the problem and providing solution. But there was no problem before you rejected God. (we had laws and a world order, all the pain and suffering in the world is created by rejecting God) By rejecting God everyone is a law unto themselves, only the biggest and strongest will survive. We are all equal. So, we have to make some kind of deal amongst ourselves. What did man come up with? We need protection from each other. We need rules.
On the left we have law and order. Out of One we are many. Man decided they need a God. Instead of out of one we are many. We will out of many be one. So, here is what the world looks like today. Instead of one billion families, nations, houses of God. We have 192 families. 192 families, nations, sovereigns, fathers etc.

“And they said one to another, Go to, let us make brick, and burn them thoroughly. And they had brick for stone, and slime had they for morter. And they said, Go to, let us build us a city and a tower, whose top may reach unto heaven; and let us make us a name, [A nation a country, a family name] lest we be scattered abroad upon the face of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.”

“For the LORD is our judge, the LORD is our lawgiver, the LORD is our king. God is our Government.” King, judge and lawgiver. The executive branch, judicial branch, and legislative branch. The God of your country is your country, the people as ONE.

You do not obey God’s law; you obey American law, Canadian law, Egyptian law, German law. Each of 192 is a Family and is Sovereign. A God.
So, in real life we have God making us. Out of one we are many. We can see that plainly. And this is reality. If we have no lawgiver, no God, we have to make a God, a lawgiver, we have to make a God, an owner. So, out of many we are one. In other words we give birth to it. We make a God to rule over us. Instead of us being made in the likeness of God. We have God being made in our likeness.

Now, who is higher, a God or a God maker? We create the constitution, therefore we are God. Next problem. We are higher than God. No problem, we agree to give to God everything. Our life, our property, our fortunes, our honour etc. All power given to the God we make. And I mean all power.

So, we do an invert. The God we make is above us now and we are its subjects. Our made up God is our Father and we are the sons. Ever heard of someone making their own Father? This is nuts. And where does the power come from. The grass roots. The people. The power is handed up instead of coming down. Just upside down. Everything is just backwards.

Let’s have a closer look at the two Constitutions, your State of being. First one is God’s Constitution or God’s Family here, God is the author. He creates his constitution. The Word of God. He owns his creation. He is King, Judge and lawgiver. You have heaven and earth. Birds and bees the flowers and the trees. Sun, moon, stars. You have mankind. Everything there is. This is all reality and is natural and true. You are part of this family. You are living and you are real.
Here is a man made constitution. A NEW FAMILY here, Man is the author. Man creates his own constitution. Now how stupid is that? The Word of Man. Man owns his creation. Man is King, Judge and lawgiver. What is missing? A God. So, Out of many we are ONE. And that ONE will be our God. E pluribus unum. On all American money.

How are we going to become one? I mean it is not possible. Maybe we can all hold hands and be joined as one. Yeah, but if we let go, we are no more one. Okay, let’s pile on top of each other in one pile as one. No, that would squish the bottom ones to death. Oh, I know, let us all have the same name; we can all be as one in name. Good idea. Like a club. Yeah, it will be a country club. Like a family with the same last name.

We will be Canadians or Americans, in name. But we are members in name only, not in fact. Let me repeat that. We are members of the same family in name only, not in fact. We will author, bring into being, by the word of man and create a constitution. Except our words do not really constitute anything. Nothing comes into being by our words. In fact, your new state of being comes from something you just made. How can I be made from something I just made? See how insane this that.

Now think about this. Look at reality first so we do not lose our grip on reality. Now look at “Out of many we are one”. Then your new state of being is one of the many out of the one that was made by the many. Are we insane? You are descended from something you made. Have you completely lost your grip on all reality? You cannot make your maker.

You can’t make your own father. You see, everything is backwards, upside down, goes back in time to create what you came from. You see, we refuse to believe that God made us, but we have the ability to make God. We are higher and more powerful than even God. We do what God cannot even do! It is all just an illusion. It is more than a miracle, it is magic. The black arts. It is done with images. And we will learn exactly how this is done. We have the ability to write a constitution, not make a constitution. The US Supreme Court calls it a living document. Yeah, a living graven image. No, we give it life, it is not living. Our constitution is just a plan on paper an idea. And the beings of this constitution are just fictional beings. They do not exist. They only exist on paper, documents and forms all completed by you to give you formal existence. In form, not in substance. We act as the constituents of this constitution, which is nothing.

Now, mans constitution didn’t create any land, or water, or birds or bees or even man. No problem, we just claim God’s Constitution. Claim a territory and defend it like an animal. So, what did we create that we can rule over and govern. Nothing. We rule over nothing. It is all just in your imagination, your head. You can only lawfully rule over what you made. So, we rule over our fictional characters by assuming their identity. We personify it. We give our body and life to it and appear as it.

So what is in a man-made constitution…….Nothing. Nobody (no body) and nothing (no thing). Everything (every thing) there is, is in God’s constitution. Everything!

SCRIPT: “In the beginning was the word and the word was with God and the word was God. And without the word, nothing is made that is made.”

A man made constitution is just a paper God. A paper fiction. The only evidence of the constitution you have been living is on paper. Your imagination is not evidence. Mans constitution is just a plan on paper, a scheme to seize God’s constitution and make it their own.
There is not even a man in this one. It is all fiction; we have to assume the role of each fictional character in our man made constitution. Assume the office of the president, assume the role of judge. We have to take a part, a role, a character and play the part. Think for it, speak for it, act for it, and appear as it. Nothing is ever what it appears to be. “Thou are not what thou seemst.”

Then people would say, God is just imaginary, has no state of being. Go outside and have a good look at what represents God. Then have a look in the mirror at what represents you. Just an image. And that’s why I said in the Confusion of Words or Voice program, that there are laws that govern images that you are not aware of.

Law: that which is laid down, set, established, who constituted the Law? God did. The Constitution. And this is what it is. We and everything there is, is present because of God’s will. We are part of the Law. Part of the constitution. We are part of God’s works. Part of the creation. Part of the land, and part of the Word of God, because all things were made by the Word of God.

The real constitution is the essence of our being. And when we were formed of the dust of the earth, the Word of God was made flesh, and God breathed life into it and made it the Living Word of God. A soul. What do we do? We re-constitute the law, the land, the constitution with a new form on paper. A new state of being. A new existence in our likeness. But it is just an image. Just a likeness of. We have to live it, give life and body to it. We personify it. You have to choose to be it. You have to say I am American. An identity, a relationship. You must give it life.

“And he [the beast (the natural man) the god of this new constitution (democracy)] had power to give life unto the image of the beast [the re-constituted man (legal fiction-the person)], that the image of the beast should both speak [the natural man represents the fictional man in all his ways], and cause that as many as would not worship the image of the beast [the paper beast – democracy being spread throughout the planet] should be killed [by assassination or war].”

You are part of this constitution in name only, not in fact. You do not own America or Canada, Canada owns you, but in name only, not in fact. We create a constitution in our images, but our images are just images. Canada was given birth by the people as one. Canada is the image of the people (people without God are beasts).

The illusion we live and are a party to, is so normal we cannot see it. It has been going on from the beginning. But we are not part of it, only a part taker of it. We have to take a part of it (a part in it – like an actor). And you can’t fully see this unless you know the real law, real constitution and your real being. And only by learning the scripture, can you see that it all transgresses the law, that which was laid down and established during the real creation.

SCRIPT: God says, “I change not. I am the same yesterday, today and tomorrow”. God has the same state of being. (And so do you, it is just in your imagination) That is why all these things are fictions of law, fictions of the real constitution. The law, the constitution, your state of being cannot change either. It remains the same, immutable.

We too have the same state of being, same law, and constitution. Re-constituting everything with a new identity is just in your head and is stealing (spiritual thievery). It has to do with the word relations. And we will learn how we do that shortly. Now,

You can tear up your constitution tomorrow and nothing vanishes except what is in your head. Your “evil imagination”. Everything is still here. Get rid of everything you think is American or Canadian and tomorrow all those things are still here. Get rid of your person, your national identity and you are
still here. Your whole man made constitution is all just an illusion. However if you get rid of the real constitution and there is nothing.

The Canadian constitution came into being in your head through a conspiracy as ONE in 1867. The American constitution in 1776. Before that there were no Canadian trees, they are God’s trees. No Canadian man, just God’s man. No American man, just God’s man. Created in his likeness. His image. The first time man used their evil imaginations, God destroyed all life from the earth except for those that found favor with God. Those who were JUST. Noah was a just man in his generations.

Right after the flood man started doing it again.

SCRIPT: “And the LORD came down to see the city and the tower, which the children of men builded. [they are making their own constitution] And the LORD said, Behold, the people is one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do.” [God knows you cannot change your state of being]

Does all this sound familiar with what we do? Your written constitution is not a living constitution. We have to live this constitution to give it life. We have to assume, take the place of, represent it. We have to personify it. This is all Witchcraft and necromancy. Giving life to the dead!

A man written constitution is nothing. Just magic words and people “act” on it. Think for it, speak for it and act for it. And of course appear as or for it. They personify it. Give body to it. We are to use our body and our life to do the will of God. We are to personify God. Be Godlike. We are all God like by default, unless we do not keep His commandments.

Instead we use our body and our life to do our own will through a state of being that is dead. A fictional entity. We as Gods, as lawgivers is a fiction of law. We are just a man. Remember, fictions were invented so we do not have to pretend, but command. We appear as Canadians, appear in person. It is not your identity, it is an identity we carry with us, carry on us. We bear it. We appear as it. Everything is a mockery and imitation of God and his constitution. We steal everything, and through unlawful conversion, we take jurisdiction over his constitution.

SCRIPT: “Will a man rob God?......even your whole nation.

We re-constitute it, everything is re-presented as ours. We form anew. We re-make everything in our likeness. A new identity. We are no longer, God’s Man. We are Canada’s man. Canada becomes our maker, but only by the form, which we will learn is a graven image. We belong to Canada or the USA. But only because of a change in relationship we bear unto our self, which changes your identity. Your family name.

“God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands; Neither is worshipped with men’s hands, as though he needed any thing, seeing he giveth to all life, and breath, and all things; And hath made of one blood all nations of men for to dwell on all the face of the earth, and hath determined the times before appointed, and the bounds of their habitation; That they should seek the Lord, if haply they might feel after him, and find him, though he be not far from every one of us: For in him we live, and move, and have our being;”

Instead:

For In Canada we live and move and have our being. A lie, a complete counterfeit of reality.
God gave you one face, and you make yourself another!

New constitution - New world. Let me give you a different visualization on this. One you can probably relate to. Your new state of being, your constitution. We create a stage. Shakespeare said, “To this great stage of fools.” It is amazing how Shakespeare keeps coming up in my study of the word of God. Shakespeare understood the illusion we live. He was somehow involved in the translation of scripture. He paraphrases the principles of the Word of God throughout his plays.

Stage: Place of action or performance. Look at the statutes of your legislation, all based on “Acts” and duties to “perform”.

STA’GE-PLAYER, noun; An actor on the stage; one whose occupation is to represent characters on the stage. (Important note here. The character cannot represent you. Your Birth Certificate cannot represent you, it is just a piece of paper) Remember Webster says, a person is primarily a Mask used by an actor on stage.

We have the stage, the place where you perform. Canada, America, Germany, Spain etc. The actors; that would be you. We need a “Script”. Or Scripture. The scripture is divided into Acts. And we perform by and through the form of the character, as men but appear in “person”. (Your national identity)

In other words, we appear as the character. An American son. We want to be part of this, so we become a partaker. We take a part. We assume its place, its being, pretend we are it, give it life, voice, act for it, think for it, and sing for it when we sing the anthem. A hymn to your god, your country. How we act has already been determined by the god of how and what to perform. Called Canadian/American Law. The will of the people. Our man made written script. We play a role. It is the role that has rights and duties.

Remember a man can have more than one role, more than one person in law. Now the word of man is made flesh. The script, the characters are made flesh. We personify the character, the son of Canada, or the son of America. Means give body to it. Now everyone thinks it is real. Each actor has a different role to play, depending on their character.

Would you like or desire to be part of this. To take a part. To be a partaker? You have to request it to be part of it. You perform, you get credit. Perform wrong, you lose credit. Who created all this? Who wrote the Script? Who authored this? Who owns all this? Who’s imagination is this? Whose words created all this? Who is “billed” to perform for the various Acts? Called a Billing to Appear.
And who assumed the roles of the characters of the Word of Man so that the Word was made flesh and given life? We are living the life of a dead being. Our real identity is who you are, and your man-made artificial identity is carried in your pocket.

All these things that we think are so real are just fictions of law. Look at the real constitution again, anything that transgresses it, or goes beyond the boundaries and limits of how it has been constituted is unconstitutional, unlawful, and sin.

It is all just Witchcraft. It is backwards, upside down, not real, not natural and not true. It should be clear by now that the only false god there can be is you. There is only us people here. Not only do we become god, we also of necessity have to make a god. We have to make our Maker, or there will be chaos. It is the making of a god that is the idolatry part. In fact, idolatry is the second turn of 3 turns in the swindle.

Next we look at the second commandment of God. It is the key to the worldwide deception that has eluded even the most ardent students of scripture. It is key to understanding how you break the law and also to finding the solution.

**NINE:** This section is called “The Serpent Move”

In the last section we learned what a constitution is. How things were made and formed and put together. In other words, what it is. And we looked at how man by human hands and skill re-constitutes and forms and puts together, what it shall be like. Like, being the key word here.

> “And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.”

**Conform:** Made to resemble; assuming the same form; like; resembling.

**Transform:** To change the form of; to change the shape or appearance.

In theology, to change the natural disposition and temper of man from a state of enmity to God and his law, into the image of God, or into a disposition and temper conformed to the will of God. Means to take on his appearance, and his character.

Now, you know your being cannot change. Let’s get real here. Your constitution cannot change. Deception cannot be done physically. It is done through the mind. It is the second commandment of God that shows how it is done. The second commandment of God explains how to be or not to be of God. Depending on whether you obey the commandments or not.

> “I will be your God and you will be my people.”

Being raised Catholic, I had never heard of this commandment. In fact, I don’t think I ever heard of this thing called idolatry. I don’t know of any religions that give sermons on this, other than to say idolatry is wrong and it is the worship of false Gods. And only some other religion practices idolatry, never your religion. Every religion has the exact right and true God.

I also notice in the catechism, the teachings of the Catholic Church, it’s not there. There are 10 commandments but the second one is not there. It is in the Catholic version of the Bible. When I compared the catechism with the bible, I see that the 10th commandment is divided into two. Take out the second and divide the 10th into 9 and 10 to make an even 10. So, not there, either because it’s not important, or it’s really important? Why hide it?
But second on God's list. Must be 2nd in importance. First time I read it, it sounded stupid. Do not make a carved image and do not make a likeness of anything. That's basically what it prohibits. Really, Really God

That is the second most important thing God could come up with? So, no wood sculpture or ice sculptures or statues or paintings or drawings, or maybe photographs. I had read in the newspaper, that Hutterites in Alberta didn't want their photograph on their driver's license, because of this commandment. Of course the Supreme Court of Alberta ruled on this, not God.

Can't carve Bobby loves Susie on a tree. Maybe the command means no graffiti. I can understand no killing and stealing or rape or kidnapping. No it seems doing some art is more important to God. Don't be an artist.

An artist is one who makes art. **And art is anything done by human hands and skill. It is artificial as opposed to natural. Anything done by God's hand is natural.** Then it says, do not bow down to or serve them. How do you serve some art? But this is where we hear bow and serve so we think this must be God.

So, everything I have read seems to agree that you do not make images or statues of God or anything to help you in worshipping God. Really, Really again. Do you really think God means that?

2nd Command:

KJV: **"Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth. Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; And shewing mercy unto thousands of them that love me, and keep my commandments."**

Tyndale: **"Thou shalt make thee no graven image, neither any similitude of things that are in heaven above, neither that are in the earth beneath, nor that are in the waters under the earth. Thou shalt not bow down to them, neither serve them; for I am the LORD thy God, a jealous God, visiting the iniquity of the fathers upon the children, upon the third generation and upon the fourth of them that hate me; And shewing mercy unto thousands to them that love me, and keep my commandments."**

It took me a long time to understand this commandment. You are going to have to think. Some concepts are hard to grasp. Subtle.

**Subtle**: Difficult to detect or grasp by the mind. A subtle mind: Able to make fine distinctions

When something is confusing, something is missing. Rather than figure out what it means by what it says, we tend to rationalize or interpret by adding things to make it make sense. The word "Idol" is not in it. If I look at this commandment without looking at what it prohibits, and only what it applies to I see something different.

Remember, we are following the **property**. It applies to you and everything else there is. It is comprehensive. Even applies to God, something you can't do to God. What ever he is commanding us to not do, you cannot do to you or anything else there is anywhere in the universe including God.

This is what the first two commandments mean. **SCRIPT**: "I am your God .......... and you are my people."
The first part of this statement is covered by the first commandment. And the second part by the second commandment, so make you no graven image and make no likeness of anything. This sounds like a copyright law. What is a copyright? Well, a copyright is the right one has to his creation. It gives you a monopoly to use your creation. In other words, to own it. Exclusive right to possess, use, mange, control and dispose of the thing.

And it is also like a patent. But a copyright gives the author the original right to his work. Now this is making sense. God is the author of the universe and the author of our being. And without the word of God, nothing is made that is made. So, God has placed a copyright on his creation. An original work. So, when we make a copy of anything, we are making a likeness of the original. And of course, a copy or likeness is what we call art, made by human hands and skill. Not natural, which is the art or skill of God.

So, the second commandment is all about identity. It is about your identity in relation to God. Like a Father and Son, or a Father and his children. It has to do with who you are. We already figured out that we cannot change our being, except in our imagination. But a change of identity changes ownership of property. Everything already has an identity. It prohibits making an identity. Identity theft of God, of you, and all that there is. We usurp the throne of God and assume his identity. We already are the identity of God. And we take his creation and give it our identity, in our likeness. Why? Because we cannot create anything. We are not the creator. God knows that, so he prohibits the only thing you can do. Your imagination.

**Imagination:** The formation of a mental image of something that is not perceived as real and is not present to the senses.

The law of God is perfect, no loop holes. No way around it either. You have to break it. That is why we only re-constitute, making a resemblance in form, a similitude of substance, a likeness of, so that everything appears to be. But not really. We cannot really change our being, our existence, our constitution, or our state of being. Only our identity. And even that is based on belief.

**Changing your identity is an associative identity disorder.** To practice iniquity and separate ourselves from God is an associative identity disorder. A mental illness. And our state of being can change, if our relation to God changes, and in turn our identity. But when we look at a man of God, it looks just like a man of Canada. And a Canadian tree looks just like God’s tree. It certainly has its likeness. Just like is another oxymoron. Is it just that, or like that. No it is just like.

And God’s law that says, “**Thou shall not steal**, is just like Canada’s law, “**Thou shall not steal**”. Oh it is like it, but it is not it. **Different owner of property. Different constitution, different law and different will. The man and the tree have a different identity.**

Now that we know what the prohibition applies to, let us look at what is prohibited exactly. What is a graven image? And a graven image of what? Make no likeness or similitude of anything. Wow! That is everything. Do not bow down to them or serve them.

“**Confounded be all they that serve graven images, that boast themselves of idols: worship him, all ye gods.**”

Confounded is confused. We are confused if we serve graven images, boast and claim to be of an idol, and be a false god

**Image:** a likeness of anything. The image represents the thing. Physical

Whose is this image and superscription?
Image: To imagine: conceive of; see in one’s mind. Mental

One is physical and one is mental. So, an image can be of two kinds. One you can see with your eyes, your senses, the other you can see in your mind. Visible to the eyes or visible to the mind. God has no problem with physical or mental images. The prohibition is making a mental image physical. The command is “do not make”. So we know a graven image is something you have to make. It is an image made by human hands and skill. You see, a real image is not made by man. It reflects the natural.

Graven: etched, inscribed, sculpted on a surface. Drawing or writing on a piece of paper.

Graven: Impress deeply on the mind. Serious, solemn, sober. This is a grave situation, a graven matter. Deadly serious.

So, again. Graven, that which is seen with the eyes or seen with the mind. Now you put the two together and you have a graven image. This God does forbid. “You shall make thee no graven image”. So, graven can be done with the hands or with the mind. What you do and what you think.

Sounds like a crime. The actus rea and the mens rea. The act and the intent. So, again, do not make your imagination real. Do not make a graven image of it; do not make the evidence of it (are not our imaginations vain?).

LIKENESS: Resemblance.

Similitude: Likeness; resemblance; likeness in nature, qualities or appearance; as similitude of substance.

Let us make man in our similitude. Our likeness.

SEM’BLE: to represent or to make similar.

Semblance: Likeness; actual similitude.

Resemble: To have the likeness of; to bear the similitude of something, either in form, figure or qualities. Each one resembled the children of a king. To liken; to compare; to represent as like something else.

Dissemble: To hide under a false appearance; to conceal; to disguise; to pretend that not to be which really is; as, I will not dissemble the truth; I cannot dissemble my real sentiments. [This is the proper sense of this word.] To pretend that to be which is not; to make a false appearance of. This is the sense of simulate.

Dissemble DISSEM’BLE, verb intransitive to be hypocritical; to assume a false appearance; to conceal the real fact, motives, intention or sentiments under some pretense.

DISSEM’bled: Concealed under a false appearance; disguised. To not have the likeness of.

So, dissemble is to take away a likeness or an image. Or conceal it.

“Israel hath sinned, and they have also transgressed my covenant which I commanded them: for they have even taken of the accursed thing, and have also stolen, and dissembled also, and they have put it even among their own stuff.”
"I have not sat with vain persons, neither will I go in with dissemblers."

REPRESENT', To show or exhibit by resemblance. To stand in the place of.

Representation: That which exhibits by resemblance; image, likeness. The business of acting as a substitute for another. The standing in the place of another, as an heir, or in the right of taking by inheritance.

REPRESENT'ATIVE: Exhibiting a similitude. Bearing the character or power of another;

REPRESENT'ATIVE: One that exhibits the likeness of another. So, sent. Then present. Then represent. Always followed by “AS”

AS: like; similar.

Now, the next word, and this is a biggy.

IDENT'IC, or IDENT'ICAL: Latin idem, the same. The same; not different.

IDENTIFICA'TION: The act of making or proving to be the same.

IDENTIFY: Latin idem, the same, and facio, to make.

IDENTITY: Sameness.

Blacks Law: Identity: in Evidence. Sameness: the fact that a subject, person or thing before a court is the same as it is represented, claimed or charged to be.

Same: Identical; not different or other.

SA'MENESS, noun, Identity; the state of being not different or other; as the sameness of an unchangeable being. In philosophy, identity, from Latin: identitas ("sameness"), is the relation each thing bears just to itself.

Identity, is the relation that a "thing" bears to itself, and which no "thing" bears to anything other than itself (sameness). Accordingly, if some object x is identical to some object y, then any property that x has, y will have as well.

In philosophy, essence is the attribute or set of attributes that make an entity or substance what it fundamentally is, and which it has by necessity, and without which it loses its identity. The concept originates with Aristotle, who used the Greek expression to ti èn einai, literally 'the what it was to be', or sometimes the shorter phrase to ti esti, literally 'the what it is,' for the same idea.

For the Law of Identity, Aristotle [1] wrote:

"First then this at least is obviously true, that the word 'be' or 'not be' has a definite meaning, so that not everything will be 'so and not so'. Again, if 'man' has one meaning, let this be 'two-footed animal'; by having one meaning I understand this. .................If, however, they were not limited but one were to say that the word has an infinite number of meanings, obviously reasoning would be impossible; for not to have one meaning is to have no meaning, and if words have no meaning our reasoning with one another, and indeed with ourselves, has been annihilated; ......... for it is impossible to think of anything if we do not think of one thing."

Have you ever thought of creating a new image for yourself? Change who you are? But if you change your identity, aren’t you still the same? Identity theft is a real problem today. How do you steal
someone's identity? You hear people on the news say, they stole and used my likeness and charged all these debt to me. **Is your identity something you are or something you carry or bear?**

When you got your Birth Certificate, you were told this is a foundation IDENTITY document and should keep it in a safe place like a security deposit box. Or someone might steal your identity. Why is there no picture on your Birth Certificate? Because your Birth Certificate is not who you are, but an assumed identity. An assumed relationship. An adopted relationship. From a new manmade constitution. **To be or to become, that is the question?** So, what is identity? ..........A relation. Change of identity is a change of relationship or relations. A relation it bears to itself.

**RELATION:** Connection between things; or what one thing is with regard to another. As the relation of a citizen to the state; the relation of husband and wife, or of master and servant. As the relation of parents and children. Connected by consanguinity or affinity. Affiliation.

**RELATIONSHIP:** The state of being related by kindred, affinity or other alliance. **So, your relation is your identity. Sameness. But sameness to what?**

Here now is a real or true identity.

---

**Father and Mother.** Are you the same as father or the same as mother? NO. But you are the same of the two as one. Marriage, the two become one. You have 23 chromosomes from your father and 23 chromosomes from your mother. The marriage of the two as one create the new one. You have the sameness of One of the marriage of the two. Sameness, identical and same properties. You have the same properties of the one from the two. This is a real or true identity of the relationship. So, you have the image of the marriage. Look half like your dad and half like your mom.

What is the identity or resemblance that all of man has? What is the likeness or similitude that all man has? Answer: The likeness or image of God. **We all have the face of God.** Change your God, you change your image, you change your identity.

**We are to appear as God, not be as God. We are to have the form or appearance of Godliness. Jesus did not die for the Godly, but the Ungodly.**

Now, the second commandment precisely. God is saying, make you no graven image. No graven identity. No identity period. **God has given you one face and you make yourself another.** You were born with an identity, a Birthright. The true identity. In other words, that's the right birth. Who you
are. The reason he says, graven identity is because you is what you is. You have no choice in the matter. Your right birth, your identity is automatic. Graven, you have to make this image, this identity.

And do not re-present any of my creation as something else. Make a likeness of it. Again, he knows you cannot create anything. All you can do is change the identity of things, the relation of things. All property has an identity. God owns everything.

So, a graven image is a Mask, a Face to dissemble your likeness of God. He who obeys a false god is a dissembler. All of mankind already has the likeness, the image of God. It is a descending image. We are all the descendants of God. We are all of Royal descent. We are all Servant Kings by birthright. And our law is not the Common law, it is the Royal Law.

**LOOK IN THE MIRROR NOW**

I look in a mirror, see my image. If I move it moves, I control it. If I do not make a motion for it, it does not move. It reflects me. If I, by human hands and skill, engrave the image on the surface of whatever, then this image has an existence of its own. It does not reflect me, it reflects what I made. It becomes the evidence of what I did, not who I am. What I want to be. How I want to be seen.

It doesn’t move when I move, I do not control it. It becomes its own being. If this engraved image was of your face, you would call it a MASK. Remember, a person is primarily the Mask of an Actor used on stage. If you wore a mask, it would conceal your face and true identity. You would be bearing a different identity.

And if you looked in the mirror, you would see an image of a graven image. A mask. And this is what others will see. A different identity. A different appearance. Conceals your true identity. A dissembler. Can’t do that. Very bad.

When you look in the mirror, what do you see? Most people would say, I see my image. When I look in the mirror, I see the image of God. I do not see God, only the face of God, only the image of God. If you look in the mirror and see your own image. Then who do you reflect? Yourself. You see then the self-existent one. You see yourself as being God. (You are present in the image of God, to appear in the image of God is completely different than to be as God.)

**Do you act in your own image, or in the image of God? Do you act for and represent yourself? Or do you act for and represent God?** Do you act in your own name, or do you act in the name of God?

Here is the practical part of a graven image. If you look at 10 men, you say they are all men. A man. Which one is Canadian, German, Polish, Spanish? You can’t tell by looking at their self evident identity. Their true identity. You have to look at their graven image. Their papers. Papers please! Documented. The documents are the forms of the graven image.

God says, "But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire."

We don’t really wear a mask, except at Halloween. The graven image is the only evidence of this being. A fictional character. Something you believe exists but does not except by the evidence of the graven image. Something that does not exist cannot have an image. We have to make the image real. Hence a graven image.

Any government issued identity document does not re-present you. It represents your relationship with the One you claim to be part of. But in reality only a part taker. You have to represent/produce it,
to prove your being is in the image of this ONENESS, like Canada. You were made in the image of Canada, an idol. The image of the beast.

Reality is you were born in the image of your parents, and they in turn of their parents all the way up ascending to God. You cannot change your being, only your state of being, your identity. From living to dead. From animate to inanimate. When you change your relationship, you have changed your identity. You have become something, and no longer can be what preceded it. A change in your state of being.

Now we need to look at the word form. To make a graven image is to form. Into a form. It becomes the form. Or take the form of. To have a formal existence. We do not literally make a mask, but the form becomes the mask when we assume its identity. Its state of being. We constitute the form. And all these forms are the evidence that make up the records.

FORM: The primary sense is probably to set, to fix, to fit. To form, to shape, to mold, to confirm; and form may be allied to firm.

"Having a form of godliness, but denying the power thereof: from such turn away..." ....We have the image of God but deny his being and power.

FORM, verb transitive; to make or cause to exist. “And the Lord God formed man of the dust of the ground.”

Undocumented people are said to be stateless. No state of being. No No They are alive, that is there state of being. Your country does not recognize your real existence, only a graven image existence. Again, your person. A per- son is a part taker. Not a part of. They bear no graven images, no man made identity. Who you want to be rather than who you are. Who you want to become.

Stateless beings are not a fictional being of the state or the country. This is not their state of being. They are not a citizen. No civil life. Civil life is an artificial conception of life. It is a fictional being, a character of the state. A being made by your country, state, city. It all begins with a statement and information by an informant. This is why they cannot be detained by the country, state, city…..they are not of them.

But you are entering a different STATE OF BEING and a different FORM. Let me repeat this again. You are part of God’s constitution and you bear the face of God. His image. You do not bear the face of Canada. You only can carry it. You bear it by carrying it. In God we live and move and have our being. Anything else is fiction.
An identity document (also called a piece of identification or ID, or colloquially as one’s ‘papers’) is any document which may be used to verify aspects of a person’s identity. You were born with an identity and have rejected it. You have rejected your relationship with God as your father. Instead you bear unto yourself an identity you carry around on a piece of paper. How you want people to see you. Your image, your mask.

A court takes cognizance and jurisdiction of personal and territorial. Cognitive…to know. Does the court know you, your identity, your relation to this family, nation, society? Does the court recognize you? Do you have the graven image, identity? Does the court have a record of it? Yes. **How do you get rid of the record? In there lies the rub.**

“Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.”

I never knew you, I do not recognize you. You who practices iniquity, wears a mask, a graven identity, member of a different family, different father, different maker. I am not giving you your inheritance. I have no relationship with you. You dissembler. The word “Name” is used nearly a thousand times in the scriptures…it must be important.

Remember you cannot be part of the constitution. Only a partaker and appear as. Appear. Anything you appear to be or as, cannot be you. **Nothing is what it appears to be. Remember, when you appear as God, you are not God.** You appear in person, you appear to be an American, appear to be driving in person. But not in fact. You appear to be in name only, but not in fact.

You either act in the image of God, or act in your own image. Act for God or for your self. Do his will, or your will. To turn or not to turn. An attornment. To turn your face away. To hide your face. Conceal it. Notice, when you bow to the Queen, and back away but do not turn your face away? That is a sign of homage. I am your man.
First part is reality and constitutional. Out of ONE we are many. We are all made in the likeness of God. Bear his likeness, our relationship to God. He is our maker.

Second part. We turn our face away. See ourselves only. Out of many we are ONE. All ye gods. Canada is born of us. We are Canada’s maker. Canada is the image of us.

Third part. Canada is the image of us as ONE. We make our maker! Pretty insane. We make an image of an image. Hence a graven image made by our hand and impressed on our mind. We are all related, same family name, Canadian or American.

“The Perfect Swindle.” (The Serpent Move)

It all begins by doing the will of Satan. The Serpent. You had it all, and you lost it all. Serpent move because God is saying one thing and Satan is saying the other. We do as Satan. And therefore “In Satan we live and move and have our being.” Hence the son of perdition. Perdition is the abode of Satan. Son of destruction….

We had the image, likeness of God. Man is the resemblance of God. He gave us life, he gave us dominion, he gave us property, he gave us his power, his dignity, his authority, and he gave us his WILL. All we had to do was accept that God is God and that there is none other. Accept that his knowledge and wisdom is beyond anything we could ever know. All we had to do was accept that his
WILL is for our own good. Accept his knowledge of good and evil because we have no way of knowing without it.

What did we do? We rejected everything. Atheists reject his being, and religious people reject his power, through ignorance and vanity. Because God knows how everything will be, he knows you are deceiving yourself. He knows his constitution is the perfect law of liberty. So, what is the result of “All ye gods.” knowing what is legal and illegal?

We take power we lose power. We take life, we lose life. We take property we lose property. We take liberty we lose liberty. We take an identity, we lose our identity. We take a birthright, we lose our birthright. We take an inheritance, we lose our inheritance. Everything is exactly backwards. It all back fires on us. Do you really think we can outsmart God? All of our wisdom and knowledge is foolishness with God.

If there is no God, we have to make a God. The God we make is controlled by the people who control the world. All they have to control is the new ONE. All Satan needs you to do, is to take the place of God. The Serpent move. YOU are enticed and suborned into committing the crime. No one can force you. You have to be tricked into this. It is the love of self, your vanity that makes you do it. We are the thief, the fraudster, we deceive ourselves, and we become the sons of perdition.

The illusion, the false identity we assume is so normal and has been going on from the beginning that no one can see it. It is just like a group of people who want to form a club. Give it a name. Become its members. You belong to the club, it has rules and duties. You are a son of the club. A person. The members own it, make the rules. So is the making of a club or a community prohibited by the second commandment? Yes and no.

The second commandment is like unto the first commandment. Yes it is prohibited if this ONE is a god before me. If it transgresses the laws of God. This group or club must still be under the Sovereignty of God. You can form a group or club for a lawful purpose. Think of it as a group of people making lawful agreements together. Can the land used by the members or group of the golf Club be owned jointly by the members? No. Otherwise you have made a graven image. Everyone owns their own property.

Your hamlets, villages, towns, cities, counties, provinces, states, countries and your United Nations are all organized crime. They are all graven images of YOU. You shall make thee no graven image. A corporation is an Idol. Its members are graven images. You sue your city, or county, or province, or country (these are all legal persons). You are suing Idols. You are suing the graven images as ONE.

We are all of one community, one family, of one body, one assembly, of one blood, of the One God. The God.

“There is one body, and one Spirit, One Lord, one faith, one baptism, One God and Father of all, who is above all, and through all, and in you all.”

Now we will go into the complete concept of the PERSON which leads to the Mark of the Beast and the Anti-Christ.

TEN: This section is called, “Your Personal Mark of the Beast”.

Noah Webster says; A person is primarily the mask of an actor used on stage. And a Mask is a graven image. A Mask is a face you make and bear. “God gave you one face, and you make yourself another.”
So, a person is a disguise. A person is a dissembler. And a Mask conceals your real face. It conceals your likeness of God. In other words, a person is not a creation of God and hence unconstitutional, transgresses the law. The person is a false identity and hence a false relationship.

Are you a person or do you have a person? You say, defend your person. Found this on his person. Let me state this with all certainty. No man is a person. Why? Because you can only appear in person. Not be in person.

To understand the concept of the PERSON we need to get rid of the PER part first. It muddles your understanding. Now we just have a SON. A son comes from the Father. Son and father are reciprocal things. Can't be a father unless you have a son. And if you're a son, you must have a father.

Now the reason no one can figure out what a person is, is because you are too smart. You have to be a dumb guy like me. Remember, God gives subtlety to the simple. That would be me, simple minded. Remember, the legal system you are involved in is a nutty system of law. So when you read what a person is in legal dictionaries, you are reading nutty stuff. You are reading things about a person but not what it really is.

Let me explain what a person is in a simple way. There is group of people…. Each is a member of this group. You have a basket full of apples. The head of the group tells you to give out one apple per member. Now if this group is a family and the head is a Father and the members of the family are sons. Then give one apple per son. And that is what a person is.

Now, just because we as man define something to be something, does not mean it is true. In our various ACTS or statutes, we state that for the purpose of this Act this will be that and will include this and that also. Amazing what you can do when we are God, and want our will to be done.

Now, person means by and through the son. How did you do that? I did it by and through the son. Like a means to an end. Perceive- I take by and through….. my senses. Perform- I act….. by and through the form. I am known by and through the son. How do you drive? I drive by and through the son. Or by means of the son. Now you cannot do anything by and through someone else or as someone else.

We already know you cannot become anything really. But you can do something by and through someone’s authority or in their name. So, you can only appear to do something by and through another son. And when there is no real son; that is Witchcraft. And if not real, that means it is also dead. And that is Necromancy.

Now, you can be part of something, like the son of a father or a son in a family, but to do something by and through something that you are not part of would require you to take and have or hold a part of it. Hence, a son is part of and a person is a partaker. If you are a part taker of something that is unconstitutional, not real or natural, then you are a partaker of sin. To transgress the law, the constitution. To go beyond the boundaries or limits set and established.

Partaker is a person. To take a part, portion or share in common with others; to have a share or part; to participate; To have something of the property, nature, claim or right. To have a part in. Partaker: One who has or takes a part, share or portion in common with others.
And in this sense, the one who took a part as a son of the father, or son of a country is the person. If you were really a son, the law would just say no “son” can do this or that. But it does not. Only a “person”. So, you are deemed to be a person. Deemed means, construe to be, treat as if.

This is again Witchcraft. So, we are looking at how we can redeem ourselves. And that is a big problem. First, you do not think you have broken the law, so no need to be redeemed. Now in the real scenario. Where out of one we are many, you are a real son. By nature and by blood.

When out of many you are One and become one of those sons from the ONE, that is fictional. It is done by affiliation. You have adopted this and you are adopted when approved as a member as a part taker. But in name only, not in fact. You can only appear as this son, not be this son. And if you have not made a graven image, a Mask, you will not appear in person. Even if you cannot grasp that, your relationship as father and son in any country is fictional. A woman in England, the Queen cannot be the father of half a billion people.

You can only be recognized as the fictional son, by and through the graven image, the mask. The evidence of the son. So again, your state of being cannot change, but your identity can. How you appear. Your legislation should say that no son of mine, meaning son of Canada can drive a motor vehicle except under the authority of a license and subject to the regulations. But the son of Canada can’t do anything. It is not real, it is not living. It is a fiction.

So, a person is a false identity which is a false relationship. Like a member of this family. You are not a son of Canada and Canada is not your father. I mean get real. It is all made up fairy tale stuff, living in la la land.

Appear: seems to be as opposed to reality.

Seem: To appear; to make or have a show or semblance. To become, to befit. To have the appearance of truth or fact. (remember your legal system seems to be good and right)

SEE’MER: One that carries an appearance or semblance. Carries the mask. “Thou are not what thou seemst.” Nothing is what it appears to be.

Is your real identity the image of your parents ascending to God, or the graven image (document) of Canada? Don’t know? Then punch yourself in the head until you realize which one is real.

The sameness of this identity is Canadian or American. Your birth certificate is proof of identity, proof of a relationship, connection, proof of bondage. But in name only, not in fact. You use the mask, as a foundation identity document to prove you were born in the family of Canada. Hence you are of Canada and belong to Canada through bondage. But you are not. You only appear to be. You have to hold or bear the graven image, you have to wear the mask, or you will not be recognized.

Now you will have to let go of it, no longer hold or bear it, but that is not the solution. In fact, the command is to burn them. The only property you hold is personal property……The only property you have you obtain through the son of Canada. Hence in person. Everything is vested in the Queen, father of Canada. Hence, property you have and hold by appearing as the son of Canada. Son of the Queen. This applies to all nations….

Corporations, cities and towns are all persons……These are all mini Babylon’s. Out of many we are one. A smaller corporation. Smaller beasts. Where do you think a baby comes from. From the word Babylon. The people gave birth to Canada. Canada is the image or baby of the people.
Your country guarantees you security of your “person”……. This is father protecting the son. Your membership. Protecting your identity, your relationship with Babylon. We decide who or what can be a person……….We can create as many characters or persons as we like. Lawyers think of corporations as a man. Artificial persons created for purpose of government and society. Your man made constitution. A person is any being that is capable of having rights and duties, and is confined to that.

“Do not they blaspheme that worthy name by the which ye are called? If ye fulfil the royal law according to the scripture, Thou shalt love thy neighbour as thyself, ye do well: But if ye have respect to persons, ye commit sin, and are convinced of the law as transgressors. For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all.” [act in the name of God, your name is of God, act in his image, not a graven image]

Personification: The giving to an inanimate being, the figure or the sentiments and language of a rational being.

Idol: An image, form or representation. A likeness. “The gods of the nations are idols.” “Little children, keep yourselves from idols.” An idol is anything which usurps the place of God in the hearts of his rational creatures.

Idolator: A worshiper of idols; one who pays divine honors to images, representations of anything made by hands; one who worships as a deity that which is not God; a pagan. Idolatry is of two kinds; the worship of images, representations made by hands; and the worship of the heavenly bodies, the sun, moon and stars, or of demons, angels, men and animals. So, idolatry is worship or obedience to anything made by man or made by God. So, anything in the likeness of what was made by God and anything made by God. In other words, obedience to any part of the creation or a likeness of any part of the creation.

Personify: To give animation to inanimate objects. To give body to. This is Necromancy.

A person is recognized by law as such, not because he is human, but because rights and duties are ascribed to him. The person is the legal subject or substance of which the rights and duties are attributes. An individual human being considered as having such attributes is what lawyers call a "natural person." The concept of a "person" was further developed during the Trinitarian and Christological debates of the first through sixth centuries.

Prosopagnosia: is a disorder of face perception where the ability to recognize faces is impaired, while the ability to recognize other objects may be relatively intact. (Agnosia- an agnostic) A Confusion of Face.)

God does not respect persons, and man’s law only respects persons.

Here is the riddle: Can you think of anything that can be obtained, only by means of the son?

You are a member of the family of God by being a son. But when you separate from the Family of God, you can only be reconciled by and through the son of God. Now what is the real concept of the person? What is this Christological debate of the person? The real concept of the person is found in one sentence, and here it is.

SCRIPT: “I am the truth, the life and the way, no one comes to the father but by me.”
By and through me, the Son of God. But here now we have the counterfeit son. You do not come to your adopted father, your country, your Queen, except by means of the son. If you are not a son of Canada, you have no face before the law.

So, the real Christ is a Servant King, who does the will of God and acts in God’s name. The counterfeit Christ is the Anti-christ, also an individual Servant King but of your country not God. And the Anti-christ is the person who does his own will, which is the will of Satan. Do you act in the image of God or in your own image? Do you the will of God or your own will. So, are you a Christ or an Antichrist?

Christ just means the anointed one, God’s King. God’s right hand man, the image of God, represents God, carries out his will, his chief executive officer, has God’s power of attorney, acts on God’s behalf, in God’s name, appears as God, (not be as God) huge difference. A Servant King has God’s power, authority, dignity, dominion. Is God’s ambassador, his minister to administer his will and administers his will to others. Who has the power to stop you?

“What shall we then say to these things? If God be for us, who can be against us?”

And this is why we had to get rid of God and control your knowledge of God. This is so powerful and dangerous to the people who run this world; it had to be controlled at all costs. Let me say the real person again.

SCRIPT: “I am the truth, the life and the way, no one comes to the father but by me.”

The only true person there is, is Jesus Christ. The son of God. The person of man is a mockery and imitation of Jesus Christ. But then we as God, doing our own will is a mockery and imitation of God. We as God, as a lawgiver, we are not only God, but also have to appear as the son of God who fulfills faithfully the law. We suffer the crucifixion over and over again, every time we break our own law and the penalty is imposed on us. I mean, there is only us people here.

Now let us talk about your “behalf”. Do you have a behalf? Are you a behalf of something? What the hell is a behalf. Will you act on my behalf? The top half or bottom half. What the hell is a behalf? Ever think about that? Well. It has to do with identity, name and what you are a part of.

Now, in the last section you will recall that an identity is the relation that a thing bears just to itself. So, your name is part of an identity, a relation that you bear just to yourself. It relates to just you, how you are known. A name is how an identity is known. Hence on my behalf means, if you are acting in my place, you are acting in my name, or on my part. You are acting in my image, you appear as me.

Very important: Behalf – in the name of. Or, you are acting for me but in name only, or on my part. In other words, you appear as me. Or you can act in your own name. When you act in your name, you are doing your own will. When you act in someone else’s name you are doing their will.

So, doing something in the name of, means by their authority. Behalf also means on their part or on your part. What are you part of? A part of God’s family, or a partaker of Canada’s family or America’s family. Everything but God is part of something. Nothing can create it’s self.

Now, your true identity, the constitution you are really a part of as a constituent, creates your true identity. You bear the relation of your father and mother from their union of marriage as one. And this continues up in ascendency all the way back to God. Hence all of mankind bears the relation or the image of God. That is why we say, we are all children of God.
If you break this relation by turning your back to God, or separating yourself from your relation with God, you no longer have his image. If you make a graven image, a mask, a persona, a false identity, your real identity is concealed by the mask. Your real identity will not appear.

First God will not recognize you anymore, and you cannot claim to be acting on his behalf, in his name or by his authority. You see, we are to act on God’s behalf, on his part; we are to act in the name of God, in his likeness and image we are to appear as God, Godlike, take on the form of Godliness, and act in his character, according to his will, with his power of attorney, with his authority and with his dominion.

We are to act according to his jurisdiction. Everything is God’s domain. Not the public (the peoples) domain. Whose name are we to act in? God’s name. What is that name? Well what is your name? Bob. Okay act in the name Bob. But make sure it is recorded in the name of the father and of the son and of the Holy Spirit, the Book of Life.

Your name belongs to God. Of God. Genitive case, denoting ownership. All things are God’s even your name. Instead you registered it with the State of your man made constitution. It is recorded in the book of the dead, or should I say artificial. Look at a Canadian summons; you are to appear in Her Majesty’s name. Possessive. When you make your name public, it belongs to the public. Public means, belongs to or concerns the whole. Who owns the name now, the people, the public, as out of many we are one. It is now a common name, no longer a proper name. It is an American name, or Canadian name.

**Common:** Belonging equally to more than one, or to many indefinitely; Belonging to the public; having no separate owner. Prostitute; lewd; as a common woman.

**Proper:** Peculiar; naturally or essentially belonging to a person or thing; not common. That is not proper, which is common to many.

“*And the voice spake unto him again the second time, What God hath cleansed, that call not thou common.*”

Your name is now, common. What is the common name that has sameness, what is the identity, the relation of sameness? Your national identity. However all of this is not true or real. It is artificial. Not natural, but artificial. It is a fictional relationship. Natural is the work of God’s hands. Nature is the art of God. Your artificial being, identity, constitution, and law, is the works and skill of man’s hands. Graven images. So, you are a member of whatever country you joined, in name only, not in fact.

I have shown you all the reasons why it is all fiction. It is impossible to be part of any of this. It is an illusion. But you can be deceived into taking a part, assuming it, acting for it and thinking for it, so: I think therefore, I am.

Now I want to back track a bit to, Appearing as God. This is very important too. Remember I said everything is an exact counterfeit copy, or a likeness of reality. Artificial. Why God prohibits making a likeness of anything.

We either act for God as his temple with our God given life, or use his temple and God given life to act for our self. This is what Satan advised we should do. God’s will be done or our will be done. We are right in the middle between good and evil. Now, what did Jesus do? He was created in the image of God, the express image of his person, acted according to the will of God, the script, he repeatedly said “*is it not written...?*”, so follow the script you dumb actors, he acted in the name of God, said that he says nothing of his own, why? Because he memorized his lines, written on his heart he knew
them by heart, he appeared as God, in God’s likeness and image, and acted completely in the character of God.

So, yes, Jesus appeared as God, but in name only, not in fact. Jesus said God and I are one. Yes, and you and God are one also. You are his temple; this is where the Spirit of God lives. Your God given life. And because you cannot separate reality from fantasy, you actually believe Jesus is God. You actually believe that Clint Eastwood is Dirty Harry. You actually believe you are part of the constitution of Canada, that the people of Canada constituted your being and that the Queen is your father.

The wolves in sheep’s clothing, your pastors and ministers of the various religions, who have no training in the principles of law, try to explain to you what the Book of the law means. They tell you, just praise Jesus. Just give your heart to Jesus, take your illness and diseases and worries, and troubles and your credit card debts and just give them all to Jesus. He will take care of it for you. What kind of nonsense is this? (Jesus was sent for two reasons, both to do with the law.) So, remember, in name only, not in fact.

And now you should know what the third commandment of God means. Are you acting in the name of God, or your name, your own name, or are you acting in the name of the people, the name of your country, the Queens name, an American name, a Spanish name. Are you acting in a common name, a public name, the name of the people? Are you acting by the authority of the people as one, which you are a partaker of, so your own authority, are you acting by the authority of the will of the people as the supreme law of your land.

And we all are…… then you are taking the name of God in vain. Empty show, of no value, acting in your own image, conceited, proud, boastful, vanity. Placing yourself above all that is God. To supersede. To sit above.

The Anti-Christ and the Mark of the Beast.

Script: Jesus said, “I am the way, the truth and the life, nobody comes to the father but by me.”

If you want to enter the Kingdom, do the will of my Father. If you want to enter the Kingdom, which we know is also here on earth. Keep his commandments. The only way into the Kingdom is in the person of God. Meaning Christ. Christ means anointed one. Means God’s king. Means God’s Servant King. God’s right hand man, his vice-regent. And what is the person of Canada or any country? The Anti-christ.

Every man who “out of many has become ONE”, and placed themselves above all that is God, practicing idolatry, the worship and obedience to this ONE which you are a partaker of, is the Antichrist. He who acts in his own name, according to his own will, who claims to be individually Sovereign and a partaker of the Sovereignty of any country is the Antichrist.

Religions like Catholics, or their leader the Pope, or the United Nations, or a mode of government, or a man made constitution are not the anti-christ. These are all idols. Only YOU can be in Christ or an Anti-christ. Only you can be a Servant King or be the King……There is only us people here.

Which takes us to the Mark of the Beast.

The Beast: out of many we are ONE. The One is the beast. God explains this well. It is a kingdom. There is only one Kingdom and that is of God. So, any other Kingdom is a Beast. Beast is a large irrational animal also called a brute. Meaning destitute of reason. 300 million people as one is a Beast. Even a town of 400 people is a Beast.
Mark: Any sign or indication of evidence or proof.

Mark of: Beast has to issue the mark. Of genitive case ownership. So, the Mark of the Beast is an identity or any connection or relation to the Beast. So, if you have any proof or evidence or any indication that you are one of the “out of many you are ONE”, the Beast, then you have the Mark of the Beast.

Let us see what God says about the Mark of the Beast.

“And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; [man was created on the sixth day] and his number is Six hundred threescore and six. 666.” [Hmm, sons of Adonikam? – Means lord of rising (i.e. high), there were 666 of them, a coincidence?]

So, someone can give life to an image. The image of the beast. Not the mark but the image. Now the image can speak, the image of the beast. Where did the beast come from? It is your combined images as One. All through scripture, in their forehead and in their right hand, means what you think and what you do. Name of the beast would be a Canadian or American or German. Author of the name is the beast, the country. Number of the name means you are numbered among the members of the beast. A countryman.

Every citizen has a number whether born on the soil or immigrated. An account number. A unique identifier number. That no man might buy or sell, save he had the mark. Don't you buy and sell things. Who are you buying and selling for? The Beast. The Beast owns everything. You buy and sell American goods and services. Everything in America is American. You get a receipt for everything you buy or sell, because you own no property. And income is your receipt for your property. Your labor. That is the part of the ongoing swindle.

You are an American man, buying and selling American shoes and American food. Etc. You own nothing, the Beast owns everything. You use the Beasts money. There are even newspapers called the Daily Beast. Now, out of many we are ONE beast. The beast has a constitution.

So, we have a god-Sovereign, of the people, by the people and for the people. Of the people: is the creator of the beast. (our image, we give it birth) July 1st Canada Day. July 4th America’s birthday.

…by the people: beast rules through your commands. (. . .thou dost in us command, original line in Canadian anthem - today says, in all thy sons command) For the people: beast has your power to rule for you.(all power is given unto the beast)

Canadian constitution, all power continues to be vested in the Queen. So, a god, of the people, by the people and for the people. A god, of man, by man for man. Oh, here is wisdom. His number is 666, man, man, man (father, son, spirit - The three into the One - 6 meaning not complete?) There is only us people here. If you think about it we are the “father” who created the constitution, we become the “spirit” of the constitution in that we move it to do our will and we also become sons of the constitution when we give life to the fiction by appearance.

Name of the beast, the number of his name, number of a man. When you take part in the Beast, you now need proof that you hold the image of the Beast. That is the Mark of the Beast. Your graven
image. But you do not need a number to be a treated as member of the Beast. If you even “act” like the image of the beast, there is an implied consent to wanting to be. Any relation or connection to your country, the Beast, is a mark of the Beast.

And we know a relation is an identity. The mark is in your hand or your head. What you do and how you think. You do not even have to make a graven image, but only need to think it. Remember, graven means, made by hand on a surface or impressed on the mind. If you act like a member of the Beast, you will be treated as a member of the Beast.

So, Beast is your Country. How was your country created? By its Constitution. Who created the Constitution. All of its members do. It is an ongoing pyramid scheme with new members joining and old ones dying. It continues until dissolved. So, you are the Creator, the created and the life giver. The Father, son and (Holy?) Spirit. Just a mockery of God and all that is God.

But to obtain the proof of the mark, you have to request it. No one will ever force it on you. The sentence you sign and swear is absolutely not false is this mark; when you request proof of identity to be a member of the beast. I……authorize and consent to the release of this information to the ministry of Government Services for the programs and services I am requesting (the benefits).

This is how the foundation identity document is obtained, with you as the author, first mover, creator, hence the efficient cause of a thing. You consent and concur. This is to certify your change of identity. It is an identity document. Now, you have made your name public. Common, belongs to all. Belongs to the Beast. Without this identity, you are not going to get any programs or services. Without it, you have no public servants. Without it, you are not god, a king, judge and lawgiver. Without it, you have no face before the law.

I should explain why your name is CAPITALIZED. Because YOU are capitalized. Because the Beast needs your capital. Your inheritance, your life, your labor. This is what makes it a Beast. You pledge your lives, fortunes and honor. Remember what an attornment is. All capital comes from God. You are now one of, “All ye Gods” that make up the Beast. The Idol. Love of Country. You will notice that the name of God is always Capitalized. In Scripture.

See how everything is backwards from what we think. Now, there is obviously much more that could be unraveled as to the specifics. But the crux of the whole matter involves only the first two commandments of God. Which in essence demand that, “I am your God and you will be my people.”

This is all about what family are you in, who is your father, whose son are you, which goes to identity and identity goes to property. Why are things the way they are? It has to do with one word, the will. “Where there is a will there is a way”, but where there is no will, there is no way.

ELEVEN: This section is called, “The Determiner”

So, is the law of God still valid today in 2014? Well if you understand constitutional law, you will know the law is in effect until heaven and earth pass away. Because the law is the constitution. Look around you, the constitution is still here.

Law is that which is laid down, set, established. Law can never change. It is permanent, forever. Now, the “rule of law” came into being due to the transgression of the law. Sin. There are two parts to the will of God. His works and his word. His Creation is the will of God. And his Word is the revealed will of God. And when the law, the will of God was read to your forefathers, they said,

SCRIPT: “All that you say we will do and be obedient”
**Will do, is a promise.** Now, everyone that is born as part of the constitution is bound by this promise. You have no say or choice in the matter. **The law applies to you merely by being born.** By being a part of the constitution. This makes you a party to the covenant of your fathers. It inures or passes to you.

**INU'RE,** verb intransitive, to pass in use; to take or have effect; to be applied; to serve to the use or benefit of; as, a gift of lands inures to the heirs of the grantee, or it inures to their benefit.

In the same way, if you are born in America, the constitution applies to you. But of course, no one is born “in” America, you only believe you were. You never signed the constitution; you only joined the constitution as a part taker. You were told you have a right to join. In fact, you are told you are automatically a citizen. But that is not true.

This covenant or contract with God that applies to you was established with these words of God.

**SCRIPT:** “The LORD made not this covenant with our fathers, but with us, even us, who are all of us here alive this day.”

And this law applies to every man. All of mankind. Well all those born in the image of God, otherwise he does not recognize you, and you do not get any promised benefits of the contract. You broke your promise. Now, we are taught that the law of God is voluntary law. Only if we want to do it based on our free will. Or if you want to go to heaven. Excuse me. If it is voluntary, it could not be law.

The other thing you should know about law is this. A law can only be changed or repealed or abolished by the lawmaker. And the law of god clearly states that it is perpetual. Meaning forever. And for you and I the law will be in full force and effect until heaven and earth pass. Thou shalt not steal, is still valid today. So, if the law of God is in full force and effect, and you now understand his commands I hope, and we have only really addressed the first two; then you will know that any legal system on earth is unlawful.

Can you see how great a deception this is? Everyone is deceived. And I mean everyone. Worldwide. Just the one premise that God created all that there is, the heaven and the earth, and all that there is therein, he is the property owner of everything. **Only God can make the law, the rules, what could be more simple to understand.**

And he has made and given the law. The only lawful lawgiver. The Word of God that we call the Bible, is the only Holy Book that is a Constitution. And if you look at the Constitution, it is exactly like he says. What more proof does anyone need than that? WOW!!!!

In addition, the legal system of every country on earth, regardless of whatever state religions they have, and regardless of whatever form of government they have adopted, uses the Constitution of God as a template, to construct their replica, in their own likeness and identity. I could go into more detail, but that should suffice.

Now I want to address something I used to think also. I also want to address this thing about, “I did not know”. Or “I did it unknowingly”. Why did no one ever tell me? I did not give informed consent. No one gave me disclosure etc…. As people are learning about what they are involved in, many want to get out of it. Do you know what you are going to do when you get out of it? Can you get out of it?

When people say, I never gave informed consent or agreed to this or that, they are in effect saying, I do not know what I am doing. I just did what everyone else does, and I am thinking about it for the first time in my life. And that would be true. That is exactly what I did. And of course someone must be to blame for all this. Most want to blame their government. They want to blame their servants.
Well, in your legal system, **YOU ARE THE GOD. YOU ARE SOVEREIGN** in your legal system. You are the top. You are the master. This is why you are addressed in court as Mister Jones. Mister is a derivative of Master. You are being called Master. What’s the matter now? You don’t know everything? Oh, so you are not the smarty pants you thought you were.

If you ignore the law of God and thereby place yourself above all that is God, who is going to tell you anything? Your government? You are the government, you are Sovereign. The people who work for the government are your servants. They work for you. But they don’t do what I want! Welcome to democracy, welcome to the Beast.

Your servants are only going to tell you what your will is because you forgot what it was. **Your legal system works on the presumption that you know the law.** Your servants cannot give you legal advice. Remember, if there is no God there is only us people here. You evolved from plasma that washed up on shore. Who is supposed to tell you these things? Some other cro-magnon, or neanderthal developed gentleman in a suit who was born with the same mindless mind as you? **Only the Word of God can reveal to you the truth. A mind greater than man. Your Creator.**

Oh, now you want to know the things you don’t know about God. Go ask your priest or minister, he was born with the same mindless mind as you. Or go ask a lawyer, but he has made an oath of allegiance to the idol you are a part of. Lawyers call you boss or master. They are only acting for you. You instruct them. They only give you counsel because you are incompetent.

Maybe it is time to get off your high, lofty, self exalted, arrogant perch, and realize that every man on earth was born with the same mindless mind as you. Stop glorifying yourself in the knowledge and praise of man. Why don’t you study the word of the One and only true God and gain some of his revealed wisdom and knowledge from the most valuable thing this world affords.

**There is where you will find your full disclosure to what you are doing and what the end of all things will be.** Maybe you are starting to understand why millions of people have been killed over this Book, THE BOOK. And maybe you are beginning to know now how evil this theory of evolution really is. And if you think that things regarding your life will not be as God said they will be, then you are delusional. Living a life of grandiose delusions. You think too highly of yourself. A little too much pride in yourself.

Now the real law is the law and there is no way around it. You can dream that it does not apply to you, but you are only fooling yourself. **God calls it a fault: ignorance, bad judgment or inattention.** But as we know now, your ignorance, bad judgment and inattention to the word of God is being controlled.

We are told we are born with free will and can determine our own fate. We have free will, we have a right to choose, we are entitled to believe whatever we want. We have a right to determine who we will be, what we will do. We do not have to answer to anyone. We are the master and Grand Poobah of our own existence. We take on a life of our own. We have individual autonomy.

And we prefer the knowledge and wisdom of the people as One over the One true God. This is what we are taught through society, schools, the media, our religions etc. Democracy is great. We are taught that there is no God and that we collectively are the “greater good”, instead of God being the greater good. After every election we say, the people have spoken, and your laws, the people are always right. Of course, there is none higher.

Everything is exactly backwards and backfires on us, because we think we are smarter than God. We are not and **we have accepted all the pain and suffering we see and experience in the world as normal, or the best we have.** Oh, we look at things from our comfortable existence, and think that
things we see going on are getting better. We are getting healthier, discovered new drugs to combat disease, we are living longer etc. Well, I got news for you.

You little pimpled faced, arrogant, pompous, upstart. I am speaking for God here. What will be is exactly like the real DETERMINER has determined. And all your rebellion against what will be will only end in pain and suffering and your own demise. Quay sera, sera. What will be, will be.

Now, the will. Very important to apprehend what a will is. It is the only Achilles heel that Satan can manipulate. Because the will is the property of the mind. Will: The property of your mind. Will I or Will I Not. Will, refers to a property of the mind, and an attribute of acts intentionally committed. Actions made according to one’s will are called “willing” or “voluntary” and sometimes “willful” or “at will”. There is a saying that says, Where there is a will there is a way, but where there is no will, there is no way. Of course Jesus told us he is the way.

One of the repeating questions discussed in the Western philosophical tradition since Christianization is the question of “free will”, and the related but more general notion of fate, which asks how will can be truly free if the actions of people have natural or divine causes which determine them but which are not really under the control of people. The question is directly connected to discussions of what Freedom is, and also the "problem of evil", because it brings into question whether people really cause their own acts.

Now, I am going to explain a very important deception here. It has to do with the legal concept of insanity. The legal distinction between sanity and insanity rests upon free will. If you do not have the mental capacity to form a will, then you cannot be held legally responsible. In other words, you did something, maybe even kill someone but it was not your will. You did not do it willingly or willfully.

Now, if you do something that is the will of God, not your will, can you be held legally responsible? What I did was not my will, it was God’s will. Now, think about the parable again from Jesus, about the man who had two sons and told them to work in his vineyard. Do, you see where I am going with this. You have to be “legally” insane or you cannot enter the Kingdom of God. Also known as paradise. You see, the two Gods cannot recognize each other.

God says, SCRIPT: “Why do the heathen rage and imagine vain things.” Rage is a madness. Insane. And your legal system says you have a mental illness if you believe in God. Of course, because you cannot lawfully form a will.

God says, “Choose ye this day”. If you do the complete and perfect will of God, you cannot do your own will. You cannot be the Determiner how things will be. If out of many you become a partaker of ONE, you cannot do your own will either. You have to do the complete and perfect will of the ONE that you are a partaker of. A democracy. You cannot do your own will this way either; but there is a catch to this that is a part of the swindle.

Once you join any of the Beasts, you do not have a will anymore of your own. It is the property of the Beast. It is the common will, the public will, the will of the people as ONE is the law. By doing your own will, you lost your will. “You lost what is yours because you took what is not yours.”

Everything works exactly backwards, upside down, in reverse. YOU CAN NOT WIN. YOU CAN NOT BEAT GOD. There are no loopholes or ways around the law. IMPOSSIBLE. You will suffer every single time. The law cannot be transgressed, the penalties are automatic.

I will give you a simple example. God says do not eat pig. It is unclean. We eat pig and our arteries get clogged and we die of a heart attack. Pig tastes great. I love bacon. This is a law that had to be
revealed to us for our own good. Then people ask, why would God do this? Answer is because it was God willing. He told you what the end of all things will be, but you do not believe it. What will be was revealed. You had disclosure. God says he is the Determiner how things will be.

“He answered and said unto them, Well hath Esaias prophesied of you hypocrites, as it is written, This people honoureth me with their lips, but their heart is far from me. Howbeit in vain do they worship me, teaching for doctrines the commandments of men. For laying aside the commandment of God, ye hold the tradition of men, as the washing of pots and cups: and many other such like things ye do. And he said unto them, Full well ye reject the commandment of God, that ye may keep your own tradition.”

“Speak not evil one of another, brethren. He that speaketh evil of his brother, and judgeth his brother, speaketh evil of the law, and judgeth the law: but if thou judge the law, thou art not a doer of the law, but a judge. There is one lawgiver, who is able to save and to destroy: who art thou that judgest another?”

“Judge not, that ye be not judged. For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again.”

In Canada everything is Canadian, the ONE, the Beast. Every country is the same. And the will of the people will be done in Canada as it is desired by the committee or the mob rule. Democracy. The One. You own nothing. You can’t own anything. You can’t speak against the will of the people, conspire against it. You can’t walk this way, or run here or there, or go here or there, or work, against the will of the people. You can be ordered to go to work, told to stop working, get a haircut, take this medication, take a shit, wipe your ass horizontally all according to the will of the people. The supreme law. You must feed your dog this, can’t have a dog for 14 years. Can’t water your lawn, can’t build a house, can’t discipline your children, can’t have your children back, you have to enter an insurance contract, you can smoke here but not there, you can eat this but you can’t drink raw milk etc etc, all according to the will of the people.

You can’t have, do, or even say anything until the committee decides what the will, will be. Complete bondage, no liberty. All these things that you think are normal are done through gradualism with the accompanying reasons or sales pitch. And who controls this ONE will?

God created the heavens and the earth and then constituted, formed and composed what will be. All based on God’s will. And then when he had made everything what it will be, he rested. So, most of the law you can observe with your senses. But some of the law, what will be cannot be observed, this part of what will be you can experiment with and then observe the results of what will be.

And this is the purpose of the scripture, the Word of God, to reveal to us what will be, of those things we have no other way of knowing than to experiment with them. The law of God is called the perfect law of liberty. More liberty no man can have. In fact, every form of self government man has ever made are called experimental government. Now let us observe what the result is. Did you know democracy is explained in the Bible. Numbers 16. God calls it a fault.

Well if you study the scripture you find out what the end of all things will be. This is why he is adamant about not changing any of his revealed will to us. Do not add to or delete any of it. Or your name will not be found in the Book of Life. Religions have diverted your mind to what will be, after you die, No no, this is what will be right now, today. So, the revealed will of God, what will be is much more important than what you can observe with your senses.
Now, if you are a member of any country, you have rejected God as a matter of law, even though you do not think you have. You are told by the world, and by every religion of your free will, and you can decide for yourself what will be. And I will be this and you will be that, and that will be mine, and this will be ours, and we will do this, and we will not do that, and we will be happy, and we will be prosperous. What kind of grandiose delusion is everyone living?

The whole Scripture is Constitutional Law.

A constitution is your state of being. Your state of being can change if you do anything that is unconstitutional. And your state or condition or well being can change. The constitution reveals what will be the outcome. What will be the end of all things. What will be your state and condition. Like the law of gravity is real constitutional law. And the word of God is real constitutional law. If you don’t believe it, then jump off a 300 foot cliff. You will believe it.

We saw that in the garden, man’s state of being changed. His condition changed. God warned them, this is what will be the outcome. Transgress the law, the constitution, to go beyond the limits of what is set, fixed and established, the law, the constitution and you have sinned.

SCRIPT: “Whosoever committeeth sin transgresseth also the law: for sin is the transgression of the law.”

So, law is really just the way it is, law is how it has been set and established. The law is always right because it is just the way it is. When you come to this realization, you will know, man cannot make law. Man cannot make anything the way it will be. Except by their will. When they say, this is the way it will be. This is what it will be. In your legislation you state how it will be and what it will be. When we say how things will be, that is a prophecy. Predicting the future. I will come to you next Thursday. I will wear my seat belt. In whose name did this prophet come??

In this Act, this will be that. And that will be this. And if you act like this, this will be the outcome and so it is. And with your advice and consent, so it will be done to you. All to do with your will. Your will is the property of your mind. And who owns your will, the property of your mind.

Script: “Let this mind be in you that is Christ, Jesus”. (the mind of God, his will.)

The people who run this world, they take your will, the property of your mind and they control it, manage it, form it, and then do a public opinion poll to ask you your will. The will of the people as ONE as God, the determiner, the judge of how things will be. You have been tricked into becoming the determiner, the judge. I will (a promise) wear my seat belt and if I don’t I will (a promise) pay an 85 dollar fine. You are the determiner of what will be. Now the real constitution deals with what will be, depending on what you do.

If you do this, this will be the outcome. A prophecy of god. The constitution has been made, the laws are set, they are established and settled, and anything you do that is unconstitutional, to transgress the law, will be at your peril. What we call law or our legal system is not law, but prophecy, governed by the rule of law. We determine what will be in the future, the outcome of our own will.

The only way we can regulate ourselves is to write bills for ourselves. What do you think the bills being written by your representatives in the legislatures of country do? They bind you to debts, obligations and performance according to the bill. Your will. Do not live with the delusional thought that you can determine anything. God laughs at you.
Now let me make very clear what you are involved in. You are involved in a criminal organization and you are one of the partakers. Of course you do not know you are, but you are. When you realize that you are the devil's advocate, then you can find the solution.

“Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them; And saith unto him, All these things will I give thee, if thou wilt fall down and worship me. Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve.”

How can Satan give you anything that he does not own? It is a trick. He wants you to steal it. And we have. God already said you may eat freely from every tree, except from what is good and evil. Jurisdiction. Satan says the same thing and we have all gone for it. How do I know? Because everything in Canada or America or any country is owned by the people, not God. Speaking constitutionally, how do you think you got it. Who do you think you have fallen down to and worship?

Before we get to the solution in the next section, we need to be sure we understand the problem. Well the problem is we have broken the law. Plain and simple. But why we have broken the law without even knowing it is what I call the Perfect Swindle.

You see, I did something dishonest in the Confusion Programs. I held out the prospect of you owning your own property. I appealed to your Vanity, Greed and Lust, some of the human motivators. God says, “Be ye wise as the Serpent, but harmless as a dove.” I am using the same wisdom that the Serpent used to separate you from God, and I am using it to bring you back around to God. But what I am doing has a happy ending. Now we will explain the Perfect Swindle…..

TWELVE: This section is called “The Perfect Swindle Exposed”

I also think this program could be called, “Dumb and Dumber”. Who would ever think that the forming of a Sovereign Nation, a country is against the law of God and in direct violation of his first two Commandments? It is a wonder no one can get out of Babylon. They don’t want to. They want to try to fix it.

Of course I am referring to atheists and religious people respectively. I do not mean this is a derogatory way, but the facts are the facts. Both atheists and religious people both obey, perfectly and completely the same law. No difference, not even in the slightest degree. Your atheist neighbor or your religious neighbor both have the same God. Period.

The earth is full of property, the earth is property, because all of creation is property. And you own no property. **This should just astound you.** This is something that should be beyond all belief. But nobody cares. And this is why everyone is dumb and dumber. Property is the Holy Grail of law. If I own something, I do not have to ask anyone what I can do with it. Absolute freedom. I have something that is just mine. I think I will eat it, no, I think I will give it to you, no, I think I will burn it. **What power is this thing called owning something.** I have the exclusive, despotic, tyrannical power to do whatever my will is to this property. Wow, what a rush.

**But here is the most profound reality you can know.** Everything that exists comes from something. And everything there is must be part of something else. Why, because only the first being, the first whatever that exists could not only not come from something, but must have always existed and always will exist. Because nothing can come from nothing. Even a dumber can understand that.

So, **Unless you are this infinite supreme being that always existed, there is no such thing as absolute freedom.** It is an illusion. But what is the most freedom or liberty a man can have. Well, it is
called the perfect law of liberty. And what I have just said to you is just pure logic. There is no argument against it.

Now, this liberty which is your birthright is tied exclusively to property, because property is always in the custody of the law. So, when people believe they own the property they have, when in law and fact they do not, you know instantly that there is a huge deception going on. And when you are told that you own what you have, then that is a blatant lie. And when this is explained to dumb and dumber, they can see that what you say is not only logical but right. And the response is I do not want to know. I do not want to know why this is.

Now, this takes us back to the origin or source of everything again and this concept of God. And this is where the Swindle must begin. In the very first two sections I went through the diversions and mind control used to accomplish the swindle. And the theory of evolution is only the modern diversion. For the last century or so. And this evolution diversion is not about God, or science, or religion, or philosophy. It is about property, the Holy Grail of law. It is about the property, the property, the property. But how do you get to own the property is the question. And that takes us to God.

Now, you know or can see what this theory of evolution does to God, but can you see what religions do to God? They both do the same thing, they both obliterate God, and it is absolute genius. Both are as wise as the Serpent. Both are Satanism and Luciferian doctrine. And one tries to prove there is no God and the other agues for God. Again it is absolute genius.

Religion means to re-bind. Means to be a partaker of something. We know on the reality side, that out of ONE we are many. There is absolutely no dispute. This is reality and is Constitutional. But a religion, just like your country is, Out of many we are One. The people is become as ONE and make them a name. And now nothing is restrained from them which they imagine to do. Every religion of the world is a corporation just like every country of the world. They are families.

Every religion and every country is a creature of man, not a creature of God. God does not recognize your country or your religion. He only recognizes his creation. You can have the Catholic Church of Canada, or of Turkey, or Germany, or England. They are sub-corporations of the corporation. No different than Wal-Mart in these countries. They are all creatures of the state and in turn a creature of man.

It is the “Out of many we are one”, that is prohibited by the first 3 commandments of God. It changes your God, your Identity and your Name. The people involved in religions of any kind worldwide do not know this, but they are unknowingly the cause. Without the many that make up the ONE, there is no ONE. No religion and no country.

Now that you understand what a religion is and what a country is; how this is used in the Swindle? And this again is genius. Everyone knows God is supreme, whether you believe in God or not. And everyone believes you are to obey the law of the land, the country unless it conflicts with the law of God.

And this is the reason why people fight for freedom of religion or free religious exercise. So, most countries have given you freedom to practice your religion. Your freedom of religion is no different than freedom to operate any kind of corporation in your country. Freedom to operate a PIZZA company. Your pizza company and your religion company are both owned by the state, your country.

Who the hell do you think constitutes these beings? Corporate persons of the country. Now, how does this work in the Swindle. Well, you obey the law of the land unless it conflicts with the law of the country. So, you assume the law of God is higher, supreme. Not a chance in hell.
Everyone who is a partaker or member of a country or a religion of the corporation that is a creature of the country, has already placed themselves above the authority of God as God sitting in his seat of power. **You have already violated the first 3 commandments of God. Making his law of none effect.** Now, when you claim some religious exemption from the law of the land, your country, which is the will of the people, to do what you think is the will of God, the people decide if you can do the will of God.

Your religion has just different rules from the corporation of the Beast. Just a different status of being. The people as ONE is your God. Your country, your ONENESS is Sovereign. There is no higher law in your country. **Sovereignty is exclusive to the people in your country. Not God.**

There is no Creator God in your country. God does not recognize your country or your religions. **These are made by human hands and skill. This is all idolatry, the most serious crime any man can commit. And the whole world does it, bar none.** “Freedom of religion or free religious exercise is the most evil and diabolical scheme ever devised by some men and inspired by Satan”……Marcus

Let us continue with the swindle until we put together all 3 parts or turns of the Swindle. We know we come into the world with nothing, so we cannot be absolute owner but we can own our property if we keep the commandments of God here on earth. Facts, evidence and proof. So, we own our property subject to the law of God. The most freedom or liberty a man can have. Fact.

God is an absolute dictator. Well, he should be, he is creator of all and has infinite knowledge and wisdom. Makes sense to me. And it is totally just. Now your “out of many we are ONE”, your democracy, is also an absolute dictator. Do not be fooled. Once the ONE out of the many have all power and control, it is a dictator. Now here is the question you need to ask yourself.

God’s laws are called the perfect law of liberty. All of his commands, his laws are for our own good. He did not make laws to hurt you. They are there for protection of your life, liberty and property. Or if you think that 100 million people or whatever number are in your country can come up with better laws in a democracy, and have more knowledge and wisdom than God, then go for it. Better hope someone in your group is smarter than God. **But the people who run this world have control of the ONE which you are a partaker of.**

The only way for the people of this world to control the property of the world and hence the wealth, and hence your life, liberty and property is for you to be a partaker of “Out of many we are ONE” instead of being “Out of ONE we are many”. The people who control the world need you to make the Serpent Move. To place yourself above God. Once you do, you are ensnared.

And it is being used for their power, greed and wealth. Just look at your country. **Extreme wealth to extreme poverty. Under the law of God, that is impossible.** So, either way, you cannot do your own will. Either way you cannot own your own property. **But here is the catch. Everyone does own their own property here on earth if they keep the commandments of God.** God made the world so everyone could own their own property. **To reap what they sow.**

To get your just reward, whether good or bad. This is it. This is it. Follow anything else, and you have no control over anything. Patriotism, constitution, bankers, money, common law, etc. All nonsense. Everything is exactly backwards, upside down. By keeping the commandments of God, money has no power anymore. If you own property, you only issue money for a deferred trade. That is it. And if you get too far in debt, you are released every 7 years. There is no lifelong debt and bondage. Why, because everything is God’s. Wake up people. The truth is that people do not understand; what is the Holy Scripture - The Word of God. They think it is about jumping up and down and to praise Jesus
and somehow everything will be okay. Everything I am telling you is at Hand. Something you can do now. **The time is at HAND.**

So, what are the 3 turns of the Perfect Swindle? Everything is God’s. He is Creator of all, owner of all, and power over all.

**Satan, suggests that, (1) take it from God, (2) give it to me, (3) and I will give it back to you.**

Under a new God, a new identity. From being a *man* made in the likeness of God to being a *person* made in the likeness of your Country. In the beginning, in the garden, in paradise, you were given and had the following:

**God’s Power of attorney, his authority, his dominion, his property and his name. You had his life and his robe of righteousness. You had the power to act in his place, called the Kingdom of God. You had your Birthright, your status as Servant King, as God’s Vice-regent to administer the plan and will of God. And all this was given to you as a gift from God, because you had the TRUST of God. We had everything there is to have. WOW.**

The only thing we did not get was free will. And if you think we did as is widely reported, then thank you for being a spokesman for Satan. But he did not leave us standing around wondering what to do as evolutionists would have you believe. Saying, we have no rules or laws to follow, there is chaos. NO. **God gave us his will, the most valuable thing this world affords.**

Now, what did we do? At the suggestion and subtility of Satan, we took God’s seat of power, his throne. We denied the power and being of God. We took his throne, power, dominion, property, and made it our jurisdiction……. The Kingdom of Man. And we quickly realized that each man as a law unto himself will not work. So we made a God, we made our Maker, to rule over us, whom we give all power and our complete TRUST. And all this we did by adhering to the legal counsel of Satan, the Master Deceiver, the Master of Confusion. What is the result of this one act? **Well, your Servant is now your Master.**

You lost what was yours, because you took what was not yours. You took the throne of God, you lost your throne from God. You took the power of God, you lost your power from God. You took the dominion of God, you lost your dominion from God. You took the life of God, you lost your life from God. You took the liberty of God, you lost your liberty from God. You took the righteousness of God, you lost your righteousness from God. You took the knowledge and
wisdom of God, you lost your knowledge and wisdom from God. Everything you took, you lost.

Satan said, fall down and obey me and I will give you all the Kingdoms of the world. God said, beware, you are being deceived, danger ahead, you will ensnare yourself, you fool, your blind, you can’t see, listen to me, you have wax in your ears, you dummy, you dunder head. These warnings are all through the scripture, you can’t miss it.

All Satan needed for you to do was this one act. Supersede the power of God and you are ensnared. And now you no longer are subject to the will and power of God. You no longer hold God’s power, authority or dominion. You lost all of God’s power for the protection of your life, liberty and property. You can cry out all you want, but he cannot hear you. Do you understand what I am telling you? You lost all power. THE PERFECT SWindle.

And there is nothing you can do about it, because you are the one who broke the law. Oh, my God. How can this all be undone? It can’t. It happened. You can’t make what happened not happen. It is the past. It happened. Fact. The Law cannot fix it.

But there is a fix. This is what the whole scripture is about. This is the plan of God. Can you see why controlling the knowledge of God is so important. The Swindle cannot work without this mind control of what is the Holy Scripture and cannot work without you. We are tricked into stealing from God and giving it a God in our likeness and then get it in return from our God. We violate the trust of God and trust in our own God made in our image.

We think the law of God is not for our own Good…….We think that the knowledge and wisdom of man is superior to God. With God we get everything for free. Adhere to Satan and nothing is free. With
God we tithe to an actual partner who gives increase…...here we give tax to partner who does nothing, except in name.

With God, no one works their whole life to pay a mortgage. No one buys land or sells it. **Who are you going pay, God? The land is free. All wealth from the land is free.** He has rules on how to claim it, and how it is transferred by his will, not our will. And here is the whole reason the knowledge of God has to be controlled at all costs.

**With God we own everything we have on earth……after the Serpent Move you own nothing on earth.** Does God own you, or does your country own you? All done through a change in relationship, which is a change in identity. If you act in the name of God by his authority, who can be against you. No one can overrule what you are doing, because it is the will of God. If indeed it is.

So, to achieve the Perfect Swindle only the knowledge of the first commandment of God really needs to be controlled. **You are either above God or below him in hierarchy. That is it.** Well either God is God or you are God. Who is supreme? If you are the God, the lawmaker, you have changed your identity. If you believe there is no God, then you have not broken any laws. If you do believe in God, then you are in big trouble. But what does belief have to do with reality. With facts, evidence and proof?

“**He that saith, I know him, and keepeth not his commandments, is a liar, and the truth is not in him.**”

Did you change your identity or relationship with God? Do you Act for God or for yourself? Do you do his will or your will? And we have seen how everything backfires on us. Are the people always right, or is God always right? **Everything we want, we end up losing.** And finally, what is the truth and reality? Are you deceived or not? You need to use your brain.

These are the promises and benefits that each and every one of you can receive, if you will humble yourself. Leviticus 26 and Deuteronomy 28

Read this ---Leviticus 26: 1-15

“**Ye shall make you no idols nor graven image, neither rear you up a standing image, neither shall ye set up any image of stone in your land, to bow down unto it: for I am the LORD your God. Ye shall keep my sabbaths, and reverence my sanctuary: I am the LORD. If ye walk in my statutes, and keep my commandments, and do them; Then I will give you rain in due season, and the land shall yield her increase, and the trees of the field shall yield their fruit. And your threshing shall reach unto the vintage, and the vintage shall reach unto the sowing time: and ye shall eat your bread to the full, and dwell in your land safely. And I will give peace in the land, and ye shall lie down, and none shall make you afraid: and I will rid evil beasts out of the land, neither shall the sword go through your land. And ye shall chase your enemies, and they shall fall before you by the sword. And five of you shall chase an hundred, and an hundred of you shall put ten thousand to flight: and your enemies shall fall before you by the sword. For I will have respect unto you, and make you fruitful, and multiply you, and establish my covenant with you. And ye shall eat old store, and bring forth the old because of the new. And I set my tabernacle among you: and my soul shall not abhor you. And I will walk among you, and will be your God, and ye shall be my people. I am the LORD your God, which brought you forth out of the land of Egypt, that ye should not be their bondmen; and I have broken the bands of your yoke, and made you go upright. But if ye will not hearken unto me, and will not do all these commandments; And if ye shall despise my statutes, or if your soul abhor my judgments, so that ye will not do all my commandments, but that ye break my covenant:**”
Deuteronomy 28

“And it shall come to pass, if thou shalt hearken diligently unto the voice of the LORD thy God, to observe and to do all his commandments which I command thee this day, that the LORD thy God will set thee on high above all nations of the earth: and all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the LORD thy God. Blessed shalt thou be in the city, and blessed shalt thou be in the field. Blessed shall be the fruit of thy body, and the fruit of thy ground, and the fruit of thy cattle, the increase of thy kine, and the flocks of thy sheep. Blessed shall be thy basket and thy store. Blessed shall thou be when thou comest in, and blessed shalt thou be when thou goest out. The LORD shall cause thine enemies that rise up against thee to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways. The LORD shall command the blessing upon thee in thy storehouses, and in all that thou settest thine hand unto; and he shall bless thee in the land which the LORD thy God giveth thee. The LORD shall establish thee an holy people unto himself, as he hath sworn unto thee, if thou shalt keep the commandments of the LORD thy God, and walk in his ways. And all people of the earth shall see that thou art called by the name of the LORD; and they shall be afraid of thee. And the LORD shall make thee plenteous in goods, in the fruit of thy body, and in the fruit of thy cattle, and in the fruit of thy ground, in the land which the LORD sware unto thy fathers to give thee. The LORD shall open unto thee his good treasure, the heaven to give the rain unto thy land in his season, and to bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow. And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the LORD thy God, which I command thee this day, to observe and to do them: And thou shalt not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other gods to serve them. But it shall come to pass, if thou wilt not hearken unto the voice of the LORD thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee, and overtake thee.”

You know people take this literally, like what if I do not bake bread. These are the principles of the law no matter whatever your endeavor is. Blessings are benefits and curses are losses.

Sermon on the Mount.

“Blessed are the poor in spirit: for theirs is the kingdom of heaven. Blessed are they that mourn: for they shall be comforted. Blessed are the meek [no power] for they shall inherit the earth. Blessed are they which do hunger and thirst after righteousness: for they shall be filled. Blessed are the merciful: for they shall obtain mercy. Blessed are the pure in heart: for they shall see God.”

And there is your proof that God exists. And seeing is more than believing.

In the last section, let us pull together the solution to all this insanity.

THIRTEEN: This section is called, Disclosure - “The Word of God”

I told you that it is the Word of God that is used to get you to break the law, and the solution to the deception is also in here.

The Scripture - The Word of God.
Could you imagine if this is really the word of God? That would change everything we do. Imagine God speaking to us and tells us what you can do, and what you cannot do. That would straighten out all the confusion. Wouldn’t it?

Could you imagine driving home during rush hour, stop and go traffic and you see a guy walking up a hill over to the left, a really high hill and there is thunder and lightning and dark clouds, maybe a little bit of rain. And all of a sudden you hear a voice that makes the ground shake, I am the Lord your God, do not have any other Gods before me, Do not make your own identity, you are my people, do not call on me in vain, make a holy day to me once a week, love your mom and dad, don’t kill or steal, or lie, do not look over the fence at your neighbors wife in her itsy bitsy tiny weenie bikini, and don’t wish you had your neighbor’s new propane thermostat controlled barbecue.

Wow, that would make the newscasts everywhere on earth. CNN would report, the BBC, every country in the world would. You would get live interviews from the witnesses. Like, we have Bob here, and can you tell us what you saw and heard. Well I didn’t see anything but the earth shook like an earthquake. But I heard the voice of God giving us his commands.

No one would doubt it, because it was on TV. Everything on TV really is true. Some kid would probably record the audio on their IPod and the law of God would be clear to everyone. It would be put on face book, twitter you name it.

Well, there was no TV 5000 years ago. But there were witnesses who recorded it and have kept a good record of it. But nobody believes it. But they believe something someone made up that they say happened 20 billion years ago and believe it as fact, with no witnesses. You see, religious priests and ministers cannot understand the scripture because they cannot grasp the principles of law.

They parade around with a Book and tell you this is the Word of God. They will tell you that this is what it really means or that you must have God’s decoder ring to know the “symbolism” in the Word. They will tell you this part is true, and that part is not true, we believe some of it and the rest is not true. So, the Word of God is some truth, some lies. That is what they are saying.

If you ask anyone what the two most important parts of the Bible is, you would get Christmas and Easter. Even atheists will celebrate Christmas, or at least take the day off work. Jews do not celebrate Christmas, but that is okay, that is normal for them. Now there is no Christmas in the Bible. So, now you know that everyone who celebrates Christmas has never read or understand the Scripture.

Yet everyone has an opinion about God and the Word of God. That is like having an opinion about a movie you never saw. Oh, someone told you about the movie, and they never saw it either. And folks, that is reality and a fact.

Now, the Queen of 17 countries and the US congress have declared publicly that the Scripture is the Word of God. I don’t know how they know, but they do. They say we should use the will of God when we do our own will. Duh. What morons. They do not understand the parable of the man who had two sons. But I can assure you, they do know what it means to own property.

Well, I have read the Word of God and it is a master piece. When you look at it, it becomes very clear that no man could have authored this. If they did, they should run for President. Absolute genius. Written by 26 different writers over 1300 years, without a single contradiction. And there was no internet or emails back then. Hell, they never even knew or met each other. Still think this was written by some camel herders running around in diapers, like is portrayed to you.
And here is what should seal the deal for you. It is the only holy book or Word of God that is a constitution. It is also the template for the legal system of every country in the world, although a forged copy. We say we can’t act in the name of God because he doesn’t exist, but we can make our own God. We do not believe God is our maker, but we can make our own maker. An absolute insane absurdity.

The truth is we are one with God, his partner, his temple, his body. We plant the seed and he gives us rain in due season, he makes it grow. And rather than give him his share, a tithe, we give it to a woman in England, who you’ve never even seen, who did nothing for the success of this economic venture. The most blatant unjust enrichment I can think of. Ultimate hypocrisy.

The Scripture is the most valuable thing in the world and no man can claim to be educated without the knowledge and wisdom in it. And it is every father’s duty to teach it to their children starting after they are weaned from the breast. The Scripture tells you the beginning of all things and what will be the end of all things. And there will be an end. It gives us the constitution, the law, explains life and death, and the reason and purpose for your being. It gives all this and much more through history, science, teachings and commands.

In effect, it answers all the questions people think to ask, but never think to look in the right place. They would sooner ask Fred next door who is a history teacher, or Dr. Phil who has a degree from the University of Universal Knowledge, who we are, where we came from and the purpose of your being. And of course someone told him what he knows and someone told that guy before him what he knows and around and around we go.

Now, I will not go into great detail or we will be here for months. I will be hitting only the highlights needed for you to understand the solution. I will explain the law, and justice, rights, duties, and something unknown to your will or legal system called mercy.

In the beginning God created the heaven and the earth. And then he formed it. Creation was instant. Forming took 6 days. Hard work, so hard he never created again.

Man was formed on the last day of the six days. Everything else was already accomplished. I think God did this so man has no way of claiming jurisdiction over anything. And God gave man who was made in his likeness dominion over everything, but not jurisdiction. And then something happened that would change the course of history forever.

Sin came into the world. And man instantly knew they were naked and came into the world with nothing. If sin had not entered the world the whole scripture would be about 3 pages. So, the rest of the scripture all deals with this one thing, called sin. Now the wages of sin is death but it is not God’s will that any should perish (it is yours). So, God had to make a new plan, and the scripture is the plan of God (a contingency plan have you….one He knew would be necessary).

At the start, when you were born you were innocent, no sin. You were born of water and the spirit. Your life was conceived by the power of the holy spirit and you came forth when your mother’s water broke. You were born in the image of your parents, and all man is born in the image of God.

You were born in paradise, the Kingdom of God. You were not barred from anything. You were born with God’s dominion. Your birthright as servant king was automatic, merely by being born. You had life, a God given life produced through your parents. You were not born with the knowledge of good or evil. No one is. Then something happened where you lost all these things. And God’s plan is a way to restore all these things. He came up with a onetime offer. And that is basically what the scripture is about. But he reveals all this to us in strange ways, but for a reason.
The reward is so great, not everyone can have it. He says that those that are pure of heart will find it. He says those that are pure of heart will see the face of God. And those that are wicked will not. In fact he makes sure the wicked will not, by sending them strong delusions that they should believe a lie. He must have a good reason for this.

So, what happened, what did you do, that you are seeking to find a solution? Well you are in trouble with the law. You broke the law. And the result was a separation from God. God calls this separation a death.

“And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him; male and female created he them.”

“And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.”

Now, this tree of knowledge of good and evil is the jurisdiction of God. Why? Because everything is his property. Only he can rule over his creation. This is a fundamental right to do as you please with an original creation. Now, people think that evil is a pretty bad thing. Well it is. But it is an extremely important part of God’s plan. Because without evil, everything would be right. And if everything is right and good, then his creation can self destruct. We could all kill each other, no problem.

So, evil is very necessary for us to have a long, healthy and prosperous life. You see this tree is the protection of the whole creation. And this tree is so toxic, that it will kill you. In our legal system we call it the fruit of the poisonous tree.

Now Satan does not represent evil, no, he is evil and he is death. Just as God is all that is Good and is Life. So, we learn right up front that evil is always present. Right after God told and commanded man what is good and right, evil had to also be presented to man. And Satan did just that.

“Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? And the woman said unto the serpent, We may eat of the fruit of the trees of the garden: But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die. And the serpent said unto the woman, Ye shall not surely die: For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.”

And man did eat and became as gods. You being as God, is the evil in the world. Not appear as God in his image and in his name, but be as God. Big problem. Can’t have two bosses. Cannot have two property owners. When man decided to do their own will, a number of things happened.

In the hierarchy or chain of command, man placed themselves above the authority of God. Your Dad tells you to mow the grass and you don’t, who has taken power? The word is superseded. To take the place or move into the position of. Or sit above.

SUPERSE'DE, verb transitive [Latin supersedeo; super and sedeo, to sit. To sit above]. Literally, to set above: hence, to make void, ineffective or useless by superior power, or by coming in the place of; to set aside; to render unnecessary; to suspend.
So, man took the throne of God and his Crown as King. Now, the fine distinction here is that in effect you took the advice or influence of Satan. He played on your natural appetites and desires. He played on your will. And the effect of this is that you did the will of Satan. He was not your maker; you were not made in Satan’s image or likeness, not his property. So, rather than act as a son of God, you acted as a son of Satan. Called the son of perdition.

**DI'TION,** noun [Latin ditio.] Rule; power; government; dominion.

Perdition: by and through rule, power and government. Means self rule.

Now, only God can make real law, and Satan knows God will have to punish you. It is like getting someone to steal for you. You suggest it and they do it. You were warned however and told what the effect would be. What will be. You are acting in your own image or likeness. Which is the likeness of Satan. You are born of the devil, your father. You are kicked out of paradise. Dominion is revoked. Barred from getting back in (by a flaming sword). And separated from life. The tree of life.

“**But your iniquities have separated between you and your God, and your sins have hid his face from you, that he will not hear.**”

So, you have also lost your identity, and hence your birthright. **Now, there is a huge difference between appearing as God and being as God.** Appearing as God is your identity. But being as God takes on a new identity. A new relationship. A **relationship with Satan.** Remember, identity is sameness of being. The relation a man bears just unto himself.

Now, when you become something that is not true to the law or the constitution, and we all know we are not really God, that is a fiction. Just not true. So, a fiction of law. Remember the Romans praetors could not abrogate the law but derogated from it by inventing fictions of law. By giving this change in state of being which is a fictional existence, we just command the fiction.

We then take or assume the fictional character, and therefore x is y and cannot be disproved. But you have to author it, represent it, claim to be it or charged as it. And of course the only evidence of this is a graven image. A foundation identity document.

Now here is a very important statement. **Just getting rid of the evidence, like the graven image does not get rid of the evidence of what happened. There is a record of what you did. You did break the law. In other words, you did not keep the Commandments of God.**

So, the second commandment of God is the process to committing idolatry. If you violate the first three commandments, then anything you think you do in the name of God is in vain. You are then guilty of all. Because, any command, statute, or thing you think you are doing as the will of God is not the will of God. Even if you decide to now do the will of God, it will still be in vain. **You cannot be subject to the will of God while you are still sitting above God.**

When you act in your own image, for self, you are doing your will. The graven image is the evidence of self will or self mastery. You cannot claim to be doing the will of God if he does not own you. If you own yourself, then you are doing your own will. Commanding your self. Self Mastery. Remember, a new identity, new face, a mask. God does not recognize you.

“**Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven. Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity.**”
Now, there was a fault in the Old Testament, the old will of God. Think of it as a missing provision of the contract. But the provision was originally not needed because you had the trust of God and he thought he had your trust.

Fault: A wrong action attributable to bad judgment, ignorance or inattention.

“For if that first covenant had been faultless, then should no place have been sought for the second.”

And what was this fault in the covenant, the contract. There was no second chance. Once you sin, you’re dead. No forgiveness, no way to redeem yourself. There was no pardon system in place. If the first testament of God had it, there would be no need for a new testament. And here is the good news of the new testament of God.

“For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.”

Our whole legal and judicial system is based on the Old Testament. No forgiveness. Why? Because we are God and therefore only we can forgive. This is why the fine or penalty is IMPOSED ON YOU. You assumed the position of God so only you can fulfill the law. And the law in our legal system is fulfilled through the express image of your person.

So, what is the whole chronology of the Scripture. We begin life in the garden, get kicked out and have a way to return. From being one with God, to separation from God to reconciliation with God. From holding dominion to losing dominion to dominion restored. From life to death and resurrected back to life. Jesus is the mediator to the reconciliation. The way. He is the sacrifice and the propitiation. Meaning, pity of God. Now a fault is not as bad as a crime. In a crime, you did wrong and knew you did wrong. But a fault, you are still to blame,

Fault: A wrong action attributable to bad judgment, ignorance or inattention.

Law always needs to be fulfilled or it would not be law anymore. Jesus was sent by God for two reasons. To magnify the law and to fulfill the law. Forgiveness will fulfill the law, but does not do away with the law. Why? Forgive means someone will give for you. In your place or stead. Otherwise there is no justice, and the law is no more.

But forgiveness alone cannot reconcile you back to God. Nothing is restored to you with just forgiveness, because the record still stands. It happened. You broke the law. Now, God accepts the sacrifice of his own son as payment for your debt. God’s acceptance of this payment fulfills the law. But you are still a sinner. The record stands, it happened. And God and sinners are not ONE. What you need is a pardon.

No one comes out of bondage, no one can be saved, no one can be reconciled with the Father but through Christ. YOU are kept in bondage to sin by YOUR separation from God. This has to do with the law and justice. Jesus came to fulfill the law. It is the blood of Christ that is the ransom for your release from sin. The blood of Jesus is the payment instead of your blood. But the solution is the mercy and the grace of God. God knows you were unwittingly deceived and tricked.

But don’t think you are not responsible for being tricked. You are to blame. But he takes pity on you. You are freed from your self induced bondage by the propitiation of God. It is the pity he has on all of us that caused him to first forgive but also to pardon, if and only if you confess, repent and do it with a truly contrite heart.
And if you confess, you better know what you are confessing to. Just saying I have sinned will not do it. Because if you do not know what you are confessing to, you will go right back to doing it. Now, this is very important to understand. **Forgiveness fulfills the law. It wipes out the sin, the transgression of the law. And a pardon wipes out the sinner. Sin is what you did. Sinner is who you are.**

Now, here is the power of receiving a pardon from God. With a pardon, you are no longer a sinner, a criminal. The record is destroyed, like it never happened. You return to the state and condition you were before you sinned, before you did the criminal act. Everything you lost during your crime spree is restored. The crime spree never happened.

So, what is the solution? **It is baptism.** You need to re-enter Gods Family. **The solution is not getting out of Babylon (although we are commanded to do that), the solution is reconciliation with God (which does that). You need to be subject to the will and law of God, or you have no protection.**

What happens during Baptism? Basically, everything that you lost is restored and every effect caused by eating from the tree of knowledge of good and evil is pardoned. During baptism, the old man of sin dies. Your old identity. And you emerge from the water and the spirit of God enters you, the life of God, you are not living your own life now, but your God-given life.

Complete immersion is necessary as it is symbolic of a true death of your old nature-identity and a rebirth as a new being who is related to God our Father. Hence a new and restored identity. You are now reconciled. This means that you have a complete and total pardon from God. All your transgressions of the law never happened. This is what a pardon is. Means back to the state or condition before you sinned. Childlike...

It is a new beginning, a second chance, a start over. The old you or identity dies. New family, new father, new creature, new name, new being, new life. This is your real family, real father, real creature, real name, real being, and a real life. God is restored to his throne, You are now a son of God. You are reconciled. It is a marriage, a union with God as One. God accepts the sacrifice of his son as payment for your debt. You were bought with a price. Old ordinances against you are blotted out. Pardoned. Complete. Record wiped clean. Cannot be raised again in law, as if it never happened. In law, it never did happen.

"**As far as the east is from the west, so far hath he removed our transgressions from us.**"

"**For I will be merciful to their unrighteousness, and their sins and their iniquities will I remember no more.**"

Trust is restored. Dominion is restored. You as the temple of God is restored. You are now a member of the body of Christ (One with God). You are sanctified and declared as holy and set apart and dedicated to the service of our God and Father. Everything is put into subjection under your feet. Which is God’s power of attorney. You become an heir of God and a co-inheritor with Christ. You have undergone gone a total transformation. You were dead to God in your sins and trespasses. Baptism is a resurrection from the dead. It is the first resurrection from the first death.

This is not for when you physically die which all religions teach you. No, No, this is for today, right now. The time is at hand. You are confused if you think otherwise. What you currently are also has to die. He calls it the old man of sin. This identity has to die.
Don’t you know, you have to die before you go to heaven? The Kingdom of Heaven is the Kingdom of God. God explains that this is the first heaven. Right now you are as a graven image, a dead being. The dead do not live in heaven. God is not the God of the dead, but the living. Jesus went berserk over the money changers and the preachers of the word of God and over the Masters of Confusion. Religious ministers and lawyers.

“Woe unto you, scribes and Pharisees, hypocrites! for ye are as graves which appear not, and the men that walk over them are not aware of them.”

“Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whitened sepulchres, which indeed appear beautiful outward, but are within full of dead men’s bones, and of all uncleanness.”

So, how do you get out of Babylon as so many refer to it? You have to die. What you are has to die.

“He that findeth his life shall lose it: and he that loseth his life for my sake shall find it.”

“For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it.”

You have to die to sin, to transgression of the law, die to the constitution you made, to your state of being, the man of sin has to die. The relationship you bear and your identity must die. You have to have a civil death, your country given life, your country made being, the creature of the state, your civil life, take off the mask, the person, the graven identity, the relation of the country you bear unto yourself.

“But thus shall ye deal with them; ye shall destroy their altars, and break down their images, and cut down their groves, and burn their graven images with fire.”

You have to have a Babylonian death, death of Babylonian character, being, life, identity, mask and character. Have a civil death, you are still here tomorrow and you will feel just fine. It doesn’t even hurt. You have been living an illusionary fictional forged existence. You will be raised from the dead. I guarantee it; you will still be alive tomorrow. Just accept the get out jail free card. Your pardon. It was issued almost 2000 years ago. The free gift of grace. “For the wages of sin are death, but the gift of God is eternal life through his son Jesus Christ.” I don’t know about you, but I am always looking for something free.

Not only can you be forgiven but can be completely pardoned. Meaning you are reborn to your original state and condition before you transgressed the law. It is treated in law, as if it never happened. That is what a pardon does. It is then, and only then that you can be reconciled to God, and be once again subject to the law and will of God. Hence, under the protection of the law of God. Sin can never be in the presence of God.

In reality you are just taking off the mask. Your true identity is below it. You were in disguise. You have been acting as the dead. You were deceived by the great deceiver. You were always alive, but not to God. You did not exist to God. You could not appear in the image of God when you turn your face away from God. Return to me and I will return to you. Here is the scripture that explains the civil death.

“Martha saith unto him, I know that he shall rise again in the resurrection at the last day. Jesus said unto her, I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die. Believest thou this?”
CIVIL DEATH-A NEW LOOK AT AN ANCIENT DOCTRINE

‘The incongruous and often unexplainable effects that arise from application of the doctrine of civil death have plagued the law for centuries. It has survived a long history to become a statutory incident of a sentence to life imprisonment. With living men regarded as dead, dead men returning to life, and the same man considered alive for one purpose but dead for another, the realm of legal fiction acquires a touch of the supernatural under the paradoxical doctrine of civil death.’

The civil life you have been living is as much of an illusion as your civil death. It is the death of an identity, the death of a relationship. Everyone is waiting, waiting for what? The time is at hand.

Christ will not come again to mediate until you get off the throne of God. But you have to do more. You have to confess to breaking the law. You have to repent and be truly sorry. Then you have to ask to be forgiven, and then you have to accept the pardon. It is this acceptance that also binds you to accepting the new covenant. Everyone is sitting around waiting for Jesus to return. Well you are going to be waiting a long time. You are clearly told in the scripture, the time is at hand.

This means it is your move dummy. Religions teach you to just pray and your prayers will be answered. God will take care of it for you. And if you ask for it in the name of Jesus, then you will get it for sure. First of all, your prayers are an abomination to God. He said he will not hear you.

God can’t help you and neither can Jesus. You have not kept his commandments. Something has to happen before Jesus can mediate for you. You are not ready for mediation or reconciliation yet. The offer has been made. You won’t accept the offer because you don’t understand it.

“No we beseech you, brethren, by the coming of our Lord Jesus Christ, and by our gathering together unto him, That ye be not soon shaken in mind, or be troubled, neither by spirit, nor by word, nor by letter as from us, as that the day of Christ is at hand. [means what are you going to do] Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. [I am a Sovereign Freeman walking on the land - No you are an evolved, arrogant, self exalted Baboon] Remember ye not, that when I was yet with you, I told you these things? And now ye know what withholdeth that he might be revealed in his time. For the mystery of iniquity doth already work: only he who now letteth will let, until he be taken out of the way. And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: Even him, whose coming is after the working of Satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.”

Jesus said that his apostles did not know the kind of death he would die. The kind of death he should die. Who killed him? They killed him because, the Jews accused him of saying he was God. King of the Jews. Pontius Pilate wrote the claim of the people. The Civil Authority wrote this: “Jesus of Nazareth, King of the Jews” But Jesus was neither. And Jesus never said it. Jesus said, “I AM NOT HE’ I am not he that sent me. Then the Jews, said, write that he says, “I am the King of the Jews.”

So, they killed an innocent man for blasphemy and released Barabbas a civilian. A man convicted of sedition. Se-dition. Self rule. A criminal. A civil life. Jesus never lived by self rule. For if the Kings of the earth knew this. They never would have killed him.
“Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory.”

All the wicked Satanic Monarchies of the world shot themselves in the foot. Herod tried to kill the Messiah. He knew that the son of God, the messiah, would be the demise of every King of the earth.

So, that every man on earth can reclaim his birthright as a servant King of God, God used Satan in his own delusional self exultation right back at him by accepting the forgiveness and granting a pardon. You see, Satan can get you to break the law, but he cannot punish you. And God provided the way to forgive and pardon you, if you confess, repent and are truly sorry.

And the people of the world that control the knowledge of God, are Satanist and made you a Satanist too, while believing you do the will of God. You see, Satan is evil, is death. And the evil of the people, the death of the people, their accusation against Jesus, who never usurped the throne of God was accused by the people that he did. By doing the most heinous thing brought about the most glorious thing.

And those that preach that Jesus is God, are just like the Jews who accused Jesus of saying he is God. By killing Jesus we are reconciled to God and released from bondage. This can never be rectified and every one can claim Jesus’ sacrifice for their crime. Forever. Why? Because God said it is acceptable to him, so you can be reconciled to God.

Now, wow wee! As co-inheritors, all things in subjection under our feet. Dominion restored to carry out his will. **We have God’s power, authority, and dominion. All restored. We have his power of attorney.** To act as God, but in name only, not in fact, Almighty God, what a thrill. What a reward for studying the scripture, for believing in the truth. I can walk around, saying, I am doing this for God. If God is for you, who can be against you? This is what it is all about.

And this is why the people who run the world have to get rid of God. The Word of God, the most valuable thing in the world and do things so nobody reads it. And if you read it, do things so you will not understand it.

**False identities or relationships.**

God does exist                                  God does not exist

You had lost what was yours, because you took what was not yours. You lost everything from the throne of God, because you took the throne of God. Power, life, trust, dominion, property and your identity. Your Birthright. **Everything is restored. What a reward.**

“*You have regained what is yours, because you returned what is not yours.*”

Justice, it is all about Justice. Now that I know, what do I do? Due to our life long training and indoctrination you will not know what to do now. You have known no other way of life. Do not act until the confusion is gone. I would think that for most, I will have to do maybe another series on how to put this into practice. There is no rush.

First thing I would do, is read the scripture, and see if what I told you is true. If you still believe what some guy tells you, then you have not gained much wisdom. It is now time to think, and think, until you can see it, feel it and live it. It is the fear of God that is only the beginning of knowledge and wisdom. It is the knowledge and wisdom of God that brings you around to the Love of God. Remember:

“No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon. Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment? Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they? Which of you by taking thought can add one cubit unto his stature? And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin: And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these. Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, [shall he] not much more [clothe] you, O ye of little faith? Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed? (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things. **But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.**”

You will begin to see the power of words and how they are used to control you and make you believe the unbelievable. He explains how words will make you see things, but also how words can be used to deceive you. Click here: to view the "Words"..........Click here: for Transcript...... Video Five - Confusion of Law:

Law: Marcus explains the basic concept of law and government as you are presumed to know it. If you are one of the many groups who are just fed up with everything or are demanding changes, he explains why your protests are futile. He explains why the law as you know it, does pertain to you, and breaking it will only make you the proximate cause of your own injury. He explains who the government really is, the source of all your problems. It is not wise to let your conscience be your guide when you are asleep. The program ends with a clear example to prove you own no property and more details on how the swindle works. Click here: to view the "Law"...........Click here: for Transcript...... Video Six - Confusion of Things:

Things: Marcus shows you three components of the swindle which require your ignorance, but also your co-operation. Attorney, License and Name. He breaks down the meaning of what an attorney really is, and how you lose everything by turning away from who you are. He shows you what a license is and why we use them. And he shows you the misfortune that awaits you when you have a “confusion of being” and act in the wrong name. Video Seven - Confusion of Money:
Money: Marcus shows you how the blatant lie of owning property leads to your “Confusion of Money”. He explains that the “love of money as the root of all evil” was dictated upon the premise of owning property. He shows you the two sides of money and why your flip of the money will always bring you up “tails”. And he explains how your continued efforts to make the corruptible lawful only increases your penalty and suffering needlessly. There is a better life than your civil life, and that is your real life. Click here: to view the "Money" ........Click here: for Transcript....... Click Here: for Transcript in French.

Video Eight - Confusion of God:

God: Marcus looks at the concept of God as found in constitutional and other legal documents. This is the second concept that led to his discoveries. He shows you the contradictions which the greatest legal minds cannot or will not explain. Marcus shows you God in government buildings, in churches, on money, in courts. God seems to be everywhere but in the law. Click here: to view "God" ........Click here: for Transcript....... Click Here: for Transcript in French.
